RAMON, Me., Nov. 29.—A union service  
was held at the place of the usual  
church services on the Thanksgiving  
in Bangor, and nearly a thousand people  
attended. The meeting was arranged by  
the pastors of the city, and there were  
addresses on the subject of good municipal  
government by Hon. Henry Lord, Rev.  
Edward McSweney, Charles H. Bartlett,  
and Dr. D. A. Robinson, while a letter was  
received from Hon. Franklin A. Wilson.  
Rev. Father McSweney, who is pastor of  
St. John's Catholic church, made some  
pointed observations upon the general  
condition of the city's morals, with par-  
ticular reference to the desecration of  
Sunday by open liquor-selling and the  
shameless parade of prostitutes. It is  
likely that a moral revival will result  
from this speech, which is the talk of  
the town.

ENDORSES DR. ROSE.

A Quebec Physician who Corroborates Dr.

ROSE'S OPINION.

PORTLAND, Dec. 3.—The letter of Dr. A.

G. McCormick, of Richmond, Que., testifying

to his complete and permanent cure

from Bright's Disease by Dodi's Kidney

Pills, has been read with much interest

and supporting almost the recent let-  
ter of Dr. E. A. Rose, of this place, who  
was cured of Diabetes by the use of these  
pills. Of course no further corroboration  
of the curative qualities of Dodi's Kidney  
Pills was required other than the testi-  
mony of Dr. Rose, but it is a satisfaction  
to know that other medical men are able  
to join the Dr. in testifying to the worth  
of the pills from personal trial.

St. PETERSBURG, Nov. 28.—In honor of  
the wedding of the Czar forty thousand  
people of this city were lined, yesterday  
at the expense of the Czar. All the  
schools have been closed for three days.  
According to current reports the Czar has  
caused consternation among the officers of  
his household by leaving the palace un-  
attended and walking through the streets  
in a military mantle, or walking arm  
in arm with the first officer who recognizes  
him. On Saturday he went for a walk  
with Princess Alex, entered a glove store  
in front of the Antichoff Palace, and  
made several purchases. On leaving he  
was recognized by the people and loudly  
cheered.

None need pity you if you die of  
consumption, without having tried  
Miller's Emulsion of Cod Liver Oil, "the  
kind that cures" coughs, colds,  
bronchitis and all pulmonary diseases.  
Every bottle warranted. No oily taste  
like others. In big bottles, 50c. and \$1.00,

MATCH CHECKS, AA, Nov. 28.—The At-  
lantic and Pacific railway construction  
company, a corporation chartered in the  
State of Illinois and which, it is  
asserted there is a powerful English syn-  
dicate, has had a corps of sixteen engineers  
at work here for a week, surveying the  
line through Carleton County to Match  
Clunk. The railway is to be an air line  
across the country from New York to San  
Francisco and passes through Chicago,  
which city will be brought within thirteen  
hours of New York, and San Francisco  
forty-five hours of New York.

I am not sure I ever told you what a  
safe and excellent, as well as palatable  
cure for Coughs, Colds, Consumption and  
all Wasting Diseases is made in Halifax,  
Nova Scotia. If, not let me now say that  
there is no other Remedy quite as good  
for these ailments as PETER'S EMULSION

sufficient—remember it is PETER'S EMULSION

Testing His Honesty.

The light and joy of a pleasant Detroit  
home is a five-year-old boy of bright face  
and happy temperament. A day or two  
ago a gentleman visiting the family en-  
gaged the little one in conversation, and  
one of the numerous questions he was called  
upon to answer was:

How to Get a Sunlight Picture.

Send 25 "Sunlight soap wrappers (wrap-  
pers bearing the words "why does a woman  
look old sooner than a man") to Lever  
Bro., Ltd., 43 Scott St., Toronto, and you  
will receive by post a pretty picture free  
from advertising, and well worth framing.  
This is an easy way to decorate your home.  
The soap is the best in the market and it  
will only cost 1 c. postage to send in the  
wrappers, if you leave the ends open. Write  
your address carefully.

"Are you married?"

"Yes," replied the gentleman, and he  
added playfully, "Are you?"

"No," was the quick response, "but I've  
been vaccinated."

"MAKE HENS LAY."  
Such is the caption of an advertisement  
that appears not only in the local, but  
many leading agricultural papers, and  
which suggests the propriety of a few  
thoughts upon the subject. It may be laid  
down as a rule that most people indulge in  
raising poultry not for the pleasure it  
gives, but for the profit that is realized  
from the same, which must come from  
young chicks or eggs, and since the chick  
must come from the eggs, the real profit  
may be traced to egg production, so the  
advice given in these words is of vital im-  
portance to the poultry raiser. "The  
advertisement referred to recommends  
Sheridan's Condition Powder to make  
make hens lay, and so do we," says Mr. A. F.  
Hunter, poultry editor of Farm-Poultry.  
A hen to lay prolifically must be in perfect  
health, must be in condition, and here is  
the true theory of the value of  
Sheridan's Condition Powder—it promotes  
the general good health of the fowl, gently  
quickening digestion, and stimulating all  
the various organs of the body as well as  
the ovaries, to perform their functions." At  
this season of the year the use of Sheri-  
dan's Condition Powder is very valuable  
for laying hens and young pullets. By its  
use now they will get to laying earlier when  
the price for eggs is very high. I. S. John-  
son & Co., Boston, Mass., the only makers  
of Sheridan's Powder, will send for 50  
cents two 25 cent packs, five packs for  
\$1.00, or for \$1.20 one large two pound  
can of Powder, postpaid; six cans \$5.00,  
express prepaid. Sample copy of the best  
poultry magazine free.

Electrically heated quilts are popular  
with the select few who have tried them.

COD LIVER OIL has long been known to  
the Medical Profession as perhaps the best  
single remedy for CONSUMPTION and  
other Wasting Diseases—but most sick or  
ailing people have an unconquerable aver-  
sion to it, in its crude state.

The Hypophosphites of Lime and Soda  
are only second to Cod Liver Oil in their  
curative effects in the above complaints.  
In PETER'S EMULSION the Oil, while  
retaining all its medicinal virtues, is com-  
pletely disguised both from eye and palate,  
so as to be agreeable to the most delicate  
stomach, while its curative effect is en-  
hanced one hundred per cent. by its  
scientific association with the salts of  
Phosphorus.

For sale by all Druggists at 50 cents a
