—**ACCEPTS INTERNE POSITION**—Mr. Clair Tanton, second son of Dr. E. T. and Mrs. Tanton, Summerside has accepted a position as student interne in the Montreal Children's Charity Hospital.—S.

—**OUT AGAIN**—Mr. Justice A. C. Saunders, who has been quite ill for some months, made his first appearance down town yesterday morning and received a hearty welcome from his many friends, who were glad to know that he is feeling so much better.

—**VISITING ISLAND**—Mr. and Mrs. Huling of Braintree, Mass., arrived Tuesday evening by car on a visit to Prince Edward Island. They were accompanied by Mrs. Huling's father, Mr. Benj. Nesbitt, formerly of Summerside, who is being cordially welcomed by his many friends.—S.

—**CHILDREN'S AID MEETING**—The regular monthly meeting of the Board of Management of the Children's Aid Society of Prince County was held Tuesday night in the Town Hall, Dr. J. A. McPhee presiding. The Chief of Police reported that there had been practically no juvenile delinquency in the last month as through the efforts of the society the ring leaders had been sent to the reform school at Halifax. The society was notified that two young girls (delinquents) would be kept in the Home of the Good Shepherd, St. John, for another year by the Government of P. E. Island.

MARRIAGE RECEPTION— On Monday, August 2nd at Borden Chapel, Miss Hilda Noonan, daughter of Mrs. and the late W. A. Noonan, Bedeque, became the bride of Thomas, son of Mr. and Mrs. Stephen Johnson, Kinkora. Rev. W. B. Monaghan was the officiating Clergyman. Mrs. MacAleer, Borden, aunt of the bride, played the wedding march. Borden Choir under the direction of U. J. Pineau, rendered the hymns. Attending the bridal party were Miss Alice, the bride's sister, while Joseph Johnson supported the groom. A host of friends extended their very best wishes for many years of happiness, as the happy couple left for a brief honeymoon. On Thursday evening a reception was held for Mr. and Mrs. Thomas Johnson, at the bride's former home, Bedeque. Among the invited guests were Rev. W. E. Monaghan, Seven Mile Bay, and Rev. George MacCabe, Middleton. Later in the evening folks from the surrounding district came to charivari the popular young couple. Mr. and Mrs. John on will reside in Hope River, where Mr. Johnson has been a successful school teacher for the past three years.

—**BRIDAL SHOWER**—On the evening of July 26th, a very pleasant time was spent at the home of Mrs. W. A. Noonan, Bedeque, when a large number of friends and neighbors gathered to tender a shower to her eldest daughter Miss Hilda, in honor of her approaching marriage. At ten o'clock the bride-to-be was escorted to the seat of honor, a large chair draped in white, over which was suspended a large white bell with streamers of white and gold, and beautiful bouquets of white flowers. The living room was tastefully decorated with golden rasturtiums and asshollita blooms. The parcels were opened by Misses Wilda Bell and Carrie Green. Miss Hazel Green read the accompanying verses, while Misses Mary MacKenna and Kathleen Connolly arranged them on the table. The presents were numerous and beautiful. Miss Hilda thanked her friends in a very pleasing manner, being too overcome by their generosity to express all the gratitude she felt. All joined in singing "For She's A Jolly Good Fellow." A dainty lunch was then served and the evening pleasantly spent in social intercourse, while the young folks indulged in dancing in the spacious room adjoining, to the strains of the violin played by Messrs. Fred Arsenault and Elmer Sherry, and the guitar by Tommy Dawson.

LUCKY GLOVER

—Miss Jessie McNeill and Miss Anna MacKinnon of Newton are visiting their many friends on the Island.

—Mr. and Mrs. Frances Murphy and family of Newton, Mass., are spending a three weeks holiday at Edgewater.—S

Vitas Forge Into Second Position

In the opener of a doubleheader at Summerside yesterday afternoon, the Vitamannas took an 8-5 decision from the league leading Red Sox to pull up into second place in the Summerside Town League, at the same sliding the Pioneers down to third. The score see-sawed considerably and it took a four run, four hit splurge in the 8th on the part of the Vitas to decide the issue.

