## NEWS ITEMS.

The Souris Packet, and a schooner belonging to Crapaud, arrived at this port yesterday.

Another great fire took place in Calais on the 30th ult., destroying $50,000 worth of property.

The Steamer *St. Lawrence* arrived from Pictou on Saturday last at 12 o clock, with mails, including an English mail.

The Cable across the Straits is not working, a schooner's anchor having caught it in a storm, and damaged it.

The Annual Public Missionary Meeting, in connection with the Wesleyan Church, will be held this evening, at 7½ o'clock.

A bill to disfranchise the Dominion officials was carried this afternoon in the Nova Scotia Legislative Council by 11 to 9.

Mr. James Kehoe, of Milltown, Saint Stephen, is in possession of a lamb with eight legs. It has two bodies, which are perfect as far as the head and neck.

On the 1st inst. a large fire occurred in St John, burning $50 000 worth of property. Calvin Church was consumed. Fires also have been raging in Halifax.

AN account of the Temperence Meeting in the Athenæum, and concluding article on crossing the Straits, in type, will appear next week.

William Richards, Esq., M P. P., for the Second District of Prince County, has been appointed a Member of the Executive Council, of this Island.

As we wish to get the City edition of the *Examiner* out early on Monday, Advertisers will oblige, by sending in their advertisments on Saturday evening.

The Steamer *Commerce* was to leave Boston for Halifax and Charlottetown on the 8th inst., and the *Alhambra* on the 15th inst. the two boats keeping up a weekly line during the summer.

The publication of more important public matters, prevents us this week from giving some correspondence between the Editor of this Journal and Hon B. Davies, and of returning the attentions of the *Patriot*.

WE have heard to-day, that Hon. Mr. Strong has been instrumental in making arrangements for the purchase of the Lot 19 Estate for the tenantry thereon. Good for them. We wish we could say that the Government had purchased the Tracadie Estate, or had considered the offer that, we learn, has been made.

AN enthusiast in the South of France is predicting a terrible calamity to fall upon the invaders of France, the complete rescue of that country, a tremendous revolution and a religious war in Central Europe and Italy, in which both Russia and Great Britain will take part—all to happen within a twelve-month.

THE Tenants' Compensation Bill, we have been told, is a cumberous, bungling affair and will not be acceptable to any tenants that have to come under the tender mercies of one of the Judges of the Supreme Court, who is said to regard the claims of the tenantry as mere attempts to spoliate the rights of the landlords. Better far that some great effort were made to purchase the lands outright.

HOW TRUE AND HOW STRANGE that people should seek relief in the hieroglifics of a doctor's prescription when they can buy as good, and nine times out of ten a better remedy than most doctors give, for the insignificant sum of 25 cents. We refer to "Morse's Indian Root Pills," these pills cure Headache, Liver Complaint, Indigestion, Female Irregularities, and all Bilious disorders, they are prepared from a formula pronounced by the most learned Physicians of our country to be the best and most universal of family medicines. Give them a fair trial and you will never be without them.

IN NUMBERS there is safety, it was upon this principle that the formula of Judson's Mountain Herb Pills was prepared. It was not the result of one man's knowledge. Dr. Judson, intending to spend a fortune in advertising Pills, consulted the most intelligent and learned physicians of the age, and the result was the production of a simple but efficacious medicine the Judson's Mountain Herb Pills. These Pills cure Biliousness, Dyspepsia, Liver Complaint, Indigestion Female Irregularities, &c. They have now been used many years by the Public, and thousands of testimonials bear witness to their virtues. As a family medicine they are unrivalled. Give the Mountain Herb Pills a trial. Sold by all dealers.

## FEARFUL RIOTS IN PARIS.

**Many Insurgents Killed and Wounded!**

**Emperor of Germany tendered 80,000 men.**

**Great Battle before Paris!**

**12,000 Insurgents killed and wounded!**

SACKVILLE, April 3, 1871.

Rumored Antonelli resigned office of secretary of State in Papal Cabinet.

PARIS 31.—All is costernation, the watchword of the Communes is "Death to rich land owners and priests;" decrees confiscating church property are prepared. Many persons have been arrested. Guillotines will soon be erected, and inmates of many houses have been marked for death.

LONDON 1st.—Latest French advices report Versailles government have completed arrangements for moving against Paris. Troops will march simultaneously with Germans along line by Mount Marte and Verey.—Learning this the Communes resolved to march on Versailles with 30 000 national guards via Montrouge and Cambs Sartory wherein infantry is stationed, on overcoming and fraternizing with these they intend proceeding to Versailles and dispersing the assembly. University race was won by Cambridge to-day.—New Dominion House of Commons passed government bill for admission of British Columbia, and for Pacific railway.

