No advance sale of tickets

The Winter Carnival Committee has announced that no tickets will be sold in advance for events other than the Carnival Ball.

The Committee outlines its reasons as follows:
1) There would be no way of preventing non-university people from obtaining tickets. Since space will not permit more than 500 persons, it is only fair that UPEI students, Alumni, faculty members and Dates only be admitted to events in the Gym.

2) Invariably, when tickets are sold in advance, unfounded rumors that the tickets are sold out circulate. As a result, people stay home and the gym is half-filled.
3) If you were standing in line waiting to pay and someone walked by with a ticket wouldn't you be irritated?

The doors will be open at least twenty minutes before the events start. Tickets for the Carnival Ball are on sale at the S.U. office in basement Memorial.

Sing Song in Bernadine

There will be a sing song on Friday nite from 7:00 to 8:00 P.M. in the main lounge of Bernadine with Nancy Gallant and JoAnne Ings. This is done to prep everyone up for the hockey game at 8:00 P.M.

There will be some hot chocolate and donuts so let's all go and have a good time before the exciting game.

Ice sports

Sophomore Day at Winter Carnival is hosting an "ICE SPORTS" event between one four o'clock Friday afternoon, January 24th.

There are several contests and games lined up which will be fun to both watch and participate in.

You'll be able to see the football players take to the ice in an exciting hockey match against the varsity girls!

You'll also be able to see some exciting races (3-leg, shopping cart, etc). Some of these races will be on skates some on shoes - so come prepared to join the fun.

One of the most enjoyable moments will be to see our lovely ice princesses displaying their talents. For example "Dainty David" will be delighting us with his figure-skating techniques.

I think you'll have to agree that the Ice Sports are worth making a big effort to see. A final and very strong reason for joining us at the "Panther Palace" on Friday afternoon is that the prizes will be beer, that favourite beverage of ours!

Admission is free, so we'll see you all there.

Snow Sculpture

Could you and some of your friends use some cash. You can do this while exercising your creativity constructing a snow sculpture. Put it anywhere you like on campus. All the sculptures will be judged

Saturday afternoon.

The theme is "The Good Old Days". This encompasses any time from yesterday back.

Twenty-five, ten, or fifteen dollars could buy a lot of beer.
