

French Film

A golden oldie combining the genius of one of France's greatest movie producers and the talent of France's greatest short story writer. It lasts about 40 minutes.

Wanna Go to France?!?

Yes, it's true. The Modern Languages club is backing for another year, and we're already planning great things. Last year we organized a very successful trip to Paris (France not Ontario). This year we're organizing a trip to Nice, France. The good news is you don't have to be in the club to go. Everyone is welcome. If you're interested in joining us, look for a Modern

Languages Club meeting notice. Then come to the meeting and see what it's all about. Other activities to look forward to are our famous student survival pit lottery, our awesome pub, french movies, and much more. So come to a meeting and see what makes us tick.

You'll be glad you did.
