District W. I. Convention At Lower Montague

The annual district convention of the Women's Institute was held Tuesday afternoon in Lower Montague hall with the president, Mrs. Raymond Poole, in the chair. The meeting opened with the singing of the Institute Ode, and the creed was repeated in unison. The address of welcome was given by Mrs. Austin Ross, Lower Montague, and was responded to by Mrs. A. D. MacLure, Montague. There were seventy-two members and visitors present and were received by members of New Perth Institute. A very interesting address was given by Mrs. J. A. Lawson, representing the Canadian Association of Consumers, who chose as her topic "On The Label." A Jolly sing-song led by the Lorne Valley Institute was greatly enjoyed. Mrs. Austin Ross and Mrs. Bert Leard were piano accompanists. The Institute supervisor, Miss Robin, gave a very instructive demonstration on hues and color. This was followed by a program "Fun and Nonsense" by the Eocene Institute and featured a quiz and an impromptu concert, conducted by Mrs. James MacDonald. The next speaker was Mrs. Wm. MacKinnon who spoke on Institute work. An invitation from Union Road-Greenfield Institute to hold the next annual convention in their district was unanimously accepted by the meeting. The following officers and committees were elected for the ensuing year: President—Mrs. Emmett Power; Greenfield; vice president—Mrs. George Mellish, Union Road; secretary—Mrs. Everette Moore, Union Road. Welcome committee—Union Road-Greenfield Institute; reception—Brudenell Institute; exhibition—Lorne Valley Institute; sing-song—Roseneath Institute; entertainment—Lower Montague and Montague Institutes. The following resolutions were read by Mrs. Malcolm MacLeod, Lorne Valley. Be it resolved that the thanks of this convention be extended to Mrs. Lawson for her thoughtful and gracious address, to Mrs. Robin, our supervisor, to Mrs. Wm. MacKinnon and all who contributed to make this convention a success. Wherefore, the ever increasing consumption of alcohol beverages is a menace to the economic stability of Canada; and wherefore, more money is spent on liquor than on education, and wherefore the action of the Dominion Drama Festival in accepting a donation from Calvert Distillers is placing a

cloak of respectability around an industry which is sponsoring a moral degradation of our nation, therefore be it resolved that we condemn the action of the Dominion Drama Festival and deplore the withdrawal of the Beasborough Trophy and the substitution for it of the Calvert Trophy. A very successful convention was brought to a close with the singing of "God Save The Queen." A delicious lunch and ice cream were served.
