PRINCE OF WALES COLEBROOK.—The thirty-sixth session of the Prince of Wales College and Normal School opens on Tuesday, 23d September at 10 a. m. N. B. All students, except the holders of Bachelorships, must pay the sessional fee to Mr. Arthur Newbery, the Assistant Provincial Treasurer, before enrollment. My day it.

Monday have been received at the observatory: Yarmouth, 2.16 inches; Charlottetown, 1.24 inches; Bay St. Lawrence, 1.24 inches; Portland, 1.32 inches; Halifax, 1.1 inch; St. John, 2.3 inches. POLICE COURT.—This forenoon, the charge of larceny preferred against Albert Mills (colored) by Constable Bradley was dismissed. The summons against Wallace Rodd charged with assaulting Robert Horne was also dismissed. Michael Prunty was fined \$4 and 20 days for assaulting James Macdonald in the City. A prosecution against John Hughes was further adjourned until Monday.

A PLEASANT OUTING.—The picnic under the auspices of the Sons of England at Halliday's Wharf yesterday was well attended, and all had a good time. The Artillery Band was in attendance, and entertained the proceedings with choice selections. Various athletic and sports were participated in on the grounds. The sail up and down the river was very pleasant.

SALVATION ARMY.—Ensign Galt, who has been away for several weeks, will return this evening, accompanied by Mrs. A. Lyward, and will lead a meeting at the S. A. Barracks at 8 o'clock. There will be a social after the meeting. Ice cream and hot coffee will be provided, after which there will be a half past eight service, to which all Christians are invited. Silver collection at the door for the first meeting.

A GREAT SALMON RUN.—The Vancouver fishery on the Fraser river last Saturday night was the heaviest on record. More fish were taken from the river than ever before in same period. A conservative estimate places the total catch at 250,000 fish, an average of 250 each for 2,000 boats. This represents 70,000 cases of canned salmon. The estimated pack so far is 270,000 cases.

A BAD ACCIDENT.—The Guardian says: Yesterday as Mrs. John A. Dawson of Augustine Cove, and her three-year-old child were out driving, the horse broke through a rotten plank in the bridge near her home. Mrs. Dawson quickly alighted. She caught the horse by the head to hold him until neighbors could come to the rescue. The horse sprang violently, breaking the shafts and upsetting the wagon. The little child was thrown violently to the ground inflicting terrible wounds about its head and face. Dr. Robertson was at once telegraphed for. But it was feared that the little sufferer would expire before the doctor could arrive. Mrs. Dawson was not injured to any extent.

MEETING OF PRESBYTERY.—At the meeting of Presbytery in the church at Northampton, Mr. S. J. McArthur was solemnly ordained to the sacred work of the ministry and inducted into the pastoral charge of Bellvue. The Presbytery then proceeded to deal with the call addressed to Mr. J. M. McLeod, Minister of New London North and Kensington from the congregation of New Mills, River Charles and Jacques River in the Presbytery of Miramichi. Mr. McLeod, having made known his desire to accept the call, the Presbytery reluctantly agreed to grant the translation and to dissolve the pastoral tie, the same to take effect on and after the 25th instant. The Presbytery then adjourned to meet in the church at Murray Harbor North on Wednesday, 21st instant at 6 p. m.

A LOST SWIM.—A large Newfoundland dog, the property of Mr. John Holmes, of Rocky Point, performed a rather unusual feat on Tuesday morning. Mr. Holmes came to town on Monday morning, accompanied by his dog, and by some misadventure lost him, and returned without him. He told the captain of the steamer Elton to look out for him if he should turn up, but Carlo did not put in an appearance. On Tuesday morning Mr. Holmes was surprised to see the wanderer stretched at his usual place beside the barn, completely wet all up. How he returned was a mystery, which was not cleared up until some of his neighbors reported seeing the dog land above the wharf, having swam over from the other side. It is supposed he swam to Southport and ran along the shore to Redoubt Point, whence he swam to Rocky Point. Whether he did this, or swam directly over, the fact remains that he performed a most unusual and creditable feat.

