The Rotarians behind the pitching of Freddy Dunn and John Leightizer defeated the Abbies 10-8 last night in the Little League All Star game played under the lights at Memorial Field. A large crowd of parents and interested spectators were on hand to witness a good display of baseball by Randy Edwards' Little League.

Freddy Dunn started on the mound for the Rotarians and pitched for three innings. He gave up six runs and five hits. He was relieved by John Leightizer in the fourth and the latter allowed two runs and four hits.

Maurice Larter, who started for the Abbies, was touched for eight runs on only four hits in three frames while George Dunn gave up two runs on four hits in the last three innings.

Maurice Larter hit a home run for the Abbies in the first inning to spark the Abbies' assault. Emmett Joseph tripled for the Abbies in the first and Derrill Doyle hit a triple for the Rotarians in the fourth.

Wayne MacDonald and Harry MacGuigan each collected three hits for the Rotarians while Emmett Joseph had three hits for the Abbies.

Leightizer saved the game for the Rotarians with a smart pitching performance in the last inning. He allowed the first two batters to reach base and then struck out the next two. An error enabled the Abbies to load the bases but Leightizer forced Doiron to ground down to Jake Kennedy at third base to end the contest.

Wiff Shephard led the L.Y.C. attack with three hits in four trips while Henry Murnaghan and Paddy Shephard each got two. Hartinger had three hits for the Angels Gene Ward, Billy MacLean, Reg Hughes, Billy Wright and Merit Longaphie two each.

Shortstop Billy Wright made a nice running catch off Joe Pineau and Phil Coyle made a good play on Gene Ward's Texas Leagueer back of second for the outstanding fielding plays of the game.

# George's Gals, Andy's Aces In Another Tie Game

In the third attempt to win and lose a ball game, George's Gals and Andy's Aces were again unsuccessful at Summerside last night, the game ending 8-8. The other two games were also draws.

This time it would not have been a game in any case as only four innings were played. The Aces had only four hits off Shirley Arsenault, and the Gals touched Marion Rogers for eight safe bingles. The Aces committed five miscues and George's three.

Wanda Chappell clouted the only home run of the contest, driving a wicked grounder off the short stop's shin which caromed into right field. Nancy MacFarlane hit a triple, and got safely home when the throw-in, well ahead of her, was missed by the catcher.

Both teams worked all the way around on a single and a three-base error.

Betty Gay led all batters, getting two singles and a double in three appearances. Wanda Chappell started defensively, making a spectacular leaping catch in the third inning, and in the fourth, and in the same inning coming in to scoop a hard one to the right of the pitcher and throw Baker out at first.

Umpires: Plate, DesRoches; bases, Sullivan and P. Gallant.

# Dalziel Leads In Shoe Finals

Keith Dalziel took a two-one lead over Ambrose Doyle last night in the finals of the Brighton Horseshoe Club tournament. The final series is a best of seven affair.

Doyle won the opening game 52-48 but Dalziel came back to take the second game 50-30 and the third 53-41. In the third game he tossed 27 ringers, which is believed to be a record for an all-time record at the local Club.

The remaining game will be played at the Club tonight with the series resuming at seven o'clock.

# Albions Swamp Wildcats 7-2

KENTVILLE, N. S. (CP)—Stellarton Albions swamped Kentville Wildcats with a 5-run attack in the 10th inning Thursday to defeat them 7-2 and take a 3-1 lead in the best of seven Halifax and District Baseball finals.

Monk Raines, the winning pitcher for the second successive night, took over from Vance Long when Kentville, trailing 2-0, threatened in the seventh inning. They held the Wildcats to six hits. Albions had only nine off Ron Perry, Dave Stenhouse, Dick Bunker and Steve Lilius. Stenhouse was the loser.

The next game is scheduled at Stellarton Friday.

# N. S. Team To Play Andy's Aces For Championship

—Arrangements have been completed to have the Halifax Sports-ettes, ladies' Nova Scotia softball champions, play a best-two-out-of-three series with Andy's Aces of Summerside for the two-province crown. The games will be played Labor Day in the partly enclosed harbor diamond at Queen Elizabeth Park, the first game starting

at 10 a.m. The Summerside Athletic Association will have to meet a guarantee of \$100, and it is hoped a large crowd will turn out to see these games, as it is not very often local fans get a chance to see a Maritime play-off in ladies' softball.

Andy's Aces, the only team to register with the Maritime body from Prince Edward Island, has a fairly strong, well-balanced team, and it will be interesting to see just how they rate with the best ladies' teams of the Maritimes.

# Grudge Match Between Gorgeous George And The Elephant Boy Tonight

Gorgeous George, hungry for revenge after losing to the Elephant Boy in a bruising and bloody battle last Friday night, will return to the Forum tonight to meet the African Beast in a wrestling match sponsored by the Boosters Club.

In a grudge match in which the winner will take the whole purse Gorgeous George will pit his strength and skill against that of his opponent from the African wilds.

Following his defeat last Friday George vowed that he would meet the Elephant Boy on his own terms this time—that is no holds barred. "All I want the referee to do is count," stated the Gorgeous One when speaking about tonight's bout.

Last Friday's wrestling match between Gorgeous George and the Elephant Boy was the most crowd-pleasing ever produced here. It contained loads of wrestling action but ended on a sour note when Gorgeous George suffered a cut on the head and then went wild in the ring.

Before order was restored wrestling fans were treated to some rare scenes. Officials, sponsors and wrestlers fought it out inside the ropes in a wild melee.

In addition to the main bout tonight the Boosters will present a midget tag-team match in which Sonny Boy Cassidy and the Red Weasel will tackle Pee Wee Cortez and Irish Jack.

Fans will also be treated to two other action packed bouts.

# Interesting Program At S'side Raceway Monday

An interesting program is being arranged by the Summerside Raceway for Labour Day. In addition to a harness horse racing card the management has lined-up a stock car event of an inter-Maritime flavour.

The big names of the Maritime tracks have signified their intention of participating in this meet to test their prowess against other crack drivers in what is probably the first Maritime meet. Among those mentioned are Paul Woodcock, St. Stephen, Caleb Dunn, Moncton, and John Hatfield, St. John, all leaders on their respective tracks under the point system.

In an interview yesterday, Mr. Hewitt, manager of the Summerside Raceway, said that in addition to the ten Island cars, eligible for the race, there will be five from Moncton, six from St. John, two from St. Stephen, and four from Sydney. There will be \$1500 in prize money in addition to the trophies and titles. The feature race of 50 laps will test the stamina of the most seasoned drivers and will undoubtedly be hotly contested. The events will give an opportunity to see how Island drivers stack up against mainland competitors after their first summer at the sport.
