"Don't worry"

by Horney
[sung to the tune of Bobby McFerrin's

"Don't Worry, Be Happy"]

Here's a little test I wrote,
I guess I should've studied all my notes,
But don't worry, get fifty!
Every night I have some trouble,
But then I worry and drink a double.
Don't worry, get happy!
Doo doo doo de doo de doo de doo,
Don't study,
Doo de doo de doo de doo,
Get fifty!
Doo de doo de doo.
Don't study, get fifty!
Doo doo doo de doo de doo de doo,
Don't worry,
Doo de doo de doo de doo,
Get liquored!
Doo de doo de doo de doo,
Don't worry, get hammered!
Got early class, got great big head,
Woke this morning with puke in my bed,
But don't bother, say f*ck it!
Professor say assignment late,
I guess he will just have to wait!
Don't do it, get zero!
Doo doo doo de doo de doo de doo,
Don't do it,
Doo de doo de doo de doo,
Say f*ck it!
Doo de doo de doo de doo,
Don't do it, say f*ck it!
Doo doo doo de doo de doo de doo,
Don't worry,
Doo de doo de doo de doo,
Get zero!
Doo de doo de doo de doo,
Don't worry, get zero!
When you worry, call me, we get liquored!
Doo de doo de doo de doo,
Doo de doo de doo de doo,
Look at me, I'm sh*t-faced!
Doo de doo de doo.
So here's a little song we wrote,
When we should've been studying our notes,
But we don't worry, we'll get fifty!

Welcome once again to the campus's favorite page, View From the Top. Many of you may have heard about or even attended last week's Engineering Pub which featured the ever-popular Micheal O'Connor who had this two hundred plus crowd singing and clapping along with the type of music that every-

body can drink to. We would like to thank Mike for appearing, and a special thanks to Moosehead breweries who sponsored this event and kept the crowd supplied with the things that kept them going all evening. I am sure that everyone there will consider this an event that

will not soon forget, and to those that couldn't make it for whatever reason, well, there's always next time.

When we're on the topic of music, let's start this week's set out with a little tune we came up with when we should have been studying.
