WEDDING INVITATIONS

It is unnecessary to acknowledge a wedding announcement, and many persons make no response to a wedding reception invitation. It is customary with others to send a regret in case they cannot be present, the same as for any reception. It is certainly quite correct, however, to send acceptance or regret, if one will, and certainly more punctilious.

ENDORSES DR. ROSE.

A Quebec Physician who Corroborates Dr. Rose's Opinion.

PORTLAND, Dec. 3.—The letter of Dr. A G. McCormick, of Richmond, Que., testifying to his complete and permanent cure from Bright's Disease by Dodd's Kidney Pills, has been read with much interest here, supporting as it does the recent letter of Dr. E. A. Rose, of this place, who was cured of Diabetes by the use of these pills. Of course no further corroboration of the curative qualities of Dodd's Kidney Pills was required other than the testimony of Dr. Rose, but it is a satisfaction to know that other medical men are able to join the Dr. in testifying to the worth of the pills from personal trial.

Pentweazel—I believe in useful presents, my dear.

Mrs. Pentweazel Well, I hate a man who buys you something he'd have to give you, anyhow, and then calls it a Christmas present.

"Let's get married on Christmas, darling," said the impetuous young lover, after Miss Fosdick had said yes.

"No, Indeed!" said the far-sighted young girl. "I'd lose one set of presents."

No one need pity you if you die of consumption, without having tried Miller's Emulsion of Cod Liver Oil, "the kind that cures" coughs, colds, bronchitis and all pulmonary diseases Every bottle warranted. No oily taste like others. In big bottles, 50c. and $1.00, at druggists.

His clothes were much the worse for wear, and he had a hungry (and especially thirsty) look in his eye as he approached a gentleman who was on the point of entering his clubhouse.

"Excuse me, sir," he said, "but could you help me to get something to eat? I haven't had anything for three days."

"Do you live in New York?"

"Yes, sir. I have lived here all my life."

"Ah, poor man! I don't see how I can help you, then. If you had been a non-resident, I could have asked you to dine with me at the club."—Life.

I am not sure I ever told you what a safe and excellent, as well as palatable cure for Coughs, Colds, Consumption and all Wasting Diseases is made in Halifax, Nova Scotia. If not, let me now say that there is no other Remedy quite as good for these ailments as PUTTNER'S EMULSION. I need not enlarge—a word to the wise is sufficient—remember it is PUTTNER'S EMULSION—for sale in your town by all the first-class Druggists, in large eight ounce bottles for 50c.

Gargoyle—What are you going to give your wife for a Christmas present?

Granders—I thought I would give her permission to go home and overstay my days with her mother. She'll spend the holidays there anyhow.

Nervous debility, general debility, then consumption; step by step, that's the way they go. Take a course of Hawker's nerve and stomach tonic, the greatest nerve and brain invigorator, blood builder, appetizer and digestive aid ever discovered, ere you, too, reach the final step.

Marguerite—I hear you are to be married on the 25th of December?

Carols (with a blush)—Yes.

Marguerite—Then let me wish you a merry Christmas.

Neuralgia and toothache are speedily relieved by a free application of Dr. Manning's german remedy, the universal pain cure.

Penelope (of Boston)—I found a stick of peppermint candy in my stocking christmas morning.

Marian (of New York)—It must have been a tight fit.

Do not trifle with a cough, Hawker's balsam will quickly cure it.

"What would you like for a Christmas gift?" asked Skidds of his best girl.

"Are engagement rings very expensive?" she replied shyly.

Piles are speedily cured by Hawker's pile cure.

Mrs. Brown—It always makes me feel sad to read those stories about how the poor tramp is reminded of the innocent days of his childhood by the Christmas festivities he sees around him.

Brown—That's all nonsense, my dear. In the winter all the tramps are in the work-house.

Testing His Honesty.

Your druggist is honest if when you ask him for a bottle of Scott's Emulsion he gives you just what you ask for. He knows this is the best form in which to take Cod Liver Oil.

"Mary," said Mr. Wilkins to his cook, you have been a good and faithful servant to me, and I intend you shall be rewarded now that Christmas has come. You may use the telephone for ten minutes every Saturday afternoon during the holidays."

How to Get a Sunlight Picture.

Send 25 "Sunlight soap wrappers (wrappers bearing the words "why does a woman look old sooner than a man") to Lever Bros., Ltd., 43 Scott St., Toronto, and you will receive by post a pretty picture free from advertising, and well worth framing. This is an easy way to decorate your home. The soap is the best in the market and it will only cost 1 c. postage to send in the wrappers, if you leave the ends open. Write your address carefully.

The nations of the world are always borrowing. Just now Russia is placing a loan of 15 million pounds sterling, France one of 40 millions and China will need 50 millions or more to satisfy Japan. Here we have one hundred million pounds to be provided by the investing public of Europe within the next few months. Canada was wise in getting on the market with her little loan of 2½ millions ahead of the more hungry borrowers.

For Over Fifty Years.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winsloe's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays the pain, cures the colic, and is the best remedy for Diarrhœa. Is pleasnt to the taste. Sold by Druggists in every part of the world. "MAKE HENS LAY."

Such is the caption of an advertisemen that appears not only in the local, but many leading agricultural papers, and which suggests the propriety of a few thoughts upon the subject. It may be laid down as a rule that most people indulge in raising poultry not for the pleasure it gives, but for the profit that is realized from the same, which must come from young chicks or eggs, and since the chicks must come from the eggs, the real profit may be traced to egg production, so the advice given in these words is of vital consequence to the poultry raisers. "The advertisement referred to recommends Sheridan's Condition Powder to make make hens lay, and so do we," says Mr. A. F. Hunter, poultry editor of Farm-Poultry. A hen to lay prolifically must be in perfect health, must be in condition, and here is based the true theory of the value of Sheridan's Condition Powder—it promotes the general good health of the fowl, gently quickening digestion, and stimulating all the various organs of the body as well as the ovaries, to perform their functions." At this season of the year the use of Sheridan's Condition Powder is very valuable for laying hens and young pullets. By its use now they will get to laying earlier when the price for eggs is very high. I. S. Johnson & Co., Boston, Mass., the only makers of Sheridan's Powder, will send for 50 cents two 25 cent packs, five packs for $1.00; or for $1.20 one large two pound can of Powder, postpaid; six cans $5.00, express prepaid. Sample copy of the best poultry magazine free.

"Do you think Charlie loves me mamma?" asked the fair young girl anxiously. "Certainly he does. Haven't you noticed that he always wears the gloves you bought him for a Christmas present, though they are two sizes too large?"

COD LIVER OIL has long been known to the Medical Profession as perhaps the *best single remedy* for CONSUMPTION and other Wasting Diseases—but most sick or ailing people have an unconquerable aversion to it, *in its crude state.*

The Hypophosphites of Lime and Soda are only second to COD LIVER OIL in their curative effects in the above complaints. In PUTTNER'S EMULSION the Oil, while retaining all its medical virtues, is completely disguised both from eye and palate, so as to be agreeable to the most delicate stomach, while its curative effect is enhanced *one hundred per cent.* by its scientific association with the salts of Phosphorus.
