REBEL TROOPS THREATEN FRENCH... HANOI (AP)—Vietminh troops from Dien Bien Phu cut closer to the Red River delta today in a huge scissors movement aimed at slicing through French union defenses in northeastern Indo-China.

REBEL TROOPS THREATEN FRENCH... Pivoting from Phay Tho, 65 miles northwest of Hanoi, the Communist-led rebel columns pressed on despite pounding from tons of high explosive bombs dropped by French B-26s, Corsairs, Privateers and Helldivers.

APPEAL BEING HEARD IN HURON GROUNDING CASE... OTTAWA (CP)—The navy contended Monday that Lt. Cmdr. T. J. C. Thomas, officer of the vessel, had no idea of his ship's position when the Canadian destroyer Huron ran aground on a Korean island July 13, 1953.

REBEL TROOPS THREATEN FRENCH... TWO POSTS FALL... Two Viet Nam military posts fell to the rebels after Sunday night attacks, one near Son Tay, 35 miles northwest of Hanoi, and the other near Hai Phong, the big China sea port through which indispensable war supplies reach the French. The French are heavily reinforcing the Hai Phong area.

REBEL TROOPS THREATEN FRENCH... MAY ATTACK THIS MONTH... Some military observers believe the rebels may launch their all out attack on the delta region this month, despite the onset of the monsoon rains. But, in Saigon, Gen. Henri Navarre, outgoing French commander-in-chief in Indo-China, said reports of grave danger to the delta were "pure hysteria."

Boat Sighted Missing Craft

It was learned yesterday that the Tignish fishing boat with Capt. Gavin and John Gallant aboard which failed to return to port on Saturday morning by a number of fishing boats and a fisheries patrol vessel from Tignish Run and not by an airplane as previously reported.

Search and Rescue headquarters at Halifax had been alerted and a plane was warming up ready to take off when word was received that the missing boat with the crew safely aboard had been located.

Blames Shortage Of Reinforcements For Fort's Fall

SAIGON, Indo-China, (Reuters)—Gen. Henri Navarre, Monday night blamed a shortage of reinforcements from France for the fall of Dien Bien Phu. He also criticized native Viet Nam troops for lacking "the will to win."

The ousted commander-in-chief in Indo-China, awaiting the arrival of his successor, Gen. Paul H. H. Lyautey, said he could have saved the fortress, which fell May 7 after a 57-day siege, if he had received two divisions—about 20,000 men—by mid-February.

Navarre spoke at an informal meeting with newspaper men before his departure for France. He said he did not think the fall of Dien Bien Phu was nearly as important as the failure of his troops to clear the coast of southern Annam during an operation launched in January. He said this failure was due to Viet Nam troops who lacked patriotism and the will to win.

DANGER IN CENTRAL PART... Navarre said he does not think northern Indo-China right now is in as much danger as the central part, where the Communists are working up their strength.

Declares Whole Tariff Structure Of Canada Antiquated, Needs Overhauling

Text Of Brief Presented By Dairy Farmers

Mr. A. H. Hubley, of Summerside, president of the P.E.I. Dairy-men's Association, and P.E.I. director of the Dairy Farmers of Canada, last evening released the text of a brief recently submitted to the Hon. James Gardiner, Minister of Agriculture, by the Dairy Farmers of Canada.

A. H. Hubley

Mr. Hubley reported that there was a full attendance of directors at this meeting, with the exception of British Columbia, and that the delegation was well received by Mr. Gardiner.

Mr. Hubley last evening urged the dairy producers in this province to take note of the advertising campaign of the Dairy Farmers of Canada, that the promotion of greater sales of dairy products, and pointed out the urgent necessity of all producers to support the one cent a pound June sell-off which gives the financial support to this campaign which is being conducted in the interests of the dairy industry.

Following is the text of the brief submitted to Mr. Gardiner: "There is the same need for price supports on agricultural products today as when they were first introduced. Price supports for dairy products are essential to keep the prices of these products in a fair relationship with the rest of the Canadian economy."

It is the opinion of Dairy Farmers of Canada that price supports for butter have been reasonably satisfactory to most Canadians inasmuch as they have maintained stable prices to all producers and assured consumers of an adequate supply of butter at reasonable prices.

A. Y. P. A. Meeting In Kensington

Representatives from eight of the P. E. I. Deaneary A.Y.P.A. met in St. Marks hall, Kensington, on June 3rd for their annual meeting.

The president, Harry Shama, conducted the meeting which was opened with prayers by Canon Ibbott. The minutes of the last annual meeting were read by Elson Clapp (acting secretary) and the treasurer's report was presented by Clair Haslam.

Clayton Mill in his conference report gave a splendid resume of the 1953 Labor Day week-end conference held in Crapaud and urged that an even greater number of young people endeavor to attend this year. Mr. Mill also reported on the diocesan council conference which was held in Windsor, and hoped that many of the members could be present at the meetings to be held this year in July.

