Nominations Yesterday For S'side Civic Election

When nominations closed at Summerside's Town Hall at four o'clock yesterday afternoon, two councillors were re-elected by acclamation and there will be a contest in the East Ward and for Water and Sewerage Commission.

Councillor J. Lorne Driscoll (above left) was re-elected for his third term representing the West Ward and Councillor G. B. Sheen (above right) was re-elected for a second term representing the Center Ward. In the East Ward there will be two candidates for the election to be held on February 6th: Councillor H. B. Schurman and Mr. Lewellyn Rogers. Councillor Schurman has served two terms and Mr. Rogers is making his first bid for public office.

There will be a three-cornered fight for a three-year term on the Water and Sewerage Commission. The candidates are Mr. Leigh Stewart, Mr. Norman Fritchard and Mr. Leonce Arsenault. Mr. Stewart is seeking re-election and his opponents are new comers to the civic field.

According to the system for civic elections in Summerside three of the six-man council are elected each year for a three-year term. The Mayor is elected for a two-year term and this is the off year as far as the majority is concerned. The Water and Sewerage Commission consists of three men, one of whom is elected each year.—S

Kensington Man Given 3-Year Term

Leonard Philip Thibeau, 20, of Kensington was sentenced to two years in Dorchester Penitentiary on a charge of breaking, entering and theft and an additional year for breaking jail by Judge L. G. Lewis in Summerside yesterday.

The trial on the breaking and entering charge had taken two days and was in connection with a break at Semple's Drug and Jewellery Store in Kensington last Remembrance Day. Jewellery to the value of about \$1,200 had been taken and only a portion of it has been recovered.

After the breaking and entering case was concluded, Thibeau pleaded guilty on the jail breaking charge. The break had taken place while he was awaiting trial on the first charge. Both trials took place in the County Court Judge's Criminal Court.

Mr. Harold Goodwin represented the Crown and Mr. J. A. Gallant had been appointed by the court to represent the accused.—S.

Government Continued from page 1

ation and the magnitude of the defence effort required to meet it. As a result, legislation is coming that will give Cabinet new powers to ensure adequate defence preparations to meet the emergency and to prevent economic dislocation.

Informed quarters said the Government intends to follow the system, in effect, of declaring the emergency officially in the legislation setting out the Government's powers to meet it. This is used in the War Measures Act, the far-reaching law used for prosecution of two wars.

The new law is expected to be a lesser version of the War Measures Act, one that will give Cabinet standby economic and other powers without invoking the act itself.

Forces

Early in the session authority was sought to authorize Canadian participation in Gen. Eisenhower's European Atlantic-Pact command. Substantially increased defence expenditures—reported to run beyond \$1,500,000,000—are coming.

One battalion of the 10,000-man special force is in Korea and the rest may go there or elsewhere "in discharge of our international obligations." Amendments to armed forces legislation will be introduced.

These statements tied in with reports Canada will commit an army brigade from the special force and several fighter squadrons to Europe.

Production

A bill to establish a Department of Defence Production will be introduced. The department, taking over responsibilities now held by the Trade Department, will act as procurement agency for the forces and for Canada's allies.

The free nations should make it abundantly clear they have no aggressive intentions "and that they are resolved to aid in constructive endeavors to improve the standards of human welfare in underdeveloped countries."

Parliament will be asked to vote money for appropriate Canadian participation in Commonwealth and U. N. plans to help these countries, notably Asia.

St. Lawrence Seaway

The urgent need of this navigation-power project "is becoming increasingly apparent" and Canadian authorities should be kept in a position to co-operate promptly once the U. S. gives approval.

This statement was believed aimed less at Parliament than at Washington, to tell the U. S. Canada is ready to act the moment the U. S. acts.

Veterans

The Veterans Charter will be applied to the special force and amendments will be sought to "legislation concerning pensions for veterans and their dependents to relieve difficulties being experienced by certain groups of pensioners."

No across-the-board increase in war pensions or veterans allowances is expected, informed quarters said, but aid is coming for those recipients who can work.

Citizenship

The Citizenship Act will be amended "to prevent retention of Canadian citizenship by persons who have renounced their allegiance or shown they are not loyal to Canada."

This will enlarge powers to oust subversive elements including Communists and persons found guilty in Canada's spy trials if the government so desires.

Kensington Juniors Defeat Kelvin 9-4

Led by Bruce Champlain with four goals and two assists, Kensington handed Kelvin a convincing defeat by a score of 9 to 4 in a regular North Shore League game on Friday, January 26th. Playing on good ice before a fair crowd, the teams displayed everything from good hockey to bear hugging and on different occasions the penalty time-keeper had to reinquist his cold seat to a heated intruder.

The Kensingtonites composed mainly of last year's juvenile team proved a little too strong for Kelvin, and the score just about indicated the play, although Kelvin, being a number of first years, may prove themselves worthy contenders before the silverware is handed out.

Lineup: Kensington — Goal, D. MacInnis; defence, J. Bernard, A. Pendergast, R. Kennedy, G. Jollymore; forwards, R. Champlain, B. Champlain, E. Champlain, G. Kennedy, E. Mann, D. Burt.
