O'Leary Maroons
In 2-2 Tie With
Alberton Regals

The O'Leary Maroons battled it
out with the Alberton Regals in
a very fierce game which ended
in a 2-2 tie in the O'Leary rink on
Wednesday night before a very
large crowd.
The Regals were minus their
regular goalie, Pearly Hardy, and
had to replace him with Fred
Millman. Millman was one of the
Regals star players and did a nice
job of netminding.
Neither team could play their
best because of the condition of
the ice. The ice was quite soft
due to the mild weather on Wed-
nesday.

Plan Watchman
Service For
S'ide Stores

At a meeting of the Retail
Merchants' Committee of the Sum-
merside Board of Trade held on
Friday evening, the idea of organ-
izing a watchman service for busi-
ness establishments in the Town
was approved and it was hoped
that such a service would be es-
tablished by private initiative.
The committee felt that private
initiative would shortly establish
such a service now that approval
had been given and it would not
be necessary for the committee to
undertake the responsibility of
setting up such a service.

Former Diving Star Now

TORONTO, Jan. 27 — (CP)—A
Calgary woman who won renown
for her exploits as a fancy diver
in the 1938 British Empire
Games in Australia now lives a
life of selfless devotion as a
nurse in a Solomon Islands leper
colony.
The former Marie Sharkey, 31,

with the dread disease that has
caused them to be banished to
their lonely retreat in the

S. and M. Juniors In
Victory Over Crystals

In one of the startling upsets of
the 1950-51 hockey season, the
Sheen & McInnis Juniors of Sum-
merside defeated the Summerside
Crystals Saturday night at Cry-
stals Rink by the convincing score
of 7 to 0.
A lot of the credit for the shut-
out must go to spare goalie De-
Lefurce, who was pressed into
service in place of the regular
goalie "Unk" Rogers, and gave
a surprisingly steady display of
net guarding. But all the Juniors
contributed to the upset, back-
checking like trojans and carry-
ing the play to their older op-
ponents at all times. Both teams
were short-handed, Plum Mac-
Donald, Leo Shields and Carl
Woodside being absent from the
Crystal line-up and the Juniors
playing without Ron McArthur,
Bobby Howatt and Ready of
Charlottetown.
