Hockey Executive Plans To Stage Monster Bingo

Dr. F. C. Dougan presided over a businesslike meeting of the Executive of the Islanders Hockey Club last night at City Hall during which financial and other problems were briskly discussed. It was decided that one item on the Clubs money-raising campaign would be a monster bingo to be held in the Forum early next week. In fact preparations for the affair are far advanced and the merchants and business men of the City have jointly contributed a sensational list of prizes, ranging from an electric refrigerator to an electric toaster. It will be most, but not quite, an all-electric bingo, which should please not only the cash customers but that handy little fellow Reddy-Kilowatt.

Most glittering prize of the fifteen to be offered is the International Deep Freeze Refrigerator worth more than \$400.00, and donated to the club by Mr. W. R. Jenkins, representative of a well known farm implement company. The refrigerator will go to the winner of a special freeze-out bingo, the last game of the night. It probably is the most tempting and practical reward ever offered to the hundreds of bingo players in the City.

The big ice box will be the star attraction but there are fourteen other prizes, worth many times the price of admission. The lucky people who about "Bingo" first will also carry home any one of the following: An electric coffee percolator, an electric iron, a radio, a mix master, an electric hot plate, an automatic toaster, an electric floor lamp, an electric mantle clock, an electric kettle, electric door chimes, electric wall clock.

The Forum is also donating a pair of hockey tickets for the first five games, and a pair of season skating tickets.

There will be the customary door prize—quite useful too—a ton of coal.

The full list of donors will appear in this paper in an advertisement to be published in Wednesday's edition.

The advertisement will give full details about admission fees and other important information.

Coach Lamoreaux Speaks At Rotary

Mr. Leo Lamoreaux, manager-coach of the Islanders Hockey Club, was guest speaker at the Charlottetown Rotary Club yesterday. He said hockey had done much for Charlottetown and Prince Edward Island in the way of publicity. It also is a great sport for young people as it teaches them to make their own decisions and develops their sense of balance to a high degree in addition to giving them all round physical benefits.

He suggested to Rotarians that they take boys to the hockey games and explain the finer points of the game to them. "Try to attend games in which your boys are playing, for if a boy knows his dad is interested and watching him play he will put everything he has into the game to make his dad proud of him."

Coach Lamoreaux said he was doing his utmost to make next season as good if not better than last year for the Islanders Club. All last season's players are anxious to return and ten new players with whom he has been in contact all have signified their willingness to join the Charlottetown Club.

He spoke very appreciatively of the wonderful reception given himself and the players by the people of Prince Edward Island. The good word has spread to hockey circles all over Canada, and that together with the record of the club last year made it easy to interest new players.

A new member Dr. Owen Curtis was introduced by Rotarian Dr. Harold Shaw.

Rotarian W. W. Reid was chairman. The following guests were present: Rotarians, Dr. John Argue, Ottawa, Alfred H. Brittain, Montreal, George Wood, Sydney, Dr. Harry M. Chruch, Gardiner, Maine, Rev. Melvin Aitken, Hamilton. Other guests were Messrs. L. P. Fraffam, Gardiner, Me. Rev. J. T. Irwin, Charlottetown, Rev. T. E. MacLennan, Montreal, and the Hon. Dougald MacKinnon, Pt. Prim.

Robinson Closing In On Musial In N. L. Batting Race

NEW YORK, July 23 (AP)—Brooklyn's Jackie Robinson is closing in again on St. Louis' Stan Musial in the National Baseball League batting race. And Philadelphia's Richie Ashburn threatens to make it a three-way race down to the wire. Robinson picked up steam during the last week, clouting 11 hits in 20 trips to the plate to boost his batting average eight points to .363. He picked up 10 points on Musial, still the pacesetter with a fancy .371 figure. Musial fell off two points with nine hits in 26 chances. Averages include games of Sunday, July 22.

Ashburn, second a week ago, fell to third under Robinson's torrid comeback. The Philly outfielder, however, moved his mark up one point, from .359 to .360 on 14 hits in 38 tries.

Back of Ashburn came the following: Johnny Wyrostek, Cincinnati, .337; Bob Elliott, Boston, .334; Roy Campanella, Brooklyn, .330; Al Dark, New York, and Ralph Kiner, Pittsburgh, .319 each; Carl Furillo, Brooklyn, .313; Dick Sisler, Philadelphia, .312.

Kiner, Furillo and Sisler replaced Chicago's Frank Baumholtz, Peanuts Lowrey of St. Louis, and Brooklyn's Pee Wee Reese in the bottom of the big 10.

With three batters in the first 10, and five department leaders, Dodgers are showing why they are running away with the league race. Gil Hodges, Brooklyn first baseman, is first in homers with 28 and in runs scored with 77; Duke Snider, Dodger outfielder, and Kiner, all tied in runs batted in with 66 pieces; Preacher Roe and Don Newcombe, Brooklyn's one-two pitching punch, are leading the hurriers. Roe is best in the won-lost department with 13-2 for 877 and Newcombe tops the strikeout artists with 93 victims.
