"HANG-IT-ALL" . . . Yes, the SAMSONITE "HANG-IT-ALL" CASE is the last word in travel luggage convenience. This super Case separates into two sections, packs more clothes and packs them to come out at the end of a journey in a perfectly pressed, wrinkle free state. The top section hangs up and contains six plastic hangers, the bottom section lies flat for easy packing. Streamlite Samsonite Luggage is the only luggage flight approved by Pan American Airways, it is strong enough to take rough handling, it fits compactly into a car's luggage compartment and it is constructed to be easy to hand carry. The "Hang-It-All" Case comes in smart saddle tan (green, natural, blue and simulated alligator). The hard polished surface can be simply cleaned with a damp cloth. The Samsonite "Hang-It-All" is priced just \$3.00 in Holman's Both Stores Furniture Departments.
