# Teachers Object \$50 Bonus Is Discontinued

Strong objection to the removal of the \$50 bonus, formerly paid to teachers teaching for 25 years or more, under a first class license, was voiced at the conclusion of the two-day convention of the Charlottetown Teachers' Institute yesterday.

In a resolution unanimously approved the City teachers asked that the Minister of Education be requested to restore such bonuses to all teachers who have already qualified for it.

Sister St. Lucius C.N.D. was elected President of the Charlottetown Teachers' Institute during the afternoon session of the convention held at Queen Charlotte High School. Sister St. Lutus will replace the past president Miss Jessie Fullerton.

Other officers elected were: vice-president, Mrs. Grace MacKinnon; secretary, Gerard MacIvor. Among the representatives elected were: Miss Gertrude Villeneuve, Charlotte High; Mrs. Reta Campbell, West Kent and Miss Mary MacCormack, Rochford Square.

Other resolutions adopted approved accepting a group license to replace the past president of the insurance companies; and asked that the incoming executive request the Charlottetown School Board to adopt a twelve monthly plan for the payment of teachers.

During the morning session the teachers were addressed by K.A. Parker, Superintendent of City Schools, who noted that this has been a significant year in the field of education.

During the afternoon session the teachers heard Dr. Malcolm Beck, Division of Mental Health, speak on "Child Psychology."

"In order to be adequate teachers," Dr. Beck said, "we have to consider the problems of individual differences."

Dr. Beck dealt with the tests of the Group I.Q. Tests and noted that when individual tests were given and the emotional and environmental background considered, a more reliable conclusion was reached.

Mr. Parker paid tribute to Miss Estelle Bowser, Secretary of the P.E.I. Teachers Federation for the outstanding work she is doing; and to Miss Mabel Matheson, President of the P.E.I. T.F. for the able leadership she has provided the organization and the outstanding contribution she is making.

## Truckers Again Dot Docket At Queen's Magistrate Court

The case against a Ruston man, charged with breaking and entering a dwelling and stealing a \$100 bill, was heard at Queen's Magistrate Court on Friday, October 30th, at the request of both the crown and the defence.

The accused appeared before Magistrate Gilbert A. Gaudet in County Magistrate's Court on Friday afternoon.

A young Grafton Street youth was fined \$25 and costs or 30 days when he pleaded guilty to the theft of a wheel (rim and tire) from an Alexandra resident on June 29th.

Three men appeared on charges arising out of the Temperance Act. A young Belle River man was fined \$20 and costs or 30 days when he pleaded guilty to having possession of intoxicating liquor in a place other than his residence. Two others, residents of Charlottetown and Parkdale were fined \$20 and costs or 20 days when they pleaded guilty to being intoxicated in a public place.

Two drivers continued to hold the front in the motor vehicle violations on charges of operating a motor vehicle without having due care and consideration for other persons using the highway.

Magistrate Gaudet said that he was getting tired of these charges and asked if anything was being done about it. He was told by R.C.M.P. officials that some truckers were heading the warnings but complaints continued to come in from motorists who had received broken windshields or headlamps from flying gravel and clay.

Among those being fined \$10 and costs or 10 days on the above charges were residents of McGill Avenue, Charlottetown, Souris, Southport and Orlebar Street in Charlottetown.

A similar fine was meted out to a Fredericton, P.E.I., man when he pleaded guilty to driving without an operator's license. The same man was fined \$5 and costs or five days on a charge of operating a motor vehicle with defects in the steering mechanism and springs.

Going through a "Stop" sign cost two men, residents of Bayfield Street in Charlottetown and Hope River, \$5 and costs or five days. The same fine was meted out to a young New Glasgow, P.E.I. man for operating a motor vehicle on the highway with defective equipment.
