Clay & Brown Start Movement

By CHRIS ANNETT

Cassius Clay and Jim Brown are undoubtedly two of the foremost athletes in the world. They also both are Negroes. Furthermore they have a vital interest in the elevation of their races in American society and it has been interesting to note that both are doing something concrete to achieve their desires.

Jim Brown, slouched dejectedly in front of his locker after the Cleveland Browns loss to Green Bay and intimated that he was going to retire next season so that he could devote more time to business. He discussed plans for the formation of industry that would involve only negroes so that in his words Negroes could become producers as well as being consumers.

Brown has long been an activist in this movement to have the Negroes get greater power and there is another great force desiring to see the same thing take place. This is the Black Muslim sect and perhaps by now one is beginning to see the connection between Brown and Clay. Being a member of the Black Muslims puts Clay under an obligation to the desires of their leaders and Elijah Muhammad is exploiting his power to the fullest.

Early in the week Clay announced his plans for his Main Bout company. This company will televise all of Clay's fights and of course take the profits. The truth of the matter is that all money that is made will be ploughed back into Negro industry.

Although nothing has yet been made definite it appears as if Herbert Muhammad would become president, Jim Brown vice president and John Ali, Clay's brother, treasurer. Brown figures so heavily in the plans because it was he who devised the basic idea. It is estimated that he will hold 10% of the shares, Clay 50% and Lester M. Malitz Inc. the remaining 40%. Malitz is the head of the broadcasting firm that covered the last two Terrell fights and he hired Brown to provide between round commentary at the last fight.

So, it looks as if finally negro athletes are starting to throw their weight around a little bit. Another name mentioned as far as promoting this scheme goes is Gail Sayers. Frank Ryan and Johnny Unitas are also being mentioned as promoters. One thing about the group, they take the best.

BONUSES BALONEY

Recently football fans or just plain people that are interested in money have been following with interest the battle of the greenbacks between the National and American football leagues. Last season the race ended at a record high of \$400,000 paid by the New York Jets for Joe Namath. Namath proved worth the price as he won the Rookie of the Year honors and led the Jets to a second place finish.

However it was a different story for the many that were signed for big money and did not make the grade. Last money except to the pro teams no doubt. This year the trend continued and became even more senseless. Don Anderson turned down an offer of \$87,000 and picked up an estimated 750,000 from the Packers who also signed a fullback for 500,000. Now when you consider that these players have to displace the likes of Horning and Taylor one wonders. Granted the money is taken care of by the TV contract that each NFL club receives but I for one can not see the value of such a move in the Packers case for example. They can not draw any more fans by the move for they sold out every time they played last season.

All the bonuses can do is foster resentment from the present members of the team. The Packers and Browns knocked themselves silly playing for 5,000 each in the championship game a few weeks ago. This is just peanuts to a bonus rookie. Proven men like Horning and Taylor will be hard pressed to make 750,000 in their entire pro career let alone for signing a contract. The rookies have not even played pro ball and it could be that they are not up to the rugged style of play.

Nevertheless the prices continue to soar. When will it all end?

Cameron Upsets Favorites; Allen Smith Leads Rink

By DAVE MILLER

TORONTO (CP)—Doug Cameron's rink from Charlottetown assumed the role of giant-killer Tuesday when they upset Hector Gervais' favored Edmonton foursome 11-10 in the opening round of the Tournament of Champions.

Cameron, aided by the brilliant curling of third Allen Smith, made two perfect takeouts in the final end to win. Gervais attempted a freeze to a shot-rock but was heavy and allowed Cameron to play the take-out.

Ernie Richardson's Saskatchewan rink had little trouble as it downed Jim Sharples' Toronto crew 7-5. Canadian champion Terry Braunstein of Winnipeg also had an easy night, bombing Jack Polybank's rink from Kirkland Lake, Ont., 14-2.

In a match of truly international flavor, 1965 world champion, Bud Somerville of Superior, Wis., squeaked out a 7-6 victory over Chuck Hay's Scottish rink from Perth.

Today's second-round matches of the tournament robin play pit the four unbeaten rinks. Cameron meets Braunstein and Somerville plays Richardson. In other games, Gervais meets Polybank and Hay plays the Stubbins Sharples rink.

The top four finishers meet in 12-and semi-final games Friday and the winners play in a final Friday night. Prizes for the first four teams are household appliances valued at more than \$10,000.

Officials have added a new rule to this year's tournament to eliminate low scoring, blank-end strategy. A rink is allowed to blank one end, but if two in a row are blanked the skip logs scoring 50 points against Wichita.

