F. H. C.—Regular session of Port la Joie Encampment to-night. First Degree.

INVESTIGATION.—The Fire Warden's investigation, which was to have been resumed last night, has been indefinitely postponed.

THANKS.—The W. C. T. U. cordially thank Messrs. Willis Bros. for the loan of the sweet-toned piano used at the meeting last evening.

MEETING.—There will be a meeting of the Ladies Hospital Aid Society in St. Paul's Schoolroom on Thursday, the 11th inst., at 4 p. m. A full attendance of collectors is requested.

THE "ENID."—The beautiful and fast-sailing sloop yacht "Enid" will be offered for sale by R. Bearstar, Auctioneer, at Peake's No. 1 Wharf at 12 o'clock noon, to-morrow. This is a rare chance for any person wanting a good, smart comfortable yacht.

THE WALLER CONCERT.—Without doubt Mr. Henry Waller's concert, which is to take place in the Lyceum, on Monday evening next, will be one of the greatest musical treats ever offered to our people. We advise all lovers of good music to attend this concert.

"In these days business is difficult. It is rendered more so because of cables, telephones, six-day ocean steamers, and because every pound of cotton, iron and wool in the country can be counted. The young man who starts in at this time will stand but little chance without a business training. The mercantile profession must be studied just the same as medicine or law, and too high praise cannot be given to the gentlemen who conduct the schools."—John Wanamaker.

A GREEN P. E. ISLANDER.—A Boston despatch of yesterday's date says: Inspectors who had been on the lookout for confidence men who practice mostly on victims from the British provinces to-day arrested John Brady and Harris Martin, who had just done up James McManus, of P. E. I., to the extent of \$16 on a bogus check in the Eastern depot. It is thought these men are concerned in many of the other operations. They are old offenders, both having done time, and their pictures are in the rogues' gallery.

Personal.

Judge Kelly is in the city. Dr. Pollock returned to Halifax to-day. I. C. Hall, Esq., arrived last evening as Consul for the United States. Many old friends remain to welcome and congratulate him.

The Misses Farquharson, daughters of Donald Farquharson, M. P. P., left this morning for Halifax to resume their studies at the Ladies College.

Mr. R. J. Macdonald, son of Angus Macdonald, Esq., North Bedouque, leaves for Rome in the course of a few days, to enter the College of the Propaganda.

Miss Enid McLean—daughter of Mr. T. A. McLean, Esq., of the Esdale Foundry—a graduate of St. Peter's Girls' School—left this morning for Halifax to attend the Ladies' College in that city.

His Honor the Lieutenant-Governor entertained Judge Burbridge, of the Exchequer Court of Canada, and his registrar, Mr. Audette, at dinner last evening. Among the invited guests were the Chief Justice, Judge Hensley, Malcolm McLeod, Q. C., R. J. Hodgson, Q. C., and R. R. FitzGerald, Q. C.

In its report of the New York Caledonia Club's games, which took place at the great American metropolis, on the 4th inst., the New York Sun says: "The proudest of all the winners was Chief James Colin Euchen, of New York. He had carried off the honors as the best-dressed Highlander, and he was a picture worth painting, with his straight, lithe form, handsome face, Stuart tartan, with silver sword, pistol, dirk, "Skeen dhue," and powder horn, and an elegant spurr setting off the gorgeous costume. Mr. Euchen's costume cost \$1,100 in Scotland, and it is safe to say that he does not use more than one or two suits a year." Needless to say, Mr. McEachen is a Prince Edward Islander. He is a brother of A. E. McEachen, Esq., of Charlottown.

Kensington Hall.

Last night the weekly temperance meeting was held in the above named snug little hall; and although there was a large meeting of the same kind going on at the same hour in the Y. M. C. A. Hall, still over one hundred and fifty bright and happy looking people sat down on the comfortable chairs. Mr. W. J. Miller as chairman did his part well. The first hour was spent in listening to some good music, a vocal solo by Mr. Turner, duet by Misses Bridges and Stumbles, and choruses by band of workers, also a reading by Miss Johnson and short addresses by Messrs. I. Oxenham, R. Sutcliffe and S. C. Moore seemed to interest both young and old. At the close of the entertainment a short social was held when all hands indulged in seasonable fruit and friendly chat, after which some twelve new names were added to the pledge roll. This band of workers led by Mr. Sutcliffe feel very much encouraged in their work and find the present hall far too small, but hope before long to have it enlarged to twice the present size. There does indeed seem to be room for the work these young people are doing in this part of the city. May God bless their efforts to help on the cause of Christ.

