A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urino-Genital Diseases. Seventy Engravings. Price 1s. through all Booksellers, or post free from the Author for 14 postage stamps.

THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, infection, climate, &c.; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications on Marriage, the prevention and removal of legs of Surgeons, London; Licentiate in Midwifery, &c. &c. &c. 10, Berners-street, Oxford-street, London. Hours for personal consultation daily from 1 till 4, Sunday excepted. Sold in Dublin by Berry, 162, Great Britain street; Edinburgh, Robinson, 11, Greenside-st; Glasgow, Love, Bookseller, and by all the Agents. From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterized his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, copalva, saraparilla, &c., have produced most distressing results. Lasting benefit to the legally qualified medical man who devotes his chief attention to their removal; and to him only who can extend. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration. Persons residing abroad can be successfully treated by correspondence, on sending a full detail of the case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicines sufficient to the exigencies of the case sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

THE GREAT EUROPEAN REMEDY FOR NERVOUSNESS, RELAXATION AND EXHAUSTION. Protected by Royal Letters Patent of England, and sanctioned by all the Great Continental Colleges of Medicine.

DR. DE ROOS' GUTTE VITÆ, or LIFE DROPS, are the great Remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulency, Shortness of Breath, Headache, Consumptive Habits, Dimness of Sight, Discharges, Pains in the Head, Eruptions, Sore Throat, Pains in the Lungs, and all these diseases for which mercury, saraparilla, &c., are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when every thing else had failed, and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men. Price 11s. and four times the quantity at 3s. per bottle, of the Agents below. £5 packages containing twelve 11s quantities, (by which £1 12s are saved), will be sent from the establishment only, on receipt of the amount per draft on a London house or otherwise. CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "WALTER DE ROOS, LONDON," are printed in White letters on the Stamp affixed to the above, by order of Her Majesty's Honourable Commissioners, to protect the public against fraud, as without this note can be genuine, and to initiate which is felony.

PAINS IN THE BACK, GRAVEL, LUMBAGO, RHEUMATISM, GOUT, DISEASE OF THE KIDNEYS AND BLADDER, STRICTURE, &c. DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copalva, cubeba, and all such dangerous medicines have utterly failed. 2s 9d, 4s 6d, 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners-street, Oxford-street, London. The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are who, from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, which need not be taken without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense. Sold at Langley's Drug Store, Hollis-street, Nova Scotia; by Hazard, Charlottetown, Prince Edward Island; Ward, News Office, Sydney, Cape Breton; Ashton, Richardson & Co., Mount Road, Madras; Hulse & Nephew, Agra; Treacher & Co., Foomah and Karachee; Smith & Co., Simla; Dodsley & Co., Chant, Homer & Co., and Gawn & Co., Calcutta and Cady; Lyman & Co., Montreal; Pestonjee & Co., Military Square, Bombay; R. AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BIRMINGHAM, Mass., 20th Dec. 1856. Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EDEN KNIGHT, M.D.

Croup, Whooping Cough, Influenza. BROTH AVEN: I will cheerfully testify that the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HIRAM CONKLIN, M.D.

AMOS LEE, Esq., MONTAGUE, Ia., writes, 30 Jan. 1856: "I had a tedious influenza, which continued more than six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The Pectoral relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis. WEST MANCHESTER, Pa., Feb. 4, 1856. Six: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMESEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 5, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are cured. We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some human aid can reach; has even to those the Cherry Pectoral affords relief and comfort. ASTOR HOUSE, NEW YORK CITY, March 5, 1856. DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you that your Cherry Pectoral has done for my wife, who had been five months suffering with the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, advised me to try your Pectoral, which he recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not so strong as she used to be, but is free from her cough, and calls herself well. Yours with gratitude and regard, OILANDO SHELLEY, of SHELVILLE."

Consumptive, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best chemists in the world, and its cures all around us speak the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills. THE sciences of Chemistry and Medicine have been taxed their utmost to produce this most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass the excellence of the ordinary medicines, and that they are un- precedently upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow dangerous, and which, if not removed, derange the organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are so mild and pleasant, that they are safe and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have sent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my certificates of the cures of the following complaints:— Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full stomach, Nausea, Indigestion, Morbid Irritation of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases and Catarrhs of the Urinary Organs, which require an evacuant medicine, Scrophulous or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions. Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No matter how long you compare with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it. Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. PRICE 25 Cts. PER BOX. FIVE BOXES FOR \$1. SOLD BY Theo. Desbrisay & Co., and W. R. Watson, Charlottetown, Also, by M. W. Skinner, and all Druggists throughout the Island.

Letter from the Rev. DR. CLAY to the Editor of the Christian Visitor. Carleton, St. John, N. B., Nov. 11, 1856. Mr. Editor: Being desirous that the production of our own citizens should be patronized, rather than those of foreigners, I take the liberty of stating that the people of our Provinces need not use Fehnstock's, Ollo Bean's, or any other "Vermifuge," while they can get Fellows' Worm Lozenges, prepared in our own city. I was induced to try Fellows' Lozenges, having had a number of children under my care whose stomachs were so irritable the ordinary medicines could not be retained a moment, and the success that followed their use was so complete, that I can recommend them as one of the most pleasant and safe medicines that can be administered! EDWIN CLAY, M. D. Fellows' Worm Lozenges are sold by all Apothecaries.

MOTHERS! MOTHERS! MOTHERS! AN OLD NURSE FOR CHILDREN.—Don't fail to procure Mrs. Winslow's Soothing Syrup for Children Teething. It has no equal on earth. No mother who has ever tried Mrs. Winslow's SOOTHING SYRUP for Children will ever consent to let her child pass through the distressing and critical period of teething, without the aid of this invaluable preparation. If life and health can be estimated by dollars and cents, it is worth its weight in gold. Millions of Bottles are sold every year in the United States. It is an old and well-tried remedy. Price only 25 cents a bottle. None genuine unless the fac-simile of CUTTIS & PERKINS, New-York, is on the outside wrapper. Sold by Druggists throughout the world. August 24, 1857.

The Examiner IS printed and published every Monday by EDWARD WHELAN, at his office, Hillsborough-street, near King's-square. Price—15s. per annum, payable half yearly in advance.
