IN MEMORIAM

MRS. FRED G. KELLY

Fortified by the Last Sacraments of Holy Mother Church, Mrs. Fred G. Kelly died May 14th at the Charlottetown Hospital to the great sorrow of her relatives and friends. Mrs. Kelly, the former Aline Landrigan, daughter of the late David and Mrs. Landrigan, was born at Covehead, P. E. I. in 1884. She moved to New Hampshire, U.S.A. with her parents when in her teens but on her marriage returned to Prince Edward Island to live, and spent most of the ensuing years as a resident of Holy Redeemer Parish, Charlottetown.

There, where a neighborly spirit abounded, Mrs. Kelly was noted for her helpful kindness and in many homes she will be remembered as an Angel of Mercy in times of affliction. With her remarkable home-making talents, her intelligent interest in outside affairs, her well-balanced outlook on life, her high ideals and religious principles, she was a wise counsellor to those who sought her advice, the ever-gracious hostess to guests and the model mistress of a happy Christian home. In her chosen career of a loving, devoted wife and mother she prepared for the eternal happiness of her heavenly home.

Her smiling acceptance of her last illness was an answer to her oft-repeated prayer that she would receive with resignation whatever form of death God destined for her. Her brave smile was, too, a token of her usual thoughtful unselfishness, for she did not want to trouble her loved ones. She was most grateful for the care and attentions of her doctors and nurses and for the affectionate kindnesses of her husband and family who were with her constantly in her last days.

Besides her bereaved husband she leaves to mourn two sons, Russell and Gordon of Summerside, and two daughters, Grace and Frances (Mrs. Jack Duffy) of Charlottetown; seven loved grandchildren; also one brother, James Landrigan, Sacred Heart Home, Charlottetown, and two sisters, Mrs. John T. Oullen, Hope River, and Mrs. Wm. McNamara, Haverhill, Mass.

Her funeral service was at Holy Redeemer Church on May 16th where Requiem Mass was sung by Rev. E. Doyle, C.S.R. The pallbearers were: Messrs. Harry Hughes, Louis Hynes, James Duffy, Edward Gallant, Walter Reid, and Arthur Grant. Interment was in the Roman Catholic Cemetery, Charlottetown. Many nieces and nephews were in the funeral cortege, paying last respects to their beloved Aunt Aline.

While cherishing fond memories of her, all who so loved and esteemed the late lamented Mrs. Kelly will beseech God to grant her eternal rest.

Many friends of Mrs. J. Henry Gallant will be pleased to learn that she has returned to her home from the Charlottetown Hospital and is convalescing.

Mrs. Errol S. Notting of 38 Mount Edward Road left this morning for the Royal Victoria Hospital, Montreal. She was accompanied by her son, Mr. Tom M. Notting.

Card of Thanks

I wish to express my most sincere thanks to the different Doctors, Staff, Nurses of the P. E. Island Hospital for their very kind care and treatment while a patient there. Also to all relatives and friends who visited me and sent gifts, flowers, letters and cards, etc.

Mrs. Milton Veney.

Strange But True

By F. H. MacArthur

When any sane person knows that war is hell, a wanton wasting of human lives to say nothing about its attendant miseries. But then we shall always have wars so long as we tolerate imperialism and slavery.

Isn't it strange and amusing the way we exaggerate and make misstatements of the incidents of daily life, public and private. We rarely hear anyone say he has a headache. It is nearly always a terrible headache. How often, too, we speak of a warm spring day as "being very hot"; a description unsuited to any days save July or August. When a person has committed some misdemeanor we refer to it as though it were a serious crime. Sometimes a little thin ice is turned into a great thickness by a mere twist of the tongue. These little exaggerations and misstatements may seem trivial at the time of their utterance but the habit occasionally results in harm that is serious.

Better play safe and not sprinkle your conversation with superlatives, or see that they come into your speech rarely since extreme cases bear such a small ratio to medium cases.

The average value of occupied farm land in Canada in 1951 was only \$47 per acre according to the Dominion Bureau of Statistics. The same source gives the average age of a cow as 7 years. Under normal breeding condi-