To start the game the first four batters for the Sox connected for singles to produce two runs. This lead vanished in the fourth when a base on balls and three errors gave the Vitas three unearned runs and a 3-2 lead. In the top of the fifth, A. Clow knocked out a three run homer to again send his team into the lead by two runs. In their half of the same inning the Vitamannas cut this lead down to one run and the only other scoring of the game was done by the winners in the eighth. The rival hurlers lived up to the records they have created all year. Arsenault's performance in holding the Vitas to four hits and striking out ten shaded Willet's work but the Vitas bunched their four hits in the 8th for the winning rally. Jimmie McInnis turned in a spectacular game at third base and A. Clow's homer was another highlight of the game.

At the executive meeting last evening, Kensington promised to be prompt in their remaining games. Their next game is with the Pioneers on Friday evening. Should Kensington lose this game they are out of the running and the town playoffs are scheduled for Monday, Wednesday and Friday of the week following Exhibition. The semi-finals in this case would consist of a two out of three series between the Pioneers and Vitamannas, the Red Sox having clinched first place. D

ELEGANT TABLECLOTHS

The all-over lace tablecloth which has been brought into fashion by royal hostesses, such as the Duchess of Gloucester and the Duchess of Kent. There is something very elegant and feminine about a parchment-tinted lace tablecloth laid over a well polished mahogany table or on top of a piece of golden yellow or leaf green satin, and some of the designs are really exquisite modern adaptations of costly period pieces.

For luncheon or supper there are other more everyday lace cloths made in two tones of porridge and cream, says an English correspondent. These are very effective with pottery and fireproof dishes in brown and cream; they do not soil at all quickly, and wash like a handkerchief.

Use Minard's for bites.

"Too Hot To Handle" Playing At Capitol

Too Hot to Handle drew large crowds at the Capitol Theatre, Summerside last night. Packed with action and romance and reminiscent of five great news events the new Clark Gable-Myrna Loy picture is one in a million.

Thrills of a news reel cameraman coupled with a famous aviatrix provide the basis of the story with scenes laid in China, Dutch Guiana jungles and pent houses and newsreel offices in New York.

Walter Pidgeon plays Gable's chief rival, Walter Connolly and Leo Carrillo have the principal comedy roles, and others in an excellent cast include Johnny Hines, Virginia Weidler, Betty Ross Clarke, Henry Kolker, Willie Fung and Patsy O'Connor.

Jack Conway directed the play with deft skill balancing the romance and thrills in perfect timing.—S.

Kensington and Vicinity

Mr. and Mrs. Daniel Dunning have returned to their home in Kensington after an enjoyable weeks holiday in Charlottetown with their two sons.

Mr. and Mrs. A. R. Howatt of Charlottetown, were recent visitors to Kensington.

Among the many recent visitors to Summerside were Messrs. Layton Rogers, John Thompson, Preston Toombs, Robert Humphrey, George Webster and O. B. Darrach.

His many friends are pleased to see Mr. Arthur Mills around once again, after his recent serious accident.

Two young ladies Misses Georgie Kennedy and Marjorie Baker, who are among those enjoying a camping vacation at Schurman's Point, enjoyed Tuesday at their homes here and report having a swell time, and by the tan, happy smiles and robustness they surely must be.

Mr. Charles Howatt, is enjoying a pleasant holiday in Charlottetown, the guest of his brother.

Preparations and plans are being made by one may say, all in this vicinity to attend the Provincial Exhibition at Charlottetown.

Mr. and Mrs. E. S. McPhail of Ottawa, Ont., arrived in Kensington on Monday evening where they will enjoy a pleasant holiday with Mrs. McPhail's sister, Mrs. Louis Wickett, as well as other relatives and friends in other sections of the Province.

Mr. Pope Clarke, Charlottetown, was a business visitor to Kensington on Monday.

A unique way of advertising and one that sure drew lots of attention was seen in Kensington on Tuesday when a clown with large placards both fore and aft telling of the moonlight Excursion on Wednesday evening walked through, drawing plenty of laughs as well as attention. Unique but effective, one would say.

Mr. Cliffford McDonald Charlottetown was on business to Kensington on Tuesday. H.

Urge Paving Of Highway By Shore Route

A very large and representative gathering of the residents of Carleton, Borden, Cape Traverse, Augustine Cove and Tryon assembled in the Cape Traverse Hall on Tuesday evening to further discuss the paving of the highway from Charlottetown to Borden via the shore route.

