The Express Office

at the Feast of Days to be held in the Skating Rink on June 21, 22, 23 and 24, will be something entirely new to the people of Ch'town.

First of all you will receive a Postal Card on or about June 21, notifying you that there is a parcel in the Express Office at the Feast of Days for you, asking you to call for it.

Of course there will be price set on it, but the managers guarantee that in every case the price asked will not exceed the value of the parcel, that is, you get full value for your money in every case.

An Interesting Feature

of the Express Office is that no person knows what is in their parcel until after they have paid for it.

The ladies in charge have taken great care to select parcels that will be suitable too, also that the price of it will be easily within the means of the party to whom it is addressed.

ONLY 200 parcels will be delivered and somebody must necessarily be overlooked on account of the limited number to be distributed.

CITY COUNCILLORS MEET.

Rollo to be Sold—Fireworks on Queen Square—Milk Vendors By-law.

The regular monthly meeting of the City Council was held last evening. In the absence through illness of Mayor Dawson, Councillor Hooper presided.

After routine business a letter was read from the Recorder concerning the by-law imposing a tax upon milk vendors. His Honor gave it as his opinion that at the time this by-law was passed there was no provision in the law as there is at present for levying a tax or license fee for vending of "country produce and all other articles and things." The by-law therefore was ultra vires of the city's powers. He held, however, that the city now had the power to pass such a law. He did not think that the city would be obliged to refund the amounts collected in taxes under the by-law.

In accordance with His Honor's opinion Councillor Nicholson gave notice that at the next meeting he would introduce a by-law respecting milk vendors and to regulate all the vehicles, vessels and other things in which anything may be exposed for sale or marketed in any street or public place.

Councillor Nicholson moved that the sum of \$1,300 in the estimates for the Park Roadway be transferred to maintenance of streets. The matter was laid over until the next meeting.

On motion of Councillor Nicholson the public property committee was authorized to supervise the illumination of the City Hall and the Market House at the coming jubilee celebration.

Thomas Handrahan, Esq., was unanimously re-elected a member of the City School Board.

Councillor Hughes moved that Tuesday June 22nd be proclaimed a civic holiday and that citizens be requested to illuminate their dwellings that evening. The motion carried.

Councillor Hughes moved that the fireworks display take place at or near Market Square. The motion carried. Councillor Hughes, at the suggestion of Chief Engineer Large, recommended that the display take place from the roof of Messrs. James Paton & Co.'s store.

Richard Hunt, Esq., chairman of the Summerside Town Council, was heard with reference to the purchase from the city of Rollo steam engine. He and Councillor Schurman, while in the city, would like to see the boiler tested. If the test was satisfactory the engine might be shipped to Summerside. The price to be paid for the engine, with two nozzles and 200 feet of hose, is \$500, payable in twelve months without interest. A meeting was agreed upon.

Meeting adjourned until this (Tuesday) evening at 7.30 o'clock.

THE JOSIE MILLS COMPANY.

The Opera House was well filled last evening on the occasion of the opening performance of the Josie Mills Company under the direction of Mr. C. H. Haystead. It is four years since Miss Mills visited Charlottetown with her dramatic company, and that her excellent work on that occasion is remembered by theatre-goers even yet was evidenced by the reception which was accorded her last evening when she made her appearance on the stage. Mr. Haystead was also given a hearty welcome upon his appearance. "Master and Man" was the opening piece of the engagement. The play is a very powerful one, and affords room for clever work. There are also some very good scenic effects, notably the foundry scene in the fourth act. The interpretation of the play was excellent throughout, and the audience was most generous with its applause. The manner in which the work of the various characters in "Master and Man" was received last night certainly augurs well for the success of the company during the rest of their engagement. Miss Mills gave a faithful and sympathetic interpretation of the part of Hester Thornberry, the heroine of the piece, and her support was very good. Mr. Thayer as Humpy Logan played an excellent part, and Mr. Crimans as Jack Walton was also good. Mr. Haystead as Jim Burleigh, a workman in Carlton's foundry, acted his part splendidly, showing marked improvement since his first visit to the city. Between the acts and during the course of the play songs and dances were cleverly given by Mr. Crimans, Mr. Mack and Mr. McEnary. These specialties will be changed at each performance. To-night the "Golden Giant Mine," a very pleasing comedy-drama will be presented, and another big house may be expected.

HANDSOME JUBILEE MEDAL.