DIED.

At Brudenell, on the 17th Aug., Donald Gordon, aged 87 years.

At Victoria, Crapaud, on the 1st September inst., of consumption, Jerusha Mallet, the beloved wife of Albert Rogers, aged 25 years. Her end was peace.

No more pain; no weary nights of tossing to and fro; No languid days, no painful sights of misery and woe, For she is now where oft on earth her spirit wished to be.

Labor Troubles in England.

Rioting and Bloodshed.

SOUTHAMPTON, Sept. 9. To-day the dock laborers prevented the departure of several trains. The strikers besieged the gates of the dock and prevented the entrance of officials. Two companies of infantry arrived in the evening, and drove the men away from the rails. The dock men made desperate attempts to break the line formed by the troops. Some took the horses from cabs standing near by, and mounting, charged furiously upon the soldiers, but the troops stood firm and repeatedly repulsed the strikers. A number of horses were bayoneted, and some rioters were seriously wounded. The crowd, greatly augmented, hurled volley after a volley of stones at the troops. The mayor read the riot act, but this only added to the fury of the mob, a section of which stormed the mayor's business premises and smashed every window in the place, whereupon the soldiers were ordered to charge. They advanced upon the crowd with fixed bayonets, and the rioters seeing some of their number fall, pierced by the bayonets of the soldiers, fled in wild disorder. The excitement throughout the city to-night is intense and further trouble is feared.

Reciprocity.

WASHINGTON, Sept. 9. The Senate to-day accepted the amendment to the tariff bill providing for the customs commission of five to continue in office six years, they to ascertain the effect of the tariff upon various industries and upon wages in the United States; but rejected, by a party vote the substitute for Aldrich's reciprocity amendment, directing the President, without further legislation, to declare the ports of the United States free open to all products of any country upon the American hemisphere, upon which no export duties are imposed, whenever and so long as the government of such country admitted to the ports thereof, free of national, provisional, municipal or other taxes, flour, cornmeal, preserved meats, etc., the products of the United States. Aldrich's reciprocity amendment was voted down, 38 to 29.

Ottawa Notes.

OTTAWA, Sept. 9. An order in Council has been passed appointing Captain Smith, R. N., and Capt. Hunter, of Halifax, commissioners to investigate and report regarding the Uluda accident.

Supt. Gisborne received this evening the first message over the new cable from St. Paul Island.

Deputy Minister Lowe has returned from the Northwest. He reports an enormous yield of wheat, but says that the recent frost will reduce a larger proportion than usual to be classed as second grade. The Ministers of Justice and Finance received a large deputation of lumber men and pork packers to-day and are hearing their views. The minister of Justice decided that side pork either mess or clear should be rated at one and a half cents per pound.

A Quack Caught.

TORONTO, Sept. 9. Some days since John Kent, a leading citizen, died, after being attended by Mrs. Stewart, an alleged Christian scientist, and this morning the coroner's jury brought in a verdict of manslaughter, in that he came to his death through the gross ignorance of Mrs. Stewart, who undertook to cure him of his disease, in not advising him to continue the restricted diet prescribed by his former physician. The Coroner charged directly against the accused. In the examination Mrs. Stewart admitted that she knew very little of medical science.

The Stairs Presentation.

HALIFAX, N. S., Sept. 9. The presentation of an address to Lieut. Stairs will take place at a meeting of the City Council Thursday evening. Subscribers to the testimonial only will be admitted. Subscriptions are coming in liberally, and about \$1400 of the needed \$2000 has been pledged. It is intended to present a valuable piece of plate to be presented and selected in London by Sir Charles Tupper. Stairs preferred plate to a sword, as all the members of the Stanley expedition have received plate.

MONTREAL, Sept. 9. Montreal society is wrought up to the highest pitch over Prince George, who arrived to-day. A brilliant reception was attended by a thousand people this evening in the City Hall. The ball at the Windsor on Thursday evening promises to be the social event of the season.

BOSTON, Sept. 9. William Bloom & Co., dealers in woolsens, at 15 Chauncey St., have assigned to Kenny & Gowing. Their liabilities are rated at about \$90,000, and assets at nominally \$80,000.
