POLICE COURT.—This morning a man was fined $1.62 for selling liquor on Sunday, and an assault case was adjourned.

ST PATRICK'S DAY.—A large audience is expected at the concert in the Lyceum to-night. Go early if you want a good seat.

HORSE LOST.—Mr. John Campbell, of Point Prim, lost a valuable horse in Orwell River last night. Beware of the ice.

TICKETS for the old fashioned Methodist tea and magic lantern show are for sale at Haszard & Moore's book store and A. S. Johnson's drug store.

NO MERCURY.—Everybody's Pills are guaranteed purely vegetable, and are so mild in their action that they can be used with perfect safety by everybody.

BE CAREFUL.—The past few days frost has not benefited the ice, but rather makes it more treacherous. Too much care cannot be taken by those who venture on it.

PUGILISTIC.—Mitchell and Slavin are arranging with Manager Clarke to give exhibitions in the Academy of Music, Halifax, on the 22nd and 23rd inst. They are also talking about visiting St. John.

AN EXTENSION.—The people of Vernon River circuit have invited the Rev. G. W. Dutcher to remain among them for another year. They have tried him and found him not wanting. We learn that Mr. Dutcher has accepted the invitation.

Now that la grippe is ravaging the country, it behooves us to keep in a condition to defy it, and for this purpose there is nothing better than Everybody's Pills. 25 cents invested in this popular family medicine now may save that many dollars later.

A LANDMARK REMOVED.—Pictou's famous landmark, "the old market," has been torn down, and is to replaced by a new one with apartments for police court, etc. Sheriff Harris bought the dome for a hen-coop, and will keep it as a relic of by-gone days.

Y. M. C. A.—Dr. McLeod gave the third of the series of Talks to Young Men in the Y. M. C. A. Lecture Room last evening. His subject was "The Physical Basis of Thought," and he handled it ably and well, holding the closest attention of the audience to the close. A hearty vote of thanks was tendered.

OBITUARY.—Mr. Daniel McKinley, well known throughout the Island, died at Falconwood Lunatic Asylum on Tuesday last. He was oftentimes a prominent figure in front of many of our churches on stated occasions and although eccentric in his way, possessed a great power of speech, vehemently expounding his favorite doctrine. His funeral took place at North River this afternoon.

ST JOSEPH'S DAY.—The annual celebration of the Feast of St. Joseph, under the auspices of St. Joseph's Society, will take place in the chapel of St. Joseph's Convent, on Wednesday next, 23rd inst., instead of on Saturday, the feast of the saint. Mass will be celebrated in the morning at which the members of the Society will approach the Holy Communion. Reception of new members will follow. In the evening there will be a sermon de *circonstance*, followed by the Benediction of the Blessed Sacrament.

SEED CATALOGUE.—We have received a copy of Geo. Carter & Co's. Seed Catalogue for 1892, a work that should be in the hands of every farmer and gardener, as it is replete with just such information as they desire and need. The catalogue is attractively made up and the letter press is excellent. It was printed at Mr. John Coombs' establishment, and the first page affords an excellent view of our public buildings and Queen Square Gardens. It is given free on application to the firm by letter, post card or otherwise.

DOMINION PARLIAMENT.

Nothing Important.

OTTAWA, March 17.

In the House of Commons yesterday Hon. Mr. Caron said it was not the intention of the Government to reduce letter postage from three to two cents.

Hon Mr. Tupper said, in reply to a question, that suits had been instituted on behalf of certain Canadian fishermen who had paid license fees to the Newfoundland Government during the fishing season of 1890 and 1891, to procure a refund, and that the Government hoped to succeed.

A number of other questions of litttle general interest were asked, and replied to by members of the Government.

Correspondence relating to the recent conference between the Canadian Ministers and representatives of the United States Government was submitted.

MURDER WILL OUT.

Is this Jack the Ripper?

LIVERPOOL, March 17.

The police have been pursuing an inquiry into the disappearance of a woman and her children who lived on Rainhill, a part of Liverpool. The inquiry was started in connection with the arrest in Melbourne of a man named Williams, charged with murdering a woman there. The police went to the house formerly occupied by the persons in question and lifted the hearthstone from its place and unearthed the bodies of the missing woman and four children. The murderer used choloride of lime to destroy the bodies. The house in which the bodies were found was once occupied by Williams. It is believed that Williams is "Jack the Ripper." His trips to London corresponded with the times at which women were murdered in the Whitechapel district.

Interesting to Militiamen.

OTTAWA, March 17.
