ROGER O'MALLEY at the Market Hall to-night.

THE Northern Light left Georgetown for Pictou this morning at half past eight. No crossing at the Capes.

TO CORRESPONDENTS.—"Vulcan," on the "Fire Department Muddle," crowded out: will appear to-morrow.

THE inhabitants of Peters Road West, (Lot 63) have decided to call their settlement "Glen William"—in honor of the first settler.

MOSES—the great Hebrew Statesman, Legislator and Poet, is the subject of a lecture to be delivered by the Rev. Geo. W. Hodgson, on Tuesday the 17th inst. in behalf of the Poor Fund of the Woman's Benevolent Society.

WE regret that some of our friends are troubled with anonymous letters; but we cannot do anything for them unless they let us know their names in confidence. A sword used in the dark may hurt those whom it is intended to assist.

SARAH WALKER at the Market Hall to-night.

NEW BRUNSWICK WHEAT.—The Chignecto Post says that Julius L. Inches, Esq., the Secretary for Agriculture estimates that the farmers of New Brunswick raised last year 750,000 bushels of wheat—about half enough to meet the bread demands of the people.

WITNESS the Grand Perihelia of 1880! The entire Galaxy of Billiardistic Luminaries now in conjunction and playing at the "North Star!" The cheapest Billiards ever offered. Only 12cts. for a straight game of 50 points, day or night.

A BONE SPAIN ON A VALUABLE HORSE.—Blistered, fired, rowelled, and did everything without any benefit. A neighbor advised me to try Giles' Liniment. I bought a quart bottle. To my intense satisfaction, the bony deposit disappeared, also the lameness. H. B. Edwards, Park Hotel, Oceanport N. J. Send to Dr. Giles, 120 West Broadway, N. Y., for pamphlet containing full information. Giles' Pills cure rheumatism. Trial bottles 25 cents.

A FEW days since the editor of the Ottawa Free Press abruptly severed his connection with that journal. The Ottawa Herald says: "Mr. H. J. Bronskill, for several years business agent of the Ottawa Free Press, is about to sever his connection with that institution. Mr. Bronskill has proved himself one of the most successful men in his line of business in the province, and the Montreal Gazette, which has secured his services, will have reason to feel satisfied with the acquisition to its staff. We understand that Messrs. Preston and Fox, reporters of the Free Press, also contemplate deserting that journal as soon as convenient."

QUINETTE CLUB at the Market Hall to-night.

THERE is no need of calling "Police," for they are already here, and have ocular cognizance of the appalling Quinquagesimal Saturnalia among the Mollusks at the "North Star." Gigantic fall in the price of Oysters, Rawns, 16cts; Stews, 10cts., and Millions on the half shell—only 10cts. a doz. Don't forget this Leviathan Bonanza of festivity.

Read and Learn for Yourself.

Many valuable discoveries and much useful knowledge is kept from the world, because of the immense expense in making them known to the people. This is not the case with Boschees German Syrup, although but a few years introduced into this country, its sale now reaches in every town and village in the U. S. Its wonderful success in curing Consumption, severe Coughs, Pneumonia, Asthma, and all other diseases of the throat and lungs, was first made known by distributing every year, for three years, over 400,000 bottles to the afflicted, free of charge, by Druggists. No such test of merit was ever given before to any other preparation. Could you ask more? Go to your druggist and get a bottle for 75 cents and try it. Sample bottles 10 cents.

LORNE HIGHLAND WHISKY. THE ANALYTICAL SANITARY INSTITUTION, 54, Holborn-viaduct, E. C., London, Aug. 18, 1879, report on the "Lorne Highland Whisky" of Messrs. Greenlees Brothers:—

"We have visited the bottling stores of Messrs. Greenlees Brothers, at Gresham-buildings, London, and have selected from the vats, samples of their Lorne Highland Whisky, and have subjected them to careful examination and analysis. The samples were pale, showing their freedom from added coloring matter, very fragrant, mellow and of pleasant flavor; in fact, they possessed all the characteristics of pure and well-matured Scotch Whiskey of the first quality."
