

Statistical.

The following table, the authority for which is the official statistics of the United States, tells its own story so plainly that way-faring men, though fools and running, should be able to read it.

Table with 2 columns: Item and Amount. Includes Foreign mission, Public education, Sugar and molasses, Boots and shoes, Cotton goods, Sawed lumber, Iron and steel, Meat, Bread, Tobacco, Liquors of all kinds.

\$3,497,500,000

That is to say, in Christian America nearly 180 times more money was spent in intoxicating drinks than in sending the gospel to perishing heathen; nine times as much as was expended on education; more by one hundred millions than was spent on sugar, molasses boots and shoes, cotton goods and sawed lumber.

The Loneliness of Age.

The loneliness of age! How few think of this and treat with due tenderness and consideration those who have outlived their generations and whose early companions and friends have been taken from them!

Training Girls.

"A girl that is never allowed to sew, all of whose clothes are made for and put on her until the ten, twelve, fifteen, or eighteen years of age, is spoiled. The mother has spoiled her by doing everything for her.