A MIRACULOUS ESCAPE.—Bessie, the 14-year old daughter of Captain Hobb's of this city, had a most miraculous escape from death last Sunday morning. Her picnic yesterday. It seems that Bessie and two companions set down on the bank which, near Halliday's wharf, is perpendicular and about seventy feet high. They were debating as to who could sit nearest to the edge of the bank. Bessie, in going to move nearer the edge, arose to her feet, standing on a clump of clay down the side of the bank. Almost in an instant the clay gave way, and she was falling to the shore below seventy feet distant. The screams of her two companions brought the picnickers running from all directions. They found the object of their search on the shore. As soon as she landed she had got up and began walking about, nothing the worse for the fall save for a few scratches on her face. How she escaped is a mystery. It is thought, however, that as there was a strong wind blowing against the bank at the time, her clothes acted as a parachute and caused her to descend comparatively slowly. She remembers nothing herself from the time the clay gave way until she was walking on the shore. There were two or three on every side, but at the exact spot where she dropped there was nothing but

THE WORLD OF SPORT.

The Colt Stakes Meeting. The attendance at the colt stakes races this afternoon was not so large as expected. The track was in very good condition until after the rainfall. The Citizens' Band was in attendance.

The track was under the management of the following gentlemen: Judges—A. C. Rogers, Summerside; Dr. Stewart, Georgetown; B. Flynn, Pictou. Mr. Rogers acted as starter.

Distance Judge—Philip I. McMahon, Charlottetown. Timers—F. H. Beer, Charlottetown; George Gifford, Summerside. Clerk of the Course—Charles E. McKinnon.

2.38 CLASS. There were six starters in this class, viz., Montrose, Fleetwood, All Bird, Malpeque Boy and Blanche. They drew positions in the order in which their names appear.

First Heat.—The start was a scattered one on the fifth course. Montrose took the lead at the start, with Parnell second, and the others pretty well bunched. At the half Blanche was leading, with Montrose second. Just before reaching the three quarters All Bird took first place and he and Montrose had a close argument up the stretch, Montrose winning by a throatlatch in 2.33. Blanche was third, Malpeque Boy fourth, Parnell fifth, and Fleetwood sixth.

Second Heat.—Montrose took the lead at the start, and was never headed, although pushed hard by All Bird in the vicinity of the three-quarters. All Bird finished second, Blanche third, Parnell fourth, Malpeque Boy fifth and Fleetwood sixth. Time, 2.32.

Third Heat.—A start was effected on the seventh course, the track being in a very bad state after the rain. Montrose took the lead just after running the first turn, and held it throughout the heat with All Bird a good second, and making a splendid effort for first place. There was only about a length between them at the finish. Blanche finished third, Parnell fourth, Malpeque Boy fifth and Fleetwood sixth. Time 2.39.

Summary. Charlottetown Driving Park, Colt Stakes races, August 21st, 1895, 2.38 class, purse \$150, divided. Mile heats, best three in five.

TWO YEAR OLDS. The starters in this event were Lady Dufferin, Gudrun, Nettie H., Brown Bird and Parkwood. They drew positions in the order named.

First Heat.—Parkwood took the pole at the first turn and was never headed, coming in an easy winner, distancing all competitors. The heat was trotted in a rain shower. Gudrun came in second, with Nettie H. third, Brown Bird fourth and Lady Dufferin fifth. The fastest horses trotted off for balance of purse. Parkwood takes first money. Time 3.01.

Second Heat.—The horses distanced in the first heat trotted off, Gudrun having the pole, with Nettie second, Brown Bird third and Lady Dufferin fourth. The heat was a procession from the first turn, Gudrun leading and coming in an easy winner in 3.18. Nettie H. and Brown Bird fought hard for second place at the quarter, but Nettie had the best of the argument, and held that position to the finish. Brown Bird finished third and Lady Dufferin fourth. The rain, which fell during the first heat, continued to fall, and was accompanied by thunder and lightning. The track was in a bad condition in consequence of the rain, which accounts for the slow time made.

Summary. Same day and track. Two Year Old Class, Purses \$150 divided. Mile heats, best two in three.

On account of the rain, the 4-year-old race is postponed until 1 o'clock, sharp, to-morrow.

The Wheel.

Pat O'Connor, the great Irish racer, rides an 82 gear. The Maritime C. W. A. championships take place in Windsor shortly.

All the races—wheelmen and runners—were out in force at the track last night. The boys are putting in good practice. Unsworth was present, and got in some good work.