The meeting was addressed by Messrs Baker and Wright, the Legislative representatives and by Mayor E. A. Foster and Councillor J. T. McKee, of Charlottetown, also Capt. Read of Borden. The Board of Trade was not represented but the President, Mr. C. N. Bissett asked Mr. Fred Bell to explain to the meeting that on account of the short notice it was impossible to call a meeting of the Board to appoint representatives but he wished the meeting to be assured that the Board was vitally interested in the building of the shortest route to Borden and particularly by the Shore route distance being approximately equal.

A brief, a text of which follows, was read to the meeting and discussion followed along its outlines.

Messrs. Wright and Baker both assured the meeting that they while favoring the Albany route they were quite anxious that the Shore road should be paved but that they were strongly apposed to opening the spur to Carleton from Albany.

A committee of five members viz., A. K. Lord, Frank McFarlane, Capt. Read, A. R. Clark and Fred Bell, was appointed to confer with the Charlottetown Board of Trade, the City Council and the Government and to use every effort that the paving of this road be proceeded with simultaneously to the Trueman's Corner Highway.

RESOLUTION

The following resolution was unanimously adopted.

"Whereas owing to the reasons presented in the brief read to this meeting it is desirable that the road from Carleton through Cape Traverse and Augustine Cove be paved as the last link of the Charlottetown-Borden highway, therefore resolved that we ask our representatives to have sub-grading and paving on this road undertaken and carried on simultaneously with the same work on the Albany road.

"Further resolved that we ask the Charlottetown City Council, the Board of Trade and the citizens of Charlottetown generally to urge on the Government that this Cape Traverse, Augustine Cove road be undertaken at once as the last link of the Charlottetown-Borden highway."

TEXT OF BRIEF

Following the text of the brief which was prepared for presentation to the Legislative representatives and others:

"Sirs:—It has come to the attention of the public that the highway between Tryon and Trueman's Corner (Searletown), hereinafter named the Albany Highway, is to be paved, and that no provision has yet been made to pave the road from Carleton to Tryon via. Cape Traverse and Augustine Cove, hereinafter named the Cape Traverse Highway.

"We wish it to be definitely understood that it is not the public wish that residents along the Albany highway should be deprived of a paved road, that route having been already definitely established by the government. It is our contention, however, that as a direct road from Charlottetown to Borden, the Cape Traverse road should be paved, thus eliminating the extra five miles to Charlottetown via Trueman's Corner, and that it would be folly to open a three mile spur from Albany to Carleton.

"The suggested spur, while ruining farms, serves only four or five families and would be no asset to the village of Albany as its junction with the Tryon pavement would be a mile from the village and not through it, while the Cape Traverse route would serve the thickly settled communities of Carleton Cape Traverse, Augustine Cove and Tryon West.

"The cost of the three mile spur, viz. Right of Way, Bridging, Draining, Building and Paving would pave the greater part of the Cape Traverse road which has already been improved with bridges, culverts and grades, it having been widened, straightened and graded as a part of the Bell Charlottetown to Borden Improved Highway, and has since been further improved by important fills and grade work, and last year the final obstacle on the route was removed with the building of the new Tryon Abiteau Bridge. It is therefore apparent that the shore route through Cape Traverse can be paved at a cost little in excess of the proposed Carleton to Albany link.

"The Cape Traverse Highway offers the general public the following advantages, viz. The shortest direct route from Charlottetown to Borden along the short road; the most level road with no dangerous curves, and if so desired, NO RAILWAY CROSSINGS; the most snow free road from Charlottetown to Borden and Summerside which is an important consideration in regard to winter traffic; a paved highway for all farmers south and east of Carleton who wish to ship in this ready and advantageous market.

SHIPPING AT CARLETON

"As affecting the communities of Carleton, Cape Traverse, Augustine Cove and Tryon West, the following facts must be considered: — First, by removal of the railway from Cape Traverse, which deprived the surrounding districts of their immediate shipping facilities causing an extra 1 1-2 miles haul, Carleton became the shipping point for these sections, and as more potatoes are produced in Augustine Cove than in any other district of P.E.I. (the estimated acreage of this crop alone along the route of the Cape Traverse Highway being 700 acres), more potatoes are shipped from Carleton, with the possible exception of Freetown, than any other station in the province. It naturally follows that more fertilizer for local distribution is received, and as a sequence more trucks are operated, and more truck licence and gas tax turned into the revenues of the province.

