Uses for Coffee.

It is asserted by men of high professional ability that when the system needs a stimulant, nothing equals a cup of fresh coffee. Those who desire to rescue the drunkard from his cups will find no better substitute for spirits than strong new-made coffee, without milk or sugar. Two ounces of coffee, or one eighth of a pound, to one pint of boiling water makes a first-class beverage, but the water must be boiling, not merely hot. Bitterness comes from boiling too long. If the coffee required for breakfast be put in a granitized kettle over night, and a pint of cold water poured over it, it can be heated to just the boiling point, and then set back to prevent further ebulition, when it will be found that while the strength is extracted, its delicate aroma is preserved. As our country consumes nearly ten pounds of coffee per capita, it is a pity not to have it made in the best manner. It is asserted by those who have tried it that malaria and epidemics are avoided by those who drink a cup of hot coffee before venturing into the morning air. Burned on hot coals it is a disinfectant for a sick room. By some of our best physicians it is considered a specific in typhoid fever.—*The Epicure.*

All Right, 5817.

THIS SPLENDID HORSE is too well known to the breeders of Prince Edward Island to need any puffing. They all know what he is, and what a grand family of trotters and roadsters he has built up in the Maritime Provinces, where his stock have taken high rank, and are every year coming to the front. He is one of the very few horses in the provinces that contributed a representative to the 2.30 list in 1889, his son Charlie Mitchell having made a record, in a contested race, of 2.28¼.

ALL RIGHT, 5817, is the sire of

George Lee	2.23¼
Charlie Mitchell	2.28¼
Black Pilot	2.30½
Black Bird	2.36½
Defiance	2.39¼
Little Fred (trial 2.28)	2.39½
Maud R	2.40
Lucy Derrick (4 yr. old)	2.44½
Nellie T. (trial)	2.35
George All Right	2.41
Nellie	2.45½

and many other speedy and well-known trotters.

ALL RIGHT will stand at the Stables of Patrick Connolly, in Charlottetown, every week from Tuesday morning to Saturday morning at R Y. McCoubrey's, New Glasgow Bridge, every Monday afternoon; and in Summerside every Saturday from noon till Monday at noon.

If you want to raise trotters—and of course you do—breed to ALL RIGHT, and you will get fast trotters and first-class roadsters.
