MARK WRIGHT & CO., P. E. I. FURNITURE WAREHOUSES,

WE have pleasure in announcing the removal of our stock of FURNITURE and HOUSE-FURNISHING GOODS to our New Warerooms, opposite our present Factory.

And we desire to express our thanks to our Friends and Patrons for the very liberal patronage they have bestowed upon us for the past two years, and which is so rapidly INCREASING as to induce us to spare no effort to supply them and the public generally with FURNITURE OF THE BEST QUALITY and Correct Designs, believing as in the past that the public will amply reward us for such efforts.

We are satisfied that OUR PRICES ARE RIGHT, as our Sales have been steadily increasing, and this season they have been UNPRECEDENTED—far exceeding our expectations.

MARK WRIGHT & CO.

Ch'town, June 23—3aw wky

WHOLESALE & RETAIL.

BEER & GOFF.

Ch'town, May 23, '85—2aw & wky

METHODIST CHURCH.

N. B. and P. E. Island Conference.

WEDNESDAY MORNING—SEVENTH DAY.

After singing, Scripture was read by Rev. Robert Wilson, and Rev. W. T. Kirby led in prayer. The Rev. J. Shenton presiding. On motion of Rev. George Steel, the Conference asked for the Treasurer's Report of the Children's Fund Committee. Treasurer replied that he was not ready with his report.

A request was made by the Rev. W. Weddall, Secretary of the Stationing Committee, for Rev. Robert Duncan to become a supernumerary for one year. Revs. O. H. Paisley, A. M., Dr. Stewart, Thomas Marshall and others took part in discussing the request of the Stationing Committee. Rev. Robert Duncan said that the permission was asked by his request. He could not preach three times a Sabbath. Request was granted.

Another request from the Stationing Committee, asking the appointment of Rev. R. Clement to a circuit for the ensuing year, instead of allowing him to attend College, was not acceded to.

The Conference then proceeded to read and confirm the Stations, and to elect District Superintendents, with the following results:—

St. John District—Rev. R. Wilson, on a second ballot; Rev. H. P. Cowperthwaite, A. M., following next with a heavy vote. Fredericton District—Rev. John Read, 51 votes on a first ballot; Rev. William Tippet coming next with 13 votes. Miramichi District—Rev. Douglas Chapman receiving 60 votes, F. W. Harrison coming next with 8 votes.

Sackville District—Rev. S. T. Teed receiving 46 votes, and Rev. C. H. Paisley, A. M., being next with 24 votes.

St. Stephen District. Rev. J. A. Clarke, A. M., received 43 votes; the Rev. L. S. Johnson coming next with 22 votes. Mr. Clarke being elected for the first time, was requested to make a speech. He thereupon thanked the brethren for the confidence reposed in him while passing through severe troubles, promised to do the best he could. The District Superintendents then nominated their Financial Secretaries, which were accepted by the Conference. St. John District—Rev. H. P. Cowperthwaite, A. M.; Fredericton—Rev. C. W. Hamilton; Miramichi—Rev. G. W. Fisher; Sackville—Rev. R. W. Weddall, B. A.; St. Stephen—Rev. L. S. Johnson; P. E. Island District—Rev. Edwin Evans.

Dr. Stewart was then called to the platform to give an account of the Educational Institutions. He said that the principal event of the year had been the opening of the new college. Said that there was a heavy debt yet on the building. The Doctor then stated that the graduating class had been large and very talented and studious. He also gave an encouraging statement respecting the academic work done. Spiritually the year had been a good one. Several had been converted. He said that the Faculty felt the heavy responsibilities resting upon them regarding the mental, moral, and religious welfare of the students.

Rev. Thomas Marshall moved, and Rev. Robert Duncan seconded.

Whereas, The Rev. Dr. Kennedy has been transferred to the Montreal Conference to assume the Principalship of St. Andrew College, therefore

Resolved, That this Conference would bear record to its sense of the valuable service rendered by him to our Educational Institutions, and would assure him of the best wishes of the Conference for success in his new field of labor. Remarks in favor of the resolution were made by mover and seconder, and Revs. Robert Duncan, John Read and G. M. Campbell. Resolution was carried unanimously.

Rev. G. Harrison, Treasurer of the Children's Fund, made a financial statement, which showed that he had in hand \$19.79, besides some notes of hand. On motion the report was received and ordered to be placed in the printed minutes.

Revs. T. Marshall and George Steel were appointed to prepare a minute respecting the Sackville institutions for insertion in the printed minutes.