"To quote figures as affecting the year 1938, and that year is below the average in potato production, 311 cars of potatoes were railed from Carleton, and 69 carloads of inward freight were received, made up of fertilizer, coal, lumber, cement, lime, feeds, etc., making a total of 280 carloads handled not accounting for the regular less than carlot freight which daily passes through this station. Fully 75% of this volume was produced by, or distributed to residents south and east of Carleton who would be served by the Cape Traverse Highway, and this in addition to the large amount of shipping which does not show as rail freight, being handled by water through the ports of Summerside, Victoria and Charlottetown, and hauled by truck.

"Carleton, on account of its potato storage facilities and its proximity to Borden, must always, as long as potatoes are grown in large quantities, be considered one of the premier shipping centres of the province, and these advantages of storage and quick shipment are always reflected in the price paid the farmer for his produce. Due to Carleton being an extension of Borden Yard this station enjoys a shunter service which makes it possible for a dealer receiving an order for a carload of potatoes in the morning to order and receive an empty car within an hour, load it, have it shipped and ferried within a few hours, and arrive in a Maritime destination the following morning. Such service to the buyer, together with the lowest freight rate on P.E.I. naturally gets the business and increases the price to the producer. This is why much of the business from points east of Tryon is handled through Carleton, and another good reason why this road should be paved to accommodate such outlying traffic.

"Lastly, by the number of motor vehicles owned and operated along the route, this section has paid and is paying for the paving of this road. Taking the average estimate, as compiled, as $50.00 revenue to the province for each car and truck operated, the cost of such road would easily be borne by the district, for from Carleton to Tryon Abiteau Bridge, not going up by-roads more than one-half mile, there are 79 automobiles owned and operated, as well as 20 trucks in daily operation and licenced at from $30.00 to $100.00 each. The revenue from the registration of these vehicles together with the tax on the gasoline they consume will build the seven to eight miles of highway, will pay the interest on such expenditure, and will provide a sinking fund to retire such debentures in fifteen to twenty years, while providing a paved road to facilitate the marketing of a vast quantity of farm produce and a direct highway by the shore route from Charlottetown to Borden.

"It is therefore expedient that this road via. Cape Traverse and Augustine Cove be paved at once."

Rebekahs End Sessions At Summerside

The third session of the Rebekah Assembly opened yesterday morning in Maple Leaf Gardens at 9 o'clock. Mrs. Lohnes president, presiding. Reports and general business took up the first part of the session.

The main feature was the address of Mrs. Harriet Reeves, President of the A. R. A. from Wellesley, Mass., Sister Reeves has a most pleasing personality and is a gifted speaker The secretaries association was organized and the following officers appointed: President Mrs. Warner, Vice President, Minnie Hillen, Recording Secretary Myrtle MacLeod, Springhill.

Wednesday Evening

The concluding session of the Rebekah Assembly convened on Wednesday evening and when all the reports had been heard Past President Yule of Connecticut, U. S. A., spoke at length on the Thela Rho Girls Clubs, which are doing such wonderful work every where on the other side of the border.

The shield was won for attendance by Balmoral Lodge, Woodsharbor N. S. The lodge having the largest increase in attendance was won by Ruth Rebekah Lodge, North Sydney. A presentation from the Assembly was made to Past President Sister Phoebe Ellsworth of Saint John on reaching her 50th wedding anniversary. Needless to say Sister Ellsworth was taken by surprise and thanked the Assembly. Another presentation from the Assembly and also the Past Presidents Association was to Past President Baker of Woodstock, the presentations were much enjoyed by all the members as both Past Presidents had served long terms in the work of the order.

The officers for the ensuing year were then installed by the president assisted by past president Ida McDonald.

President: Miss Muriel Goode, Westville, N. S.
Vice President. Mrs. Lottie Rhodenizer, Bridgewater, N. S.
Warden: Mrs. Agnes Coffin, Montague, P. E. I.
Secretary: Mrs. Mary Harrington, Bridgewater, N. S.
Treasurer: Mrs. James McGowan, Moncton, N. B.
Conductor: Isabelle Purchase.
Marshal: Marion Smith.
Chplain: Mrs. Anne Profitt, Alberton, P. E. I.
Guardian: Sister Viola Ward.
Junior Past President Beulah Speedy presented the retiring President Mrs. Bessie Lohnes with the past president jewel who thanked the officers for help and cooperation. Gifts to the retiring and incoming officers were very many after which the Rebekah Assembly closed.—S.