SACKVILLE, April 4.

London, 2.—The Communes forced loans from Fire Insurance Companies of Paris.

Communication with Paris suspended—city perfectly insolated—fears of another famine entertained.

Thiers paid another instalment of indemnity.

Zemits, with 900 men, defeated insurgents at Marborne and captured their leaders.

Commune in Paris is divided, agitated and powerless.

Assembly sitting tranquilly at Versailles.

Government troops routed 10,000 nationals and driven them into city.

Rochefort, in behalf of Commune, calls on central committee to abdicate.

London 3d.—Queen Victoria visited Napoleon at Chiselhurst, to-day.—Paris despatch of Sunday morning says: Fighting going on all Saturday night. About 200 National Guards marched on Courbeuve, and were met by Gardes Forrestiers. The Captain of the Lattar galloped up waving his cap intending to address the Communists, when a Zouave with that body shot him dead. A general action followed. Guns of Fort Valorine swept the road, and the Communists fled. Twenty-five Insurgents were killed and many wounded. Nationals retired within the city.—Versailles Government actively concentrating troops.—It is said that King William tendered 50,000 Germans to Thiers' Government.

SACKVILLE, April, 5. 1871

LONDON 3d.—Marshall McMahon has been appointed Commander-in-Chief of the French Army.—Commune issued proclamation couched in the following language: "Attacked by Versailles Government, we have a mission to protect the city, and count upon the aid of citizens."—The second sitting of the peace conference was held at Brussels to-day.—Paris commune have issued decree arraigning Thiers Favre, Picard Dautavre Simon, and Pothnau before a tribunal of the people, and ordering their properties to be seized.—Another decree pronounces separation of Church and State, suppresses religious bodies, and abolishes national property.

LONDON 4th.—Great battle was faught yesterday outside Paris; 100,000 nationals in three Corps with 200 guns marched *via* Mont Rogue, Issy and Reuil destined for Versailles, when they were attacked by Government troops and heavy fire from Fort Valerian and other batteries. 12 000 nationals reported killed and wounded and missing including several of their principal officers.—All accounts agree defeat disastrous to insurgents.—Versailles despatch to-day says army of Versailles surrounds Paris, and order elsewhere in France is established.—In Assembly to-day, Thiers said Government would deal harshly with ringleaders of insurrection, but leniently with their dupes. The declaration was recived with applause.

London, April 5.

The first Prussian army corps has been ordered to hold itself in readiness to march to Paris.

Reign of terror continues in the city. The redoubt and bridge Neuilly are still held by Communists. National troops are massed in large numbers between Clamart and Issy. Skirmishes take place, but no engagement battle, however, is expected.

Versailles, April 5th.

M. Pickard has issued the following circular to Prefects:—"The insurgents have met a decisive check. Our troops have have captured the Redoubt at Chatillon with 20 000 prisoners. Flourens and Duval are dead, and Henry a prisoner. Twenty-two Communists resigned, and were imprisoned by their own followers. The government is happy to inform you of this condition of affairs which it has expected."

London, April 5.—Consols 99¼. Liverpool markets steady.

JOHN P. MOTT'S CHOCOLATE BROMA AND OTHER COCOA PREPARATIONS, APPROVED OF AND RECOMMENDED FOR MORE THAN A QUARTER OF A CENTURY BY THE MOST EMINENT PHYSICIANS OF BRITISH NORTH AMERICA.—To those who desire the best productions of Cocoa, free from deleterious substances, unsurpassed in quality, and more nutritious than Tea or Coffee, the undersigned offers the above articles manufactured by himself. His Broma, owing to the peculiar process of manufacture, by which the oil of the nut is completely neutralized, while all its virtues are retained, affords, as well to the robust as to invalids, and those whose digestion is impaired, a delicate and salutary beverage. That its value as an easily digested and highly nutritious article of diet is recognized by the highest medical practitioners in the Dominion, the following testimonials amply demonstrate.

JOHN P. MOTT.

Having tried the Broma made by Mr. John P. Mott, of Halifax, N. S, and having been made acquainted with its several ingredients, we are of opinion that it is a combination at once innocent and highly nutritious, not only to persons in health, but also to the weak and debilitated; and that, from the facility with which it may be prepared, and the salutary properties of its ingredients, it is a valuable compound, and we cheerfully recommend it to convalescents and all who require a mild and strengthening food.
