There must have been some curious specimens of Scottish humor, brought out at the examination or catechisings by ministers of the flock before the administration of the Communion.

"What kind of a man was Adam?" "Ou, jist like ither folk."

The minister insisted on having a more special description of the first man, and pressed for more explanation.

"Weel," said the catechumen, "he was just like Joe Simpson, the horse cooper."

"How so?" asked the minister. "Weel, naeboddy got anything by him, and noy lost."

When cock-fighting was in fashion, a gentleman having a match in the country gave two cooks in charge to his Irish servant to carry down.

THE THREE DEGREES OF COMPARISON.—An excellent turn was made at dinner-table by Judge Hoar, of Massachusetts, too good to be lost.

Rowland Hill was one day going down the New Cut, opposite his Chapel, and heard a brewer's drayman who was lowering some barrels, swearing most fearfully.

A VALUABLE BRIDE.—A young lady who was recently married in New York, is mentioned as having been worth "in lace and jewels, as she stood before the altar, not less than £20,000!"

The Irish Chief Secretary, being the owner of a fine ostrich which some weeks ago was safely delivered of an egg, received the following telegram from his Steward.

A man and his wife fell on a Sunday evening into a critical dispute. The wife said she thought "David (King David) hadna taen much pains when he metred the Psalms;"

Divorces are said to be so common in Detroit that a citizen of that city held a reception party the other night, to receive congratulations upon having visited Chicago and returned without being divorced from his wife.

At an examination of some girls for the rite of confirmation, in answer to the question, "What is the outward and visible sign or form in baptism?"

When a young lady marries a rake, she must not be surprised if she has her feelings frequently harrowed.

A POSER FOR M.D.'s.—Can a healthy man, when walking in a low valley, be considered in a deep decline?

A smile is ever the most beautiful with a tear upon it; the tear is rendered by the smile precious above the smile itself.

In former times a wife regarded her husband as her companion; now he is her banker.

As liberality makes friends of enemies, so pride makes enemies of friends.

When we think of good angels are silent; when we do it they rejoice.

Trapping Sheep-killing Dogs.

Dogs will sometimes get together by night and sly away in search of sheep, and on finding them will attack and kill, and generally more or less of them, and injure others.

It will be better to keep still about having your sheep killed, for if you make any search for the dogs you need not be surprised if you find that every man's dog is carefully shut up over night.

THE ART OF GRINDING TOOLS.—More than one-half of all the wear and tear and breakage of dull tools comes from a lack of proper knowledge and practice in grinding.

HOUSE-FLIES IN WARM WEATHER.—Flies, during the warm weather, are a great annoyance to housekeepers and others in every vicinity.

A MISTAKE.—A good lady who had two children sick with measles, wrote to a friend for the best remedy.

TO LOOSEN A RUSTY SCREW.—If you have a screw rusted into wood, or a nut or a bolt that will not readily turn, pour on a little kerosene and let it remain.

New Triumphs of Roger's Medicines.

Run your eye over them and tell your afflicted neighbor about it. PARROTBOROUGH, CUMBERLAND CO., June 23, 1865. MESSRS. ROGERS & Co.

Gentlemen—I hereby certify that about twelve years ago, a small lump began to grow on my breast, and continued growing until 1859. It attained the size of a small hen's egg, and began to ulcerate, causing great pain, and reducing my body to a mere skeleton, rendering me altogether unable to do my work.

I applied to the two resident doctors at Pugwash (where I then resided), both of whom recommended a surgical operation. Feeling reluctant to undergo the suffering of such an operation, I applied to a man who called himself an Herb Doctor. I used his plasters until I became satisfied that they were of no use to me. I then applied to and procured some of your medicine to take inwardly.

After a few months trial, I began to get better, and the ulcer on my breast commenced healing so fast that in seven months from the time I commenced using your Ointment and medicine, I was enabled to attend to my ordinary occupation, and now I am happy to say I am hearty and well. I have no hesitation in saying that, under God, I owe my present state of health to your treatment.

If this simple statement will be of any service to you, you are at liberty to make it public, as every word of it can be vouched for by those who know how I suffered. I remain your much obliged servant, ANGUS MCGILVERY, Master Shipwright.

WALLACE RIVER, Cumberland Co., May 20, 1865. MESSRS ROGERS & Co. I feel it a duty I owe to you, and to suffering humanity, to state that your medicine has since a cure of a very severe case of Cancer in the breast of my wife.

The cancer began to appear about five years ago, and continued to grow slowly, and during last January it began to grow very rapidly, with darting pains through it. We concluded to try your medicine, and in a few days pain subsided and it began to improve. This was about the first of last February and now I am happy to say that she is entirely cured. After using your medicine a few days the cancer ulcerated, and it continued to improve until it was cured. You ought certainly to make your medicine known to the public. W. I. ANGEVINE, Pugwash, June 8, 1865.

Messrs. Rogers & Co., Dear Sirs—I beg to inform you that your medicine has effected a complete cure of the Tumour or Cancer on my lip. It had existed about one year, and continued to grow worse continually, until I got your salve; which cured it in about six weeks. I was also troubled with an ulcer on my ear which was occasioned by having my ear frozen about twenty years ago, and could never get any medicine to heal it. The doctors told me it never could be healed but your medicine cured the cancer so effectually, that I was induced to try it on my ear, and it cured it in a very short time, and has since continued well. WILLIAM FRASER.

MRS. WINSLOW, An experienced Nurse and Female Physician presents to the attention of mothers, her SOOTHING SYRUP, FOR CHILDREN TEETHING, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and Relief and Health to your Infants. We have put up and sold this article for over thirty years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine—never has it failed in a single instance to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this manner "what we do know," after thirty years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescriptions of one of the most experienced and skillful nurses in New England, and has been used with never failing success in thousands of cases. It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcome convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhea in Children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None Genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world. Principal office, No. 48 Dey Street, N. Y. Price, only 55 Cents per Bottle.