Mr. W. W. Wellner, our enterprising jeweler, has our thanks for a very pretty Jubilee medal representing Canada's tribute to our gracious Queen, to commemorate "The Diamond Jubilee" of her long and successful reign. We believe it to be without exception the finest design we have seen. Being manufactured in Canada, it is worthy of note that Canada stands first among the colonies of Great Britain in many other respects, should also come forward with a production in the medallion art that bids fair to rank among the productions of the mother country herself. Obverse—in the centre in strong relief appears a head of the Queen, copied from one of the best recent photographs published, a sprig of laurel and the words "Diamond Jubilee" enriching the background. On each side of the surrounding border is an entablature, bearing the dates 1837 and 1897. At the top appears the word "Victoria" at the bottom the words "Queen and Empress" upon a cartouche from which spring a branch of the maple on the left and the oak on the right. Reverse—encircled around a central panel, bearing "Canada congratulates her Queen" are the royal arms and the arms of the several provinces of Canada, bound together by a spray of the maple leaf. The excellent workmanship brings out the design of the eight coats of arms in full relief. The leaves and wreaths seem to show their very nature, and so finely are they cultivated. Truly it appears that the longer one looks at it the more fascinating it becomes, while the whole appeals to one's patriotism and love for the artistic. Mr. Wellner informs us that owing to the large order he placed for these goods he will be able to sell them at the small price of fifteen cents each. Every person should get one.

Fifty Years Ago.

Grandfather's hat! And within it you see, Grandfather's favorite cough remedy. Whether 'twas Asthma, Bronchitis or Croup, Or baby at night waked the house with a whoop,

With Ayer's Cherry Pectoral Grandfather was sure That no cold or cough would e'er fail of a cure. In hats the styles change, but the records will show Coughs are cured as they were 50 years ago.

Ayer's Cherry Pectoral has no equal as a remedy for coughs, colds, and lung diseases. Where other soothing elixirs palliate, Ayer's Cherry Pectoral heals. It is not a cheap cough syrup, which soothes but does not strengthen; it is a physician's cough remedy, and it cures. It is put up in large bottles, only for household use. It was awarded the medal at the World's Fair of ninety-three. It has a record of

Of all the names mentioned for the rectorship of St. Paul's church, Halifax, which was recently resigned by Rev. Dyson Hagne, the most prominent is that of Rev. W. J. Armitage, rural dean of St. Catherine's, Ontario. Mr. Armitage was talked of for the position before Mr. Hagne was called, and now the people seem again to be turning in the same direction.

Mr. John Mackie, of Stanley Bridge, who was home on a visit to his parents, is in the city on his way to Newfoundland, where he and his brother are building up quite an extensive business in prospecting and lumbering. He says the short line railway is nearly completed and good finds of coal have been made this spring near the southern terminus.

St. John Telegraph: Rev. D. J. Fraser, B. D., M. A., pastor of St. Stephen's church, and a native of Alberton, P. E. I., returned Saturday after a month's holiday spent very pleasantly at Cambridge, Mass. where he enjoyed a visit to "old Harvard." Rev. Mc Fraser conducted both the morning and evening services at St. Stephen's church yesterday. He announced that on Friday morning next the services would be appropriate to the jubilee. In his sermon he will speak of that event.

MARRIED AT DULUTH.

Clarence Young, a prominent grocer of Duluth, Minn., and Miss Mae Locke, of this city, were married last evening at the parsonage of the First M. E. church, Rev. G. W. L. Brown officiating. Miss Della Myers, a cousin of the bride, acted as bridesmaid, and Daniel H. Haslem, of Duluth, was groomsmen. The bride's costume was a travelling dress of broadcloth, trimmed with gold cloth, and hat and gloves to match.

Mr. and Mrs. Young left on the Illinois Central train at 7 o'clock for a trip through Iowa, stopping at the home of the groom's father at Norwood for a few days. They will be at home in Duluth after June 20. Sioux City Journal, June 10.

[All interested in the foregoing marriage are former residents of this Province. THE EXAMINER extends congratulations.]

THINK OF THE LITTLE THINGS

about the house that would be improved by being painted. Painting is not the hard work it used to be. You can get just the color you want, mixed, ready to use, and no matching of colors, no fussing, no trouble. Open the can, stir the paint, dip in the brush, and go to painting. In the time it took to mix paints, by the old methods, you can now have the work well finished. One kind of paint will not do for a house, table, buggy, and a bath tub any more than one kind of cloth would answer for all sorts of clothing. **THE SHERWIN-WILLIAMS PAINTS** are made for all purposes. Not one paint for all surfaces, but a different paint for each surface. **THE SHERWIN-WILLIAMS FAMILY PAINT** is made for cupboards, shelves, baseboards, etc. It has an oil finish that can be washed. It is made in twenty-one colors. Our booklet, "Paint Points," is a good thing for you to have. It tells many interesting things about paints—good and bad paints. It tells what to paint, and how to paint it. It is free. A postal will bring it.
