Private McCarthy goes to Souris this afternoon. He has seen a good many of the parents and other relatives of the Island boys in South Africa since coming to Charlottetown. Private Way came in from Hunter River by the late train last night and is the guest of his brother-in-law, Mr. Geo. Muggford. There was a great crowd at the station to see Way, but he slipped out quietly and only a few saw him until he reached the street where he was loudly cheered. He was also cheered several times as he passed along the streets.