Bradley finished his career with 2,503 points, fourth highest on the all-time list of major-league scorers during the 1964-65 campaign, he averaged 30.5 points for 29 games and finished third in scoring.

Player in becoming the first foreigner in 45 years to win the U.S. title, joined Gene Sarazen and Ben Hogan as the only golfers to make a career sweep of the sport's four major events—the U.S. and British Opens, the Masters and the Professional Golfers' Association championship.

Last year he also won the World Series of Golf and World match play tournament.

The top three were followed by Jimmy Brown, veteran Cleveland Browns' fullback; Gale Sayers, sensational rookie halfback of Chicago Bears; and Willie Mays of baseball's San Francisco Giants. Brown polled 106 points; Sayers 94 and Mays 89.

St. Xavier Pucksters Wallop Saints Varsity

Saint Francis Xavier X-men scored an overwhelming 9-1 victory over Saint Dunstan's University Saints last night at Saint Dunstan's. Stan Cooke led the X-men with two goals while Jack Churchill, Chi Chi Farenzena, Murray Kelly, Gus Fahey, Ken Karlander, Jerry McConnell, and Mike Poirier scored the other goals for St. FX. Glen Hughes got the Saints only goal at 14:41 of the third period.

This was the second win in as many starts for St. FX and it was the second loss for SDU. The Saints have won two games and lost two. They defeated Dalhousie, 7-0, in the league opener and University of Moncton 10-2. Their other loss came at the hands of Mt. A., 5-4.

The Saints opened the game with an early penalty to Rick O'Donnell, at 1:03. The X-men came storming back but they were unable to put the puck past Carl MacQuaid, who played a tremendous game for SDU, despite the one-sided score. However, shortly after O'Donnell returned to the ice Jack Churchill shot a rebound over MacQuaid who was sprawled on the ice and to the side of his net.

Farenzena scored what proved to be the winning goal at 8:10 when he took a pass, which came across the goal mouth from Fahey and shot it past MacQuaid. Stan Cooke finished the period at 15:25. His goal came on a slap shot from just outside the blue line. This was the only shot that MacQuaid looked weak on.

St. FX outshot SDU 19-6 in the first period and 50-22 in the game.

The X-men opened the second period with a fast goal. Murray Kelly skated in from the corner and put the puck past MacQuaid at 1:55. St. FX added three more goals before the period was over and went into the third period with a comfortable seven to nothing margin.

The X-men did not outplay the

Saints in the second period as they did in the other two stanzas. For the final 10 minutes of this period the Saints pressed the St. FX goalie, but Pursur came up with some great saves and kept the Saints off the score board.

Cooke, Fahey, and Karlander scored the goals for the X-men in this period.

The game, however, continued on the same path throughout all three periods. A total of 21 penalties were handed out by referee Brian Lewis. Eleven of which belonged to SDU, including a misconduct to Rick O'Donnell at 1:24 of the third period.

McConnell opened the scoring for the visitors at 3:23 of the third period and Mike Poirier scored the final St. FX goal at 13:50 with a hard shot from the blueline.

Glen Hughes got the Saints only goal with a high shot from the point at 14:41.

This was the first of three games that SDU will be appearing in this week. Saturday they travel to Fredericton to meet UNB and on Sunday they play St. Thomas University.

Nancy Greene Places Second

GRINDELWALD, Switzerland (AP)—Nancy Greene, a member of Canada's first ski team since 1960, brought the first real challenge of the season to the formidable French girl skiers here Tuesday.

The Goetschel sisters, Marielle and Christine, had been having things pretty much their own way in Europe this season.

But in a special slalom event here Tuesday, Marielle, 20, scraped home only 15-100 of a second ahead of Miss Greene, Ottawa-born resident of Rossland, B.C.

Christine Goetschel, 21, had to be satisfied with third place, more than a second behind the Canadian slalom star. Marielle was clocked in 58.69 seconds, Nancy in 58.84 and Christine in 59.98.

