U.P.E.I. basketball

The 1974 - 75 basketball Panthers open their schedule with exhibition games against St. F. X. this Friday and Saturday in the Alumni Gym. Game time Friday is 8:00 p.m. while the game on Saturday begins at 2:00 p.m. These games should give an indication of what this year's team will be like. Although it has not yet been tested it is quite obvious that this year's team is much better than last year's "team". To complete the new look team there are new uniforms and a new manager to keep track of everything. Incidentally, you had better get there early as there is even less seating space this year due to the widening of the playing surface.
