His body was brought to Charlottetown on Saturday, and was this morning forwarded to Tignish where it will be interred tomorrow. The deceased was a brother of the late Mr. S. F. Perry, M. P., and was well and favorably known.

OPEN AIR FOR CONSUMPTION.—It is pointed out in the Medical Record that in the London hospital for consumption the basis of treatment is rest in the open air, graduated exercise and good feeding. No window in the open air wards is ever closed, and during the cold weather the consumptive patients are kept warm with extra clothing and artificial heat. It is encouraging to note that practically all the early cases improve considerably under the open-air system.

DAUGHTERS OF THE EMPIRE.—On Saturday afternoon Mayor Warburton received a despatch from Miss Clarke Murray, McGill University, asking if the women of Charlottetown would unite with the women of Montreal in federating as daughters of the Empire and inviting the women of Australia and New Zealand to join with them in sending to the Queen an expression of devotion to the Empire, and an emergency fund to be expended as Her Majesty shall deem fit. At a meeting of the ladies of Charlottetown, held this morning in the City Council Chamber, it was decided to join the federation. A telegram containing this information and asking for particulars has been forwarded to Miss Murray.

CHARLOTTETOWN TEACHERS' ASSOCIATION.—The regular meeting of the Charlottetown Teachers' Association was held in the parlor of the Y. M. C. A., on Saturday evening the 13th inst. Miss McKenzie, teacher at West Kent school, read a selection from school, Landon's School Management. Subject, "Morals and Discipline in the School." The author dealt chiefly with the emotional nature, showing the part played by it in our moral education. It was shown how important it was that the teacher should thoroughly understand the pupil and also know what motives to apply to procure response on the part of the pupils. The chief emotions influencing the young child being those of pleasure and pain, the importance of using means to produce pleasurable emotions and the danger attendant upon excessive use of the painful emotions were clearly stated. The discussion on the reading of this work was partaken in by Messrs Landrigan, Seaman, Arsenault, Messrs Landrigan, Stewart and Owen. The next meeting of the association will be held on Saturday, the 27th inst.

LETTER FROM SOUTH AFRICA.

The following letter has been received by Mr. E. W. Taylor from his son, Roland:—

Prince Albert Road,
Dec. 2nd, 1899.

DEAR FATHER:—I am writing this letter on the train. Our boys are now about 300 miles from Cape Town, and have now received orders to neither cheer or make any needless noise as the country swarms with disloyalty. We passed two trains containing wounded soldiers from Modder River battle, 500 in all.

We did not get into Cape Town until 8 p. m. Stores were closed, and we were unable to send papers. Our valises, kits, and bags are left behind, we are bound for Kimberley, but consider that the Boers are about settled there. However, if we get a chance we are game. Guards are placed all along the line. Bridges are strongly guarded. Cacti grow wild, and many wild flowers. The country here is dotted with many huge mountains.

Col. Otter has received as private donations enough to feed his 1000 without Government rations. We are all jolly as though we were on a picnic. We will all get medals as mementos. All are dressed in khaki suits; my pants are Canadian and my coat English make. We do not know where Buller is. There has been no such thing as picking our comrades as we are all friendly alike, and will always be. I have had no place to stow away curies yet.

Mr. Taylor sends three specimens of the beautiful Everlasting Silver Leaves from Table Mountain, Cape Town. The leaves look like silver and are long and narrow

SOCIAL AND ENTERTAINMENT.—The congregation of St. John's Church, Milton, intend holding an entertainment and basket social on Wednesday, January 24th, in the Winsloe Hall.

Y. M. C. A.—A large attendance was present at the meeting in the Y. M. C. A. Hall yesterday afternoon. Rev. Mr. Whiston gave an address. Rev. D. B. Macleod addresses the meeting next Sunday.

HOCKEY AT SUMMERSIDE.—The second Abegweens and the second Crystals, of Summerside, are advertised to play a match in Summerside tomorrow (Tuesday) evening. The Progress and Victoria will also play on the same evening. There will be a special train from Charlottetown.

SMALLPOX IN QUEBEC.—A Quebec despatch points out that just when the authorities had the smallpox epidemic stamped out at Kamouraska it has made its appearance in the parish of St. Germain. A child from the infected district attended school at St. Germain, resulting in seven new cases in a previously uninfected parish.

AMHERST'S SENSATION.—A man named Thomas Moore, for many years a station-agent of the I. C. R., is under arrest at Amherst, charged with dealing in counterfeit notes. The arrest has caused a great sensation. It is alleged that Moore was connected with Chisholm and the others recently convicted of counterfeiting operations.

FUNERAL TO-DAY.—The funeral of Mr. John Burns, for many years in the employ of Mr. T. A. McLean, took place this morning, and was largely attended. The Benevolent Irish Society, of which the deceased was a member, attended in a body, presenting a good appearance. The usual services were held. The burial was in the Roman Catholic Cemetery.

THE OLD STORY.—A few days ago while two sons of Mr. David Peacock, of Stanley, N. B., were playing with a gun that they did not know was loaded, one pointed the weapon at the other and pulled the trigger. A load of buckshot was discharged and shattered one of the young lad's hands in such a way as to necessitate amputation of the member. The boys are aged respectively fourteen and sixteen years.

A GOOD MAN GONE.—The death at North Wiltshire, on Saturday morning, of Mr. Nicholas Berrigan, will be sincerely mourned by a large circle of friends. Mr. Berrigan had reached the ripe age of 84 years, and throughout his life enjoyed the confidence and esteem of all by whom he was known. His funeral took place this (Monday) morning, at 9 o'clock, to St. Ann's church, Lot 65, where an appropriate service was held. There was a large attendance of sympathizing friends and neighbours.

OPERA HOUSE.—The Saturday night bill at the Opera House proved most enjoyable. "Black-Eyed Susan" and the "Dumb Belle" were each put upon the boards in a capable manner. The clever acting of Miss Grey and the ladies and gentlemen supporting her received merited applause. Tonight the company give their closing performance in Charlottetown, presenting "Jessie Brown, or the Relief of Lucknow." This play abounds in startling situations and effective tableaux and will, it is expected, attract a large audience.

WHO IS THIS ISLANDER?—A Quebec despatch says: One young man, who joined "E" Battery at Montreal, is leaving town with a heavy heart. It appears that the young man, who is a native of Prince Edward Island, is not alone the only son, but the only child of a widowed mother, and when she learned that her boy, who is a third year student at McGill University, had joined the second contingent, appealed to him by telegraph to remain at home and continue his studies, so that no doubt he might be a comfort to her in her declining years. After the young man told his story and was given the opportunity, he reluctantly decided to remain at home, although it was not without a great sacrifice on his part, as he was one of the most enthusiastic of the Montreal group.