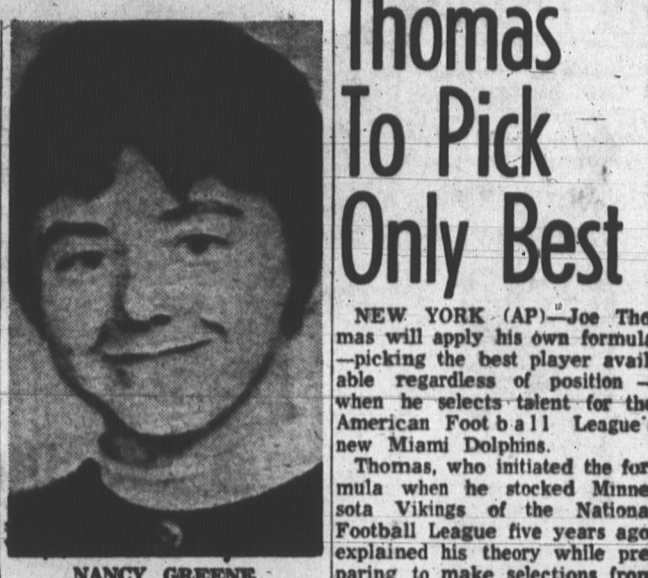

The second leg of the slalom was run without the traditional gates by single poles marked alternately with red and blue flags. The skiers had to go to the right of the red flag and the left of the blue one.

"Terrific, sensational," said Marielle Goetschel. "It's a great new formula."

Miss Greene, rated first in the world in women's slalom and giant slalom, disapproved.

"I don't like it—it's too easy," she said. "There's no challenge in it."

"I think I could have gone faster on that second run today."

NANCY GREENE

Four Canadian girls were disqualified during the difficult first run, in which 29 skiers were forced out. They are Barbara Walker, 19, of Bale D'Urfe, Que. Andree Crepeau 18, of Sherbrooke Que. Karen Dokka 19 of North Burnaby, B.C., and Garrie (Gus) Matheson, 18, of Montreal.

Best of the U.S. skiers was Wendy Allen 11th.

"It's a nice course and I love the new system without gates," said Wendy.

The giant slalom today and the downhill Friday complete the Grindelwald program.

Unless things improve for the

Gilbert Sidelined

NEW YORK (AP)—New York Rangers' slim hopes of qualifying for the Stanley Cup playoffs diminished further Tuesday when they announced that star right winger Rod Gilbert will be sidelined for the remainder of the National Hockey League season.

Gilbert, the club's top scorer with 25 goals last season, will enter a New York hospital Jan. 24 and will undergo spinal surgery Feb. 1. The recovery period is expected to be at least six months.

Dandy Sandy Koufax Named Athlete Of Year

By BEN OLAN

NEW YORK (AP)—Sandy Koufax, the sensational south-paw pitcher who overwhelmed opposing batters while setting a major league baseball strikeout record, was the overwhelming choice Tuesday as the Male Athlete of the Year for 1965 in The Associated Press year-end poll.

The 30-year-old Los Angeles Dodgers' star collected 224 first-place votes in the balloting by 303 sports writer and sportscasters.

On a basis of three points for a first-place vote, two for second and one for third, Koufax had 778 points. Bill Bradley, Princeton University Basketball star, was a distant second with 153 points and South Africa's Gary Player, winner of the U.S. open golf title, was third with 152 points.

Koufax also was named the outstanding male athlete in 1963. The only others to be chosen twice were tennis star Don Budge in 1937 and 1938 and golfer Byron Nelson in 1944 and 1945. The AP poll originated in 1931.

WON 26 GAMES

Koufax struck out 382 batters last season, topping the mark of 348 established by Cleveland's Bob Feller in 1946. The Dodger left hander won 26 games and lost eight, and led the National League in earned run average for the fourth consecutive year with 2.04. He also pitched his fourth no-hit game, another major league record.

Koufax won two World Series titles, including the seventh in which he shut out Minnesota 2-0 and struck out 10 members of

the hard-hitting Twins. He was voted the Cy Young Award as the majors' outstanding pitcher. Bradley sparked Princeton to the National Collegiate Athletic

Association basketball semi-finals before the Tigers bowed to Michigan. In his farewell college appearance, he set an NCAA tournament record by

scoring 50 points against Wichita.

Bradley finished his career with 2,503 points, fourth highest on the all-time list of major-league scorers during the 1964-65 campaign, he averaged 30.5 points for 29 games and finished third in scoring.

Player in becoming the first foreigner in 45 years to win the U.S. title, joined Gene Sarazen and Ben Hogan as the only golfers to make a career sweep of the sport's four major events—the U.S. and British Opens, the Masters and the Professional Golfers' Association championship.

Last year he also won the World Series of Golf and World match play tournament.

The top three were followed by Jimmy Brown, veteran Cleveland Browns' fullback; Gale Sayers, sensational rookie halfback of Chicago Bears; and Willie Mays of baseball's San Francisco Giants. Brown polled 106 points; Sayers 94 and Mays 89.
