Even when dried indoors... EVEN WITHOUT RINSING

Surf gives you Sweeter Washes

...whiter, brighter to look at! ...fresh-air-sweet to smell!

Surf contains an amazing detergent which removes not only every trace of soil and grease, but all "dirty clothes" odor, too! Your wash is so deep-down clean it's actually sweeter-smelling!

Your Surf-clean wash is perfection! Your eyes can tell how white and bright it looks. Your nose will report a sunshiny fresh-air sweetness—even when you've had to dry the clothes indoors.

What's more, you don't even have to rinse your clothes to get this cleaner, sweeter wash. Surf has the magic power of grabbing and holding the dirt in the wash water, so when you wring out the water you wring the dirt out with it.

When you don't rinse your Surf-clean wash, its astonishing purifying ingredient goes right on working in your clothes. (If you do want to rinse, add a little Surf to your rinse-water.)

All the Surf your grocer now has in his store is "no-rinse" Surf... specially developed—to save you hours of work and dollars in hot water and fuel bills.

Use Surf for EVERYTHING

Surf makes mountains of rich, long-lasting suds... suds that do 3 times the work of ordinary soaps in hardest water... suds that are powerful enough for your grimeiest clothes yet safe, gentle for sheer lingerie... and easy on your hands.

So, try Surf next washday. See the difference between your Surf-clean wash and the washes you've had before.

"ORDINARY" CLEAN

Though you may think your wash is perfectly clean, a faint "musty" odor often betrays the presence of dirt, grease or suds. Rinsing won't get rid of this... but Surf does.

SURF CLEAN

Even without rinsing, Surf removes every last trace of dirt, grease and suds... every trace of odor, too! That's why it gets your clothes so white, so bright... so sweet!

If it's Surf-clean, it's really clean... EVEN WITHOUT RINSING
