THE GREAT FIGHT

Sullivan the Victor.

SEVENTY-FIVE ROUNDS FOUGHT.

The Combatants Arrested.

NEW ORLEANS, July 8. The Sullivan-Kilrain fight came off this morning at Richburg, Miss., one hundred and five miles distant from New Orleans. The fight was for \$10,000 a side (\$20,000 in all) and the diamond-studded gold champion's belt, which is worth about \$1,500. It lasted two hours and eighteen minutes. Sullivan won in the seventy-fifth round. Neither of the combatants was seriously injured, although Kilrain is very weak. Kilrain won the first fall and first blood. Sullivan won the first knock down. Both men were arrested after the fight by the sheriff.

Sullivan, the victor, is probably the most famous pugilist that ever lived. He was born in Boston Highlands about thirty years ago. He began his fistic career in Boston where he was known as "the strong boy of the Highlands." His first great battle was with Paddy Ryan at Mississippi City on the 9th February, 1882. The contest was for the championship and \$2,500 a side. Ryan was defeated in the ninth round. After this battle Sullivan travelled about the country knocking out nearly every one who had the courage to stand up before him. A couple of years ago he broke his arm in a fight with Patsy Cardiff, and while suffering from the effects of the injury, he was challenged to fight for the championship. Sullivan was obliged to decline the challenge, and Kilrain assumed the title of "Champion of America," but his claim to it was, under the circumstances, not generally acknowledged. The result of Sullivan's fight with Mitchell is well known. Last fall he was prostrated with sickness and for a time was at death's door. However, he recovered with careful nursing, and went into training for his fight with Kilrain, whom he invariably referred to as "the fake champion," with the result stated above.

Kilrain was born in Baltimore, Md. about 35 years ago. He began his sporting career as an amateur oarsman in the waters of Boston, and attained some celebrity as a sculler. His first fistic encounter was with George Godfrey, whom he defeated. His next opponent was Jim Goode, a famous English boxer, with whom he fought a draw. He also fought a draw with Charley Mitchell in Boston, a draw with Mike Cleary in New York, and the police stopped an encounter he had with Jack Burke. He afterwards successively defeated Sheriff, "The Prussian," Frank Heald, Denny Kelleher, Jack Ashton and Joe Lannon. He once met Sullivan in a four-round contest, and the latter's friends say he was defeated. He also fought a draw with Jim Smith.

The fight was conducted according to what is known as "the latest rules of the London prize ring." These rules require that a roped inclosure, technically known as "the ring," shall be pitched on turf, that the men shall fight with bare fists, that they shall be naked from the waist up, that no blow shall be struck below "the belt" encircling the waist, and that tripping and wrestling is permitted, but neither antagonist shall take hold of the other below the line of the belt. Each round lasts until one of the contestants is knocked down or is thrown to the ground, or both fall together in a clinch. In that event they are given a rest of 30 seconds, and at the end of them "time" is called and the man failing to respond to it at the expiration of eight seconds is adjudged the loser by the referee. There is no appeal from the referee's decision.

A good deal of money changed hands over the result.

Some Important Changes. ST. JOHN, N. B., July 8. Some important changes have been decided on in connection with the Public Works Department in the Maritime Provinces. H. A. Gray, who came here from Ottawa a little over a year ago as engineer in charge, has been recalled, as his office has been abolished. All payments hereafter will be made direct from Ottawa, and in consequence the clerking staff here, consisting of three men, have been dispensed with. John C. Allison, G. A. Brown, J. B. Hegan and E. G. Milledge, assistant engineers, will take charge of the four Maritime Province sub-districts. Joseph Ewing is continued as paymaster for the Maritime Provinces. The reason assigned for these changes is that the whole service will then be directly managed from Ottawa.

Accepted the Position. MONCTON, July 8. Miss Graves has accepted the position of Principal of the Ladies Seminary at Wolfville, offered her by the Governors of Acadia College, after the resignation of Miss Wadsworth in June last. Miss Graves, after filling this position for about seven years resigned on account of ill health. The three years past have been spent chiefly in travelling and study in the Old Country. By cablegram to Dr. Saunders, from Berlin, she accepts the offer to return to the place in which she had much success, and in which she gained great popularity.

The Trouble in Egypt. CAIRO, July 8. Word has been received from Woodhouse, commander of the Egyptian troops. He has sighted the dervishes moving northwards, 5,000 strong, with 300 camels. Col. Woodhouse says his force is not strong enough to make another attack on them. He is following them with all available troops in steamers. He advises the collection of a strong force at Assuan to cooperate with him.

News from Ottawa.