The Bible reading fellowship report given by Clarence Ramsay was very encouraging, and it is hoped that many more will adopt this daily Bible reading program. Mammie Mill in reporting for the Sunday school by post and air, asked each group to contribute generously to the support of this worthy project.

Beatrice Cameron was happy to report that the St. Peter's A.Y.P.A. won top honors in the Drama Festival with their play, but regretted that no other entries from A.Y.P.A. groups had been received. The following branch presidents then gave their reports: Roy Newcombe, St. James, Port Hill; Peggy Preston, in the absence of the president, St. Mary's, Summerside; Mrs. Clair Haslam, St. Elizabeth's, Springfield, and St. Mark's, Kensington; Everett Johnston, St. John's, Milton; Roma Korrey, St. Peter's, Charlottetown; William Ives, St. Paul's, Charlottetown.

Following those reports, Mr. Shama gave his report which showed that the different associations have made progress, and that the work of the local council is advancing steadily.

Rev. Mr. Pierce, deaneary organizer, after welcoming all members to the meeting, gave a very interesting and instructive talk concerning the duties of the A.Y.P.A. to its church, emphasizing the difference between "just belonging to A.Y.P.A." and "being an active member of it."

Representatives for the conference committee were appointed, and the new slate of officers is as follows: Patron, Bishop Waterman; honorary president, Canon Ibbott and Dr. Jekis; chaplain, Rev. G. R. F. Esary; deaneary organizer, Rev. Mr. Percy, Milton; president, Eleanor Clapp, Charlottetown; vice-president, Clarence Ramsay, Port Hill; secretary, Horace Coles, Milton; treasurer, Clair Haslam, Springfield; publicity secretary, Doreen Dennis, Port Hill; Sunday School by post and air, Mammie Mill, Kensington; drama festival convener, Arthur MacLean, Charlottetown; wider horizons, Edgar Dennis, Port Hill; Bible reading fellowship, Clarence Ramsay, Port Hill; conference convener, Clayton Mill, Kensington.

A vote of thanks was extended to St. Mark's A.Y.P.A. for their wonderful lunch, served during intermission, and this was responded to by Mrs. Clair Haslam. A list of new resolutions were brought in and discussed, and a list of duties was given to the local council members.

As concrete evidence, the A.Y.P.A. is producing results, the meeting was glad to hear that two members, Miss Cerda Hansen and Miss Elsie Hickox have volunteered to go to the mission field. Canon Ibbott brought in a resolution that best wishes be sent to Archdeacon and Mrs. Harrison on their forty-first wedding anniversary.

Maritime Strawberry Growers Open Annual Meeting At Summerside

About 50 persons from various parts of the Maritime attended the opening session of the annual meeting of the Maritime Strawberry Growers which opened at Summerside last evening.

Mr. Russell Hunter, of Summerside, president of the association, presided and a dinner banquet was addressed by Hon. C. C. Baker, Minister of Agriculture, who welcomed the delegates and touched briefly on the industry with which they are concerned, stating that in Prince Edward Island more than 700,000 quarts of strawberries were produced last year.

Of this number over 200,000 quarts were sold as fresh fruit, while the balance was either processed or quick-frozen, and he referred to the use of berry growers are making of the cold storage facilities at Charlottetown.

Mr. Stewart Wright, Deputy Minister of Agriculture, also addressed the meeting and introduced Mr. Winston Smith, provincial horticulturist, who will be accompanying the delegates today on a tour of the Experimental Farm at Charlottetown.

The group will return to Summerside this afternoon to complete the balance of the business that will be dealt with by the association.

Doctor Favors Health Plans

VANCOUVER, (CP)—Rapid growth of prepaid health plans is the best answer to proposals for a government-sponsored state insurance scheme, Dr. E. C. McCoy of Vancouver, president of Trans-Canada Medical Plans said Monday on the eve of a three-day conference of TCMP directors.

TCMP is a group of 10 prepaid medical care plans extending into all provinces and is sponsored by the Canadian Medical Association. More than 2,000,000 Canadians pay regular monthly premiums by payroll deductions against future doctor bills and more than 12,000 doctors participate, Dr. McCoy said.

"An excess of 5,500,000 Canadians now are covered by various voluntary hospital and medical care plans," he continued. "In addition to the TCMP plans which restrict themselves to the doctor-patient relationship, there are several hospital and medical care plans provided by insurance companies and organizations such as Blue Cross."

Dr. McCoy said the percentage of the total population which had taken hospital insurance exceeded 43 per cent, while over 27 per cent had surgical benefits and more than 20 per cent had medical benefits. These percentages were increasing each month.

Dr. McCoy felt that high wage rates, full employment and the desire of most Canadians to stand on their own feet, was making voluntary prepaid health care an outstanding success.

After the meeting closed with benediction.
