Editorial matter crowded out. The Budget Speech—on first page. The Oddfellows Celebration in Summerside. The market to-day was small, and prices were unchanged. LITTLE YORK Division of Sons of Temperance continues to flourish. JAMES A. MATHESON, Esq., member-elect for English, is in the city. We regret to learn that Mark Butcher, Esq., of this city is seriously ill. Mr. ALFRED BEAR has accepted a position with the Canadian Pacific Railway at Winnipeg. Dr. J. H. GUNN will (D.V.) preach at St. Andrew's, on Sunday, April 29th, at 11 o'clock, a. m., and at West St. Peter's at 3 p. m. A CORRESPONDENT at Cardigan states that John God, Esq., sold three fine cattle for \$100 at the Halifax market last week, aggregating \$3000. The barque "William Owen," Angus Macdonald, master, from Lisbon, arrived at the wharf yesterday, 23rd inst., passage of twenty-one days. Reports straits of Canso open to ice. An advertisement to-day the Odd Fellows announce the celebration of their Natal Day, to be held in Summerside on Thursday next. This is an excursion which we have no doubt will be largely patronized. NEARLY DROWNED.—Last week Mr. Wm. Jones's eldest little boy fell from the Saw Bridge into the river, and would have been drowned but for Mr. P. Froud who jumped in and saved the little fellow. THE IMPORTANT.—"The Cookery Class," are preparing the best flavoring extracts, candied peels, English cream of tartar, Howard's soda, etc., etc., at the Apothecaries Hall, DesBrisay's Corner. THE concert in Summerside under the auspices of the Oddfellows of P. E. Island, promises to be a grand success. Our Summerside friends are making preparations on a grand scale. Return tickets by P. E. I. Railway \$1.75 each. Rev. G. W. HOWE, President of the Southern Presbyterian Theological Seminary, died at Columbia, S. C., on the 17th, in his 82d year. He was one of the most eminent theologians in the Presbyterian Church, and the author of several religious works. He was by the Halifax Watchman that Benj. Jewell, Esq., Most Worthy Patriarch, of North America, will visit the Grand Division of Nova Scotia, on Tuesday next, May 1st. It is the intention of the M. W. P. to visit him at an early day. The total number of vessels going to the banks this season from Lunenburg is 67; they carry 423 boats, and 1052 men. The total value of the vessels is about \$321,000, and the value of the cargo about \$90,000. This is said to be a large increase over last year. In reference to the proper column, it will be seen that our young friend—Mr. McCourt of the "Patriot," has "joined the army of journalists." The happy bride is one of our town's fairest daughters. We wish every young couple every success in life. SPECIAL meeting of St. Lawrence and St. John's L.O.O.F., will be held this evening, at 8 o'clock, in St. Lawrence Lodge Room, for the purpose of making arrangements for the celebration of National Day. A full attendance of the members of both Lodges requested. Rev. J. BREWSTER, A. M., recently preached to very large congregations at Little York, Buckley Point Road, and Union Road, on behalf of the Educational Society of the Methodist Church of Canada. The sermons were eloquent, highly instructive, and were highly appreciated by the people. These weeks' special services have just terminated in the Covehead and Stanhope Methodist Churches; congregations were large each evening. Believers have been blessed and nearly a score of persons of all ages have professed to be converted. The Pastor, Rev. George Steel, and the friends of the cause were greatly cheered. Prof. EASTY'S first night Entertainment in the Rankin House, advertised for Thursday the 20th, will be given on Friday the 27th. This change has been made to merit the wishes of a number of the excursionists to the Natal Day Entertainment of the I. O. O. F. to be given in Summerside on Thursday, and at the Entertainment Prof. Easty has been invited to attend. The new steam tug, "Frank C. Batt," arrived this morning from Yarmouth in charge of Messrs. William and Frank C. Batt. She is a model of workmanship in every particular. She is handsomely finished, and is pronounced to be one of the handsomest and best tugs ever built in the Dominion. She will be engaged in towing in ports in Nova Scotia, New Brunswick, and the Island. The last mail brings HANSARD with Mr. Brecken's excellent off-hand speech in reply to the injurious and discreditable remarks of Mr. Davies respecting the trade of Prince Edward Island. Of course the ridiculous statements of Mr. Davies have no weight here. But it is well that people in other parts of Canada should see that they are not to pass unquestioned. Mr. Brecken's speech will appear in THE EXAMINER in the course of a few days. Mr. L. E. DAVIS, of Montreal, was shot near Milltown, N. B., on the 19th. He was returning in a carriage accompanied by Mr. Albee when he saw the flash of a pistol from a bushy thicket alongside the road and immediately afterwards Davis dropped the reins and exclaimed, "They have got me at last." He drove rapidly into town and summoned Dr. Williams. The wound is not dangerous. Friends of Davis disclose the fact that for some time he has been receiving letter threats of a character that reports derogatory to his name and friends attribute these attacks to the recent change of his religious faith.