OTTAWA, July 8. A very stringent order in council has been issued under which the free issue of stationary to Civil Service clerks has been stopped. It is also stated that steps to stop the franking of private letters are being taken in all the departments.

Customs officials have made a raid upon farmers at Wolf Island and seized a number of Jersey cattle which were brought across on the ice from the United States during the last winter.

The Government have appointed Wm. Gunn, of Walkerton, Ont., and W. G. McLeod, of New Haven, Nova Scotia, to proceed to Scotland to examine the manner in which the business of catching and curing herring is carried on in that country.

Burke's Case.

OTTAWA, July 8. It is stated to-day that unless more than mere circumstantial evidence is adduced against Burke, held in custody at Winnipeg on the charge of murdering Dr. Cronin, the Minister of Justice will refuse to grant a warrant for his extradition. It is understood the Department will positively refuse to allow the prisoner to be taken out of Canada unless the charge of murder, or complicity in murder, is clearly proven.

On the Move.

VIENNA, July 8. It is reported that 50 Russian officers have passed Braila, Roumania, on their way to Servia. There are also rumors that the Russian Government have been sending materials of war and pontoons to Rani, in Bessarabia, and to the mouth of the Danube.

Hon. Mr. Norquay's Remains.

Weather Bulletin.

TORONTO, July 9.-10 a. m. Moderate winds, fine, stationary or high temperature.

MOONLIGHT EXCURSION.—The firemen's moonlight excursion in the St. Lawrence last night was well attended, notwithstanding the unfavorable weather. It is said that there were between three and four hundred persons on board. The steamer left the wharf at 8.30 o'clock and returned at 12. The three and-a-half hours afloat were passed very pleasantly. The Artillery Brigade Band and Worth's String Band furnished excellent music, and dancing and other amusements were indulged in. The refreshment tables were well patronized. Messrs. Murphy and McQuillan, the committee of management, deserve every credit for the successful manner in which they managed the affair.

METHODIST PICNIC.—The Methodist Sunday School has invariably had a fine day for holding its annual picnic, and although we have had nearly a week of dull weather, we may expect it to be fine to-morrow. Already the clouds are breaking and the prospects are favorable. Trains with children and friends will leave the station at 10.45. All sorts of amusements and refreshments on the grounds, and a substantial tea as well. At 10 o'clock the children, accompanied by St. Peter's Boys' Band, will parade from the Brick Church. Come and participate in the pleasure, and add to the enjoyment of the little ones.

HURT BY A COW.—Abram Doolan, who lives on Mount Edward Road, tried to tell the age of a cow on sale at Market Square this forenoon, by examining her teeth. The cow evidently did not like the proceeding, and lowering her head caught Mr. Doolan in the left thigh with her horn, inflicting a wound some two or three inches in length by about two in depth. The wound bled profusely, and the injured man had to be taken to the Charlottetown Hospital, where he received the necessary medical attendance. He will likely be removed to his home this evening.

SHOOTING COMPETITIONS.—The members of No. 2 Battery, G. A., shot for Lieutenant L. E. Prowse's silver medal yesterday. The weather was disagreeable throughout, and the weather was, therefore, not so good as it would otherwise have been. The medal was won by Gunner Heber Ramsay. He was closely followed by Sergeant Art. Alley. No. 1 Company, 82nd Battalion, also met and shot for a medal the same day.

BROKEN AT THE ANKLE.—A heavy sloop, being built for the city, accidently upset in this forenoon, falling upon the leg of Mr. H. B. Smith, of the Dominion House, who was standing by, and breaking the limb at the ankle. Drs. Jenkins and Kelly were called in and set the injured limb.

LAWYERS TENNIS.—A meeting of the lady members of the Charlottetown Lawn Tennis Club will be held to-morrow evening at 8 o'clock, in the parlour of the Y. M. C. A. A full attendance is specially requested.

THE BUSTLE GOING.—A New York paper says that two of every three women that one meets in the streets no longer wear bustles.

I. O. O. F.—Wildy Lodge, No. 27, meets to-night at 8 o'clock sharp. Conferring Third Degree. Visitors welcome.

RASPBERRIES.—Wild raspberries are ripe. There will be but few cherries this year.

The auction sale of the balance of the Lorne Hotel Furniture, on Thursday next, July 11th, at 11 o'clock, will take place in the Market Hall, in order to better accommodate ladies and gentlemen attending the sale.

Remember the large sale of Furniture, in Bedroom Sets, Blankets, Pillows, Linen and Cotton Goods, Silver Plated Ware, etc., from the Lorne Hotel, in the Market Hall, next Thursday, July 11th, at 11 o'clock, all of which must be sold without reserve.—A. McNeill, Auctioneer.
