The crafts were much enjoyed and great progress was made.

Rev. G. C. Webster reported on the completion of the disposal of the Dundas property, the proceeds of which will be used for the purchase of property at Camp Keir. Mr. Webster was warmly thanked for his able and patient handling of this matter.

A committee consisting of Rev. G. C. Webster, Rev. F. N. Young, Rev. G. B. Cunningham and Mr. D. A. Reporting on "The Christian Outreach", Rev. T. H. B. Somers stated that his committee had made the allocations to each of the forty congregations, had written to office-bearers in each church suggesting the formation of congregational committees and the observance of "Outreach Sunday" but that it was too soon as yet to be able to report on the results.

Miss Mary MacKenzie, the Court was informed, has been re-appointed by the W.M.S. to serve at North Tryon until September, 1952. Appreciation was voiced of the splendid services given by this deaconess.

This programme has been carefully prepared by the Assembly's Committee on radio broadcasting and is being sponsored jointly by the Presbyteries of Pictou and Prince Edward Island.

The Rev. F. N. Young announced that the Budget Allocations for 1952 would be the same as for 1951. The Rev. T. H. B. Somers in presenting the treasurer's report stated that all Congregational Dues to the Presbytery for 1951 had now been paid.
