THIS IS SPORT?

This is really living dangerously. Riding sidecar in a motorcycle race is no way to keep insurance companies happy. Here a sidecar rider supplies the balance for the bike as the driver leans the machine into a bend at over 104 miles per hour. This shot was taken at Mosport, Ont., North America's foremost racing track where the curves and corners require the passenger to skim the ground with the body in a crowd-thrilling event, new to this continent.

Race Horse Goes To Lucky Patron

Another race patron will become a horse owner tonight at Summerside Raceway.

For the second week in a row, Summerside Raceway promoters are giving the door prize winner a horse as a gift. The horse is Little Bum Tide, an 11-year-old gelding with lifetime earnings of $8,144. Last year he made $1,304.

Little Bum Tide is by Baron Tide, dam Sue Handy. His mark is 2.07 and he was given The Prince County Horsemen's Club by Summerside resident D. Alex MacDonald.

This should attract a large crowd of spectators and these who go tonight will see a fine harness racing card. It's another nine-dash menu and the classifier appears to have worked overtime to make the evening most interesting.

Feature attraction will be the fast class with Mary Leah, Princess Spangler, Simon's Magic, and Cathy's Girl. Any one of this quartet has the abilities to head the parade.

All other classes are well filled and some really handsome pari-mutuel pays can be expected.

The entire show is one of the brightest of Summerside Raceway's season.

Action begins at 8 o'clock.

Stars Need Big Victory

Rovers and Stars renew their baseball feud this evening at Memorial Field.

The City Baseball League championship is at stake and Rovers could take it all with a decision over Stars tonight. Rovers own two victories and Stars one in this best-of-five series. One game ended in a tie.

Players on both teams are urged to be ready to get this evening's action going promptly at 5.30 so as to get the game going no later than 5.45.

Mary Lea Is Leading Rifle Shot

Competing against a field of some 14 of the Island's top rifle shot, the former city school teacher, Lt. Mary MacLennan Lea of Murray Harbor, last Saturday captured top honors in the annual "Prize-In-Kind" match conducted at Squaw Point ranges by the Provincial Rifle Association.

Firing over three ranges, Mary registered 46 out of 50 at 200 yards, 47 at 500 and a 44 at 600, to lead her closest competitor, Cdt. Ronnie Clark of Winsloe by five points.

Her aggregate score was 137 of a possible 150, Clark had 132, also registering 132, but with poorer scores at the long range, were: Sgt. Perc Landrigan and Capt. Roy McCabe, both of Charlottetown.

The next event will be the regular weekly prize shoot starting at 1 p.m. next Saturday.

Following are the leaders in last week's match:

Lt. Mary Lea	137
Cdt. R.L. Clark	132
Sgt. P.J. Landrigan	132
Capt. R.A. McCabe	132
Tpr. E.F. Jones	131

FIN LEAD N Y STOCKS

NEW YORK (AP)—The stock market flirted with another new high Tuesday but failed to hold its best gains to the end and presented a mixed picture.

Although all the popular market averages were up, a few more stocks declined than advanced.

It was a busy and confusing day, with spurts of heavy trading and some out-size blocks traded.

Volume increased to 4,960,000 shares from Monday's 4,740,000.

The Dow Jones industrial average rose 1.67 to 740.13, just below last November's historic closing high of 740.34.

The gain in the average was due to selective advances by pivotal blue chips. Sharp profit taking affected some of the recent high flyers. Polaroid fell 7⅞, U.S. Smelting 4⅜ and Control Data 3.

The Associated Press average of 60 stocks made a minimal advance of .1 at 280.4.

Most active stock was Chrysler, touching another high and closed with a net gain of 2⅛ at 76¼ on 135,300 shares. Studebaker lost ¼ at 8⅜ on 92,300 shares.

Among Canadian issues traded, Aluminium Ltd. and McIntyre Porcupine gained ¼. Canadian Pacific ¼, and Distillers Seagrams ⅞. Dome Mines lost ⅞ and International Nickel ⅜.

Prices on the American Exchange were irregularly lower.

Brazilian Traction and Scurry Rainbow Oil fell ¼ and Canadian Javelin ¼. Molybdenite gained 1-16.