Fast bicycle riding is frowned down on the principle that thousands of New York a few days ago, four young men in sweaters were fined \$10 each for "scootering" on one of the boulevards. Scootering in hot weather at this price is a luxury.

A London despatch says that at the meet of wheelmen at Calford on Saturday E. D. Frost won the one hundred mile race and broke the record for that distance, finishing in 3 hours, 55 minutes, 45 seconds. T. H. Golwin second, who also broke the record, his time being 4 hours, 5 minutes, 26 2/5 seconds. The record for quarter mile, standing start, was also broken, E. E. Parly covering the distance in 29.35 seconds.

The Rite. The team to represent this Province at the annual prize competition at Rideau Range, Ottawa, will leave on Friday morning. The team is made up as follows: Prof. J. H. C. Avera, No. 3, 82nd Batt; Capt. Weeks, Charlottetown; Engineers; Lieut. Even Stewart, No. 3, G. A.; Corp. Otto N. Baird, Charlottetown; Engineer; Sgt. J. M. Davison, Engineers; Corp. W. Smith, No. 3, 82nd Batt; Lieut. G. A. Thompson, No. 5, G. A.; Sgt. W. A. Johnson, No. 5, G. A.; Q. M. S. Allen, No. 1, 82nd; Capt. D. Stewart, No. 3, 82nd Batt; Staff-Sgt. R. V. Longworth, G. A.; Gar. J. McKinnon, No. 3, G. A.

Inter provincial Tag-of-war. The Herald says there is some talk of arranging an inter-provincial tag-of-war match at Halifax during the exhibition season. New Brunswick, Nova Scotia and P. E. Island will be invited to send a team to compete in this contest. It is not known as yet what form the prize will take, or whether it will be a purely amateur or professional event.

A CORRECTION. Sir,—In your Piquinet Notes of 17th inst. I am sorry that I have to take exception to "Scribo's" statement re baseball fall, and was accompanied by thunder and lightning. A part of his account is correct and a greater part absolutely false. The Charlottetown team did not refuse to accept, but on the contrary did accept, the challenge of the Piquinet team to play them on the grounds of the former team, they having won which "Scribo's" team never did—the grand laurels of the day at Mount Stewart. Our boys had a perfect right to name the grounds, and they accordingly did so, but the Piquinet team backed out. These are the facts.

Now, who has the right to squeal? We can only say, accept our terms, and come on McDuff. The Charlottetown team stand ready to defend its well earned victories against not only Piquinet, but all comers. We may be leaders, but we should like to meet a stronger team than is likely to be raised at Piquinet, if "Scribo" is a snaffle. Hoping Mr. Scribo will be a little more honest in the future, thus avoiding deceiving the press and public.

I remain, OXE OF THE TEAM. Remnants are the attraction at Moore & McLeod's to-day.

GENERAL TELEGRAPHIC NEWS.

PARIS, August 19.—Figaro publishes three columns article signed by "A Veteran of 1870," narrating acts of cruelty, pillage and incendiarism committed by Prussian troops in France. The paper prints the text of one of the circulars issued by Count de Chambord, protesting energetically against excesses committed in France by the German army, and extracts from war correspondents of foreign press detailing and confirming these excesses. The article concludes with these words: "In the present state of the Prussian army, let France remember, let Europe reflect."

MONTREAL, Aug. 19.—Reports from Ontario and Quebec show great damage to crops and property throughout the two provinces by the heavy thunder and hail-storm on Saturday evening. PARIS, August 19.—A great pilgrimage to Lourdes is now under way. Yesterday 12 special trains left the terminus here of the Orleans railway with pilgrims for that shrine. Many of the travellers were ill or crippled that it was necessary to carry them on the trains on stretchers. With accessions from the country, the pilgrims will number 34,000.

ROME, August 19.—Giuseppe Deledda Guiffrida, a well known socialist, who was sentenced to imprisonment for his connection with socialist disturbances in Sicily, was yesterday elected a member of the chamber of deputies at a bye election held in the fourth district of Rome, defeating Prince Odescalchi. Though the election is null, owing to the successful candidate being in prison, it indicates the feeling that is entertained by many of the electors in favor of granting amnesty to him.

LONDON, August 19.—A despatch from Zanzibar to the Times says the British expedition under command of Admiral Rawson and General Mathews, which was sent to punish the natives for the murder of the natives, on Saturday last.
