A. C. McDONALD.

### BOLTING LIBERALS

Influential Men all Over Canada  
Withdrawing Support From  
the Tarte-Laurier Govern-  
ment.

[SPECIAL TO THE EXAMINER.]

Toronto, Oct. 24.—The Liberals are bolting all over Canada.

Alexander Hamilton, of Winnipeg, a Liberal of 25 years standing, has joined the Conservative Association and says that the Liberals were promised bread and got a stone.

Peter Regan, one of Toronto's leading Old Liberals, opposes the Government.

Dr. Borden has been flooding King's County with a letter from Chaplain Lane, of the Second Contingent, in which the latter said that the emergency rations were good. Mr. Lane explains that this letter was written on the strength of samples given him. Later he wrote to the Militia Department saying that the rations were rotter.

The exposure is proving a black eye for Borden.

### CHINESE BLOOD

Wantonly Spilled by Russian  
Soldiers.

[SPECIAL TO THE EXAMINER.]

LONDON, Oct. 24.—The Russians still continue to exterminate the Chinese in a ruthless manner, in order to protect the future of the Manchuria railway. The Chinese resistance has been a mere farce. The Russians have been only too glad of the opportunity to kill every Chinese soldier and to destroy every vestige of Chinese authority in Manchuria; and they have taken advantage of the farcical resistance with a vengeance.

### SIR CHARLES TUPPER.

Preparations For Reception of  
Volunteers.

[SPECIAL TO THE EXAMINER.]

OTTAWA, Oct. 24.—Sir Charles Tupper left for Toronto tonight.

Elaborate arrangements are being made for the reception of the volunteers. A magnificent electrical display is promised. The militia department has cabled the War Office for the names of the men coming home on the Idaho. But it is doubtful whether they can be got before the transport arrives.

### PROMINENT HALIGONIAN

Passed Away This Morning.

[SPECIAL TO THE EXAMINER.]

HALIFAX, Oct. 24.—George A. Pyke, well-known wholesale grocer, died this morning. He was largely interested in Nova Scotia gold mines.

### STRATHCONA'S HORSE

Chasing the Boers in South Africa.

[SPECIAL TO THE EXAMINER.]

DURBAN, Oct. 24.—Strathcona's Horse have recently had some startling experiences in the Selati district, and they have greatly distinguished themselves upon every occasion.

While patrolling Zand River they gained intelligence from a trustworthy source that there was a Boer convoy ahead. They immediately started in pursuit and by a forced march along a circuitous route succeeded in reaching the drift just as the convoy was preparing to cross. Believing that another British patrol was, as arranged, supporting them, Strathcona's Horse attacked the Boers. Unfortunately the patrol did not arrive in time to help and the attack failed. Had the support acted as arranged, the whole convoy would certainly have been captured. As it was, the Boers were badly mauled and escaped with difficulty.

Subsequent to this adventure a trooper of Strathcona's Horse and a native attached to the corps were killed by lions.

### CANADIANS IN LUCK.

Took Part in the Splendid Ovation at  
St. Vincent.

[SPECIAL TO THE EXAMINER.]

MONTREAL, Oct. 24.—A special cable from London says: The Idaho's arrival at St. Vincent, coinciding with the Aurora's, the Canadians shared in the magnificent reception accorded to the London City Imperials by the Portuguese. A dance and supper was given on Friday evening at which the Governor General of St. Vincent was present, attended by the Canadian officers.

### WHAT PEOPLE SAY.

Is Not What Makes a Remedy Valuable

Testimonials are good things and we are always glad to get them, but they don't make our remedy any better.

Stuart's Dyspepsia Tablets are good because they do good—because they cure.

Testimonials simply prove that the tablets have helped other people, but it is yourself you are most interested in, and who are they will cure you is the question.

It is very easy to find out—try them. A full package costs but fifty cents at your druggist's. They are well worth that if they only help you a little bit. The chance is worth taking at the price.

We put it on that basis because you don't know about the tablets. If you knew as much about them as we do you would have complete confidence; this advertising would be unnecessary. We have seen them cure the worst cases of stomach trouble.

Cases of long standing and obstinacy, cases that other medicines and even high priced doctors had failed to subdue.

Here are some testimonials. If you care to read them we have thousands of them.

Rev. J. R. Hogg, of Wymore, Nebraska, writes: For six years I have been troubled with dyspepsia. Last fall I became very much alarmed at some symptoms of heart trouble and came to believe there was a sympathetic relation between the two diseases, or rather, that the stomach trouble was the cause of the heart disturbance. I hit upon Stuart's Dyspepsia Tablets for a remedy and invested a dollar and a half for three boxes which lasted me three months and I can eat any kind of food I want and have a good vigorous appetite. Although I am seventy-seven years old, I now feel perfectly well and without being requested by anyone I make this statement as a compliment to the virtue of Stuart's Dyspepsia Tablets.

Mrs. Lydia Bartram, of Assyria, Mich., writes: I have suffered from stomach trouble for ten years and five different doctors gave me only temporary relief. A Mr. E. R. Page advised me to try Stuart's Tablets and four boxes did me more permanent benefit than all the doctors' medicines that I have ever taken.

We honestly believe that Stuart's Dyspepsia Tablets the best medicine ever made for the cure of stomach troubles.

Don't mistake our meaning. We don't claim them to cure anything but dyspepsia and stomach disorders. Just the one thing is what they are made for, but that one thing is the cause—the starting point of nearly all the sickness in the world.

Use Stuart's Tablets regularly. Keep your stomach right, and you can never be sick.
