## 19 Canadians Are In Money

**By THE CANADIAN PRESS** Nineteen Canadians won a total of \$1,092,000 in the Irish hospital sweepstakes, drawn on the Cambridge Handicap at Newmarket, England.

Three persons in Western Canada each won \$140,000 on the second horse, Anthelion, and another eight each won \$28,000 on third-placed Thames Trader.

The \$140,000 winners were Mrs. S. Yobkouski, of Denholm, Sask.; J. Garstad of Veteran, Alta., and George Brown, of New Westminster, B.C. An incorrect pre-race cable had reported that their tickets were drawn on Red Ross, a non-starter, and that no Canadians had drawn Reregus.

Mr. Brown, a 77-year-old pensioner, could not be called from his one-room apartment to be told of his \$140,000 win because he is stone deaf. His good fortune was first discovered when a Vancouver newspaper telephoned the sweepstakes office in Dublin.

Mr. Garstad, 25-year-old bachelor who runs a farm 145 miles north-east of Calgary, said he had "no idea whatsoever" what he would do with his \$140,000 windfall.

## Holstein's Sell Fast At Moncton

The 17 head of surplus stock sold by public Auction at Dorchester Penitentiary Farm Saturday averaged \$263.

Auctioneer Harold Stephenson, Moncton N.B. sold the 17 head in no time flat to the many keen bidders who were present from Fredericton, N.B. to Grand River, N.S.

The top price of the day was \$455 paid by Ray Lewis, Moncton R.R.I., N.B., for a two-year old daughter of Shepody Milkmaster Model (Ex) due to freshen in January to the service of Shepody Air Commodore Hope, a son of Shepody Pacan Brummell. The second high of \$445 was paid by Ernest Gorey, Havelock, N.B. for another two year old by the Model Bull and due in November to Commodore.

## Speaker Outlines Parental Duties

**SUMMERSIDE —** Parents attending a meeting in the Knights of Columbus Youth Centre Saturday night were told by Rev. James Conroy, founder of a Catholic Youth organization from Indiana, no one knew their children better than they, and that parents should not forfeit to any other agency their responsibility of bringing them up.

He said the center of life for young people should be the home, there should be love, respect, and discipline.

The meeting was under the chairmanship of Elmer Murphy, chairman of the Knights of Columbus youth committee, and Father Conroy was introduced by Rev. Gerald Steel, and thanked by Dr. W. E. Callaghan, deputy grand night of the Summerside Knight of Columbus

## Science Now Shrinks Piles Without Pain Or Discomfort

**Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids**

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own home without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H Suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

## Science Now Shrinks Piles Without Pain Or Discomfort

**Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids**

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own home without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H Suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
