

A White Rose.

The red roses whisper of passion,
And the white rose breathes of love;
Oh, the red rose is a falcon,
And the white rose is a dove.

The Longest Day.

It is quite important when speaking of
the longest day in the year, to say what
part of the world we are talking about,

At Stockholm, Sweden, it is eighteen
and one-half hours in length.

At London, England, and Bremen, Prussia,
the longest day has sixteen and one-half hours.

At Hamburg, in Germany, and Dantzig,
in Prussia, the longest day has seventeen hours.

At Wadbury, Norway, the longest day
lasts from May 21 to July 22, without interruption.

At St. Petersburg, Russia, and Tobolsk,
Siberia, the longest day is nineteen hours,
and the shortest five hours.

At Tornea, Finland, June 21 brings a
day nearly twenty-two hours long, and
Christmas one less than three hours in length.

At New York the longest day is about
fifteen hours, and at Montreal, Canada, it
is sixteen hours.

Odds and Ends.

It is very well, of course, for us to try to
improve our fellowmen just as much as we
can, but if it were not for their follies and
weaknesses we might not be able to realize
so well just how good we are ourselves.

"The young man who starts in life writing
a plain and legible hand, starts with a great
advantage. If I were a young man and had
to make my choice to graduate at a classical
college and stop there, or to graduate in a
business college and stop there, I would take
the business college in preference."

She Took His Part.—Do you think your
sister likes me, Tommy?

Yes. She stood up for you at dinner.

Stood up for me! Was anybody saying
anything against me?

No, nothin' much. Father said he
thought you were a good deal of an ass,
but as right up and said you wasn't, and
told father he ought to know better than
to judge a man by his looks.

A Lightning Episode.—A colored man
about forty years of age entered police
headquarters yesterday with his head tied
up, and said to the sergeant: "Boss, I
want your opinion. Look at dis head and
tell me what you think of it."

"I think somebody gave you a pretty good
whack with a club," replied the officer.

"Was it a club?" "It was a weapon of some sort."

"Wasn't I hit by lightning?" "Lightning?
no." "Wasn't I hit by lightning last nite?"

"How could you be, when there was no
thunder storm last nite?" "Zactly,
zactly. Dat's all."

"How did you get it?" "Woke up dis mawnin' wid de
old woman standin' ober de bed. She laid it
on de lightnin', but de more I think the
more I did'n't believe it. I ze sush now."

"And you?" "Well, I ze gwine home to make
de biggest thunder storm you eber heard
tell of. An' if de lightnin' don't strike
mighty close to my house at least a dozen
times, den I won't say a word when de
patrol wagon comes."
