Mrs. DONALD FERGUSON is an ardent supporter of the temperance cause. His election in the Third District will (politically) exterminate Beer.

THE only hope the Oppositionists in this City have is in "split voting." Liberal-Conservative electors "vote square" for McLEOD & BLAKE.

MCGILL COLLEGE—Convocation took place on Tuesday last, and by the witness of that date we notice with pleasure the high place taken by students from the Island. In the fourth year Leigh R. Gregor graduated, with second rank honors in Mental and Moral Philosophy. To him, also, at the beginning of the term, was awarded the new Shakespeare Society's prize for knowledge of Shakespeare. In the third year Wellington takes rank as follows:—First rank honors and prize in English; prize in Classics; prize in Moral Philosophy; prize in Rhetoric; first rank General Standing. And in the second year Thomas Haythorne secured first rank General Standing. The session just closed seems to have been a very prosperous one, and the Island students, not forgetting those in medicine, have acquitted themselves very creditably.
