Henry Traded To Chicago In Big Seven Player Deal

By BEN OLAN

NEW YORK (AP)—Chicago Black Hawks took a giant step toward their first regular season championship Thursday by obtaining high-scoring Camille Henry from New York Rangers in a seven-player National Hockey League trade.

The Hawks, currently tied for first place with Montreal Canadiens, also acquired Ranger farmhands Don Johns, a defenceman, and Billy Taylor, a centre, plus a player to be named later.

The fifth-place Rangers, all but mathematically eliminated from playoff contention, received in return left wingers Doug Robinson and John Brennan and defenceman Wayne Hillman.

"We've strengthened our chances of finishing first," Billy Reay, the Chicago coach, said enthusiastically. "Henry will help us a lot and we're certainly very happy that he was expendable."

LEADS RANGER SCORERS Henry, 32, is a slight, 150-pounder who is injury prone. However, he was the most productive New York scorer this season with 21 goals and his career total of nine-plus campaigns is 248 goals, eighth highest among active NHL players.

The transaction gives the Black Hawks, who finished a close second in each of the last two seasons, another outstanding scoring threat to go with Bobby Hull and Stan Mikita.

Callaghan Rink Wins Bonspiel

BATHURST, N.B. (CP)—Mrs. Vince J. Callaghan's Bathurst rink, without any change in personnel, is back in the Dominion Diamond D bonspiel this year after a playoff victory Thursday in the three-day Provincial Silver D competition.

The Callaghan foursome won the berth in the national championships at Halifax later this month with a 10-4 victory over Mrs. Mabel Deware's Moncton crew in an extra game.

The winning rink, New Brunswick champion last year, and the Deware team, Dominion Diamond D winners in 1963, finished the single round robin play with 4-1 records, forcing the extra match.

Mrs. Callaghan skipped her curriers to a five-point lead after two ends and never looked back.

Personnel of the winning rink, besides the skip, are Mrs. N. Orser, mate; Mrs. A. E. Pilon, second and Mrs. J. S. Lenihan, lead. All are from Bathurst.
