U. S. Awaits Soviet Tests

WASHINGTON (AP)— United States detection stations have been placed on the alert for a new series of Soviet nuclear explosions.

Administration officials said they anticipate new Soviet tests at almost any moment. It is expected that most of the shots will be in the atmosphere and that some of them at least will be fired primarily for political purposes.

U.S. officials have expected the first Russian explosion almost daily since the United States resumed atmospheric testing in the Pacific April 23. They reported at the time that they believe the Russians were making preparations and that a new Russian series, supplementing the Soviet tests of last fall, would begin shortly.

The bidding:

South	West	North	East
1 ♠	2 ♥	3 ♦	Pass
4 ♥ (!)	Dble		

Opening lead — six of diamonds.

If you don't believe in fairy tales, then you won't believe this ever happened, but I have it on good authority that the deal was actually played in the early days of contract—specifically in 1927.

South opened the bidding with a spade. Of course, today, we'd bid a club to start, but in those days the idea of opening with the suit beneath the singleton had not yet been developed.

West overcalled with two hearts, a hair-raising experiment by present standards, but people were more sporting in those days. North entered the spirit of things with three diamonds, but at least he had an opening bid by South to rest on.

Now South was a very imaginative player who realized he would be unable to develop many diamond tricks if he undertook a three notrump contract, so he splashed into four hearts, even though West had already bid the suit. He thought he'd make enough high-card tricks in the side suits and low-card tricks in trumps to bring home four hearts.

West doubled of course — he couldn't stand being insulted—and led a diamond. South had no trouble making the contract—it was like taking candy from a baby. He won the diamond with the ace and cashed the king, discarding a club.

He then played a club, losing the king to the ace. Back came a club and South took the queen, cashed the A-K of spades, and ruffed a spade in dummy and a diamond in his hand.

By this time, South had won seven of the eight tricks played and was reduced to the A-Q-10 of hearts, a spade and a club. West had only trumps left.

Declarer led a spade and West was forced to ruff and return a trump. South won with the ten and this time played a club. Again West had to ruff and return a trump. So South made four hearts doubled.

Them was the days!