On motion the following minutes were given leave of absence in order to visit England:—Revs. Wm. Lawson, W. J. Kirby and H. J. Clarke.

A special ministerial session was held to receive a report from the court appointed to enquire into the correctness of the charges made against a minister.

Session closed with benediction.

[CONTINUED ON THIRD PAGE.]

Boston Markets.

Boston June 20.

FISH—There continues to be a light catch of Mackerel, and prices are gradually gaining strength, but there is not enough trade to warrant an advance.

POTATOES—There has been a good demand for choice Prolifics and Hebrus but other kinds are dull and easier.

CHEESE—An advance of 1 cent per lb. has been established on the finest grades of Cheese. Desirable stock cleaned up last week at 7 to 7 1/2, and the best makes now coming forward readily command 8c. A few extra brands are held higher, but the market is less active at the close, and 8c. is an extreme selling price.

EGGS—There has been an easier tendency the past few days and sales have been mostly at 14 to 14 1/2c per dozen, the outside for Eastern. A few extras command 15c.

The iron trade is greatly interested in a new steel process called the Clapp-Griffiths, which rivals the Bessemer process. Puddling will largely be done away with, as machinery will take the place of puddlers. High phosphorous ores, heretofore of no use, will be available. Bradstreet says "its adoption will mean a genuine revolution."

LETTERS TO THE EDITOR.

The Volunteer Fund.

SIR,—The performers of "Pinfaro," and the ladies and gentlemen who assisted in making the performance a financial success will be glad to learn that on Tuesday I succeeded in obtaining from the Secretary-Treasurer the balance in his hands.

The following account shows our total receipts to have been \$258 90; expenses, \$33 82; net proceeds, \$225 08. Of this \$100 has been forwarded, and the balance will be sent on at once.

This result will be gratifying to all those who so generously responded to the call for aid to our brother Volunteers.

If there are any outstanding accounts unpaid I should be glad to have them at once.

Yours truly,
R. R. FITZGERALD,
Chairman of Committee.

Cash received by R. R. Fitzgerald	\$131 25
Cash received by Secretary-Treasurer, for his account, \$127 65; less disbursement paid by him, \$32 02	95 63
To paid Absent Debtor Attachment, 75c; Constable fees, 55c	1 30
To amount remitted to Mayor of Halifax	100 00
To paid Money Order	50
Balance	125 08
	\$226 88 \$226 88
By Balance	\$125 08

The Provident Mutual.

SIR,—This concern has, of late, received more than its ordinary share of attention from the Press, and the indications at present are, that it will soon be numbered with the things of the past. General Manager Ropper, who was the life of the concern, has abandoned the sinking ship, and has taken refuge in the Mutual Reserve of New York, another assessment institution, which, though larger, gives no greater promise of permanency than many other concerns based on the same deceptive principle, which appeared to flourish for a time, but succumbed after a brief career.

The endowment feature of the Provident class was one of the inducements held out to persons to become members of the Provident Mutual. All members who reached half the expectation of their lives, which varied from eight years up to perhaps twenty-five, were to receive half the amount of the face of their certificate as an endowment. This was a tempting bait, and was thoughtlessly grasped at by a good many here and elsewhere. Even if the Provident Mutual survive shipwreck for some years to come, in what position will the institution be to fulfil its obligations to perishing members when these endowments shall commence to become due? I have before me what purports to be a statement of the Assessment Fund for the fiscal year ending 30th April, 1885, and in the Provident (Endowment) class, I see that claims to the amount of \$19,000 were paid during the year. If this be the case, then the Association in order to keep faith with its members, should place in safe keeping an equal sum of \$19,000 to help to meet endowment obligations, should it live long enough for some of them to become claims. But from the statement before me, I cannot see that any provision to this end was made last year. The fund held in trust, with the Provincial Government of Quebec, is set down as \$15,410 60, and is now no larger than it was a year ago. When \$15,000 has been laid aside in five years, it is easy to estimate the amount that will be on hand three years hence, to meet endowments then to become due, should the Association hold together that long.

Members of the Provident Mutual are under the impression—and a very wrong impression it is—that, even if the institution should cease to exist after a period of five, ten or fifteen years, they had cheap insurance during such period. But this is all a mistake. Short term insurance can be had cheaper in reliable stock companies, such as the Canada Life and Confederation, or if a person takes an ordinary Life Policy in one of these companies, and surrenders it at, say the end of fifteen years, for its value in cash, and deduct the amount received from the total premiums paid, it would, I believe, be found that the average annual cost of insurance would be reduced to a minimum—to at least half what the Provident Mutual would cost for the same period.

<
