STALLION 'ALL RIGHT'

WILL stand for the season of 1886 in the following places:—Charlottetown, New Glasgow, Cavendish, Clifton and Summerside.

IMPORTANT NOTICE.

THE stallion "BLACK PILOT" can be found at the owner's stable, North River, until the opening of navigation, when he will start for Kentville, N. S., where he intends to make the season of 1886.

Parties on the island, desiring the service of the fastest trotting stallion in the Maritime Provinces, would do well to come early and raise valuable colts. As you are all aware, Black Pilot, being a green colt, entered the trotting circuit last autumn, starting in five different races, winning first money in four, and making for himself a record of 2.33 on a half-mile track.

GEORGE A. DOCKENDORFF, North River, P. E. I., March 25—wky

To the Farmers of Prince Edward Island:

THE Subscriber begs to announce to the Farmers of P. E. Island that he is prepared to supply them with a new and greatly improved WHEEL HARROW, which he warrants to be superior to any implement of the kind in the Dominion of Canada.

The great advantage of this Harrow over anything else of its kind, consists in the axles being completely protected from the dust and earth, thereby greatly lessening the wear and lightening the draft. The Harrow has been pronounced by the best judges to be the best yet introduced to the farmers of this Province.

Patented 1st August, 1885. Has already been awarded first prize at our Local Exhibition.

For further particulars apply to D. McKenzie, Agent, Charlottetown, or to W. A. MARTIN, Milton, Lot 61, Patentee.
