Local and Other Items.

CRICKET.—Cricket at the park to morrow afternoon at 3 o'clock.

LARGE ATTENDANCE.—About three thousand persons attended the Scotch games yesterday.

TAXES.—Mr. Van Iderstine advises taxpayers to pay up. The advertisement in another column is "a final notice."

HEAVY CASTING.—The largest casting ever made in Nova Scotia was made at the steel works, New Glasgow, last week, in the shape of an anvil block weighing 35 tons.

CHURCH SERVICES.—His Lordship the Bishop of Nova Scotia will preach on Sunday next—in the morning at St. Paul's, and in the evening at St. Peter's, in this city.

THE BEATRICE.—The SS. Beatrice, Capt. Kelly, arrived at eight o'clock yesterday morning, and sailed on return at three o'clock in the afternoon. She had a full cargo both trips.

M. A. STARR.—The str. M. A. Starr arrived at 3 o'clock yesterday. She left again last night with a cargo of merchandise and about fifty passengers. She is due here sometime to-night or to-morrow morning.

A CURIOSITY.—Mr. John Colwill, of this city, has a hen which recently laid a fully formed egg weighing just a quarter of an ounce and measuring only 2¾ by 2¼ inches. It is hardly as big as a robin's egg—the smallest hen's egg we have ever seen.

CITY SCHOOLS.—The City Schools will be re-opened on Monday next. We are informed that the basement rooms of the West Kent and Prince Street School buildings have been thoroughly ventilated, and that they are perfectly dry and comfortable.

PACKET SERVICE TO BELLE CREEK AND WOOD ISLANDS.—The schr. Lady May will leave Charlottetown for above ports on 29th August inst.; and from that date fortnightly thereafter. For particulars apply to Messrs. Carvell Bros., Charlottetown.

CHURCH OPENING.—The new Presbyterian Church at Morell is completed, and will be opened for divine service next Sabbath, the 18th. The pastor, Rev. Mr. McKenzie, will be assisted on the occasion by Rev. Mr. Corbett, of Tyne Valley, and Rev. Mr. Slackford, of Mount Stewart.

THE vicissitudes of climate are trying to most constitutions, especially to people having impure blood. For all such (and they constitute the majority), the best safeguard is Ayer's Sarsaparilla, the use of which cleanses the blood and strengthens and invigorates the system.

WESTWARD, HO! CAPE TRAVERSE!—Zion Church Congregation and Sabbath School will hold their Annual Picnic this year at Cape Traverse (wet or dry), next Thursday, August 22nd. Due notice of the time and other particulars will be given. Committee meet at 7.30 on Saturday evening, at Zion Church.

FOR BOSTON.—The steamer Carroll, Capt. Brown, left for Boston at six o'clock last evening. She had a full cargo of general merchandise and the following passengeas: R Smith, W Beer. A Stewart, Mrs Davies, H W Steele, B Binns, Miss McSwain, H McLeod, Mrs. McLeod, Mr Robertson, A McLeod, Maid Crockett, Miss E McRae, Mrs J McRae, Miss M McRae, Jas Button, Miss Freen, Mrs Burns, Mrs McIntyre, D D Morrison, R B Gardiner, Fred Scott, Miss Peck, Mrs Peck, Mrs Piper, Mrs M Wade, Mary McEachern.

SHIP AHOY!—A few days ago fishermen belonging to Prospect, Nova Scotia, who were off that place fishing, observed a large French warship steaming ahead in close proximity to the breakers which abound in that vicinity. The fishermen immediately pulled for the ship and informed those on board of the danger they were in. The engines were reversed, and not a bit too soon, as the ship's bottom scraped over the rocks. Had she stopped on her course five minutes longer she would have been dashed to pieces and those on board would have perished.

SUNDAY SCHOOL PICNICS.—The Bay Fortune Sunday School Picnic came off on Wednesday at Abell's Cape. Teachers, parents and children all enjoyed themselves. On the day following, the Souris Annual Methodist and Presbyterian Sunday School Picnic took place on the beautiful grounds of Thomas Perkins, Esq., Souris West. Besides the resident Protestant clergymen, a number of invited guests were present, who, with the children, enjoyed themselves immensely. As the evening shades began to give the hour of parting, all felt that the gathering had been truly one of "glad to meet, sorry to part, and glad to meet again."

TEA PARTY AT RUSTICO.—The Tea Party at Rustico yesterday was very successful. The races were very interesting. Robert Thompson's mare won the three-minute race. The five year old race was easily won by Pineo's Island Chief colt. No hop beer, or any other exhilarant, was permitted on the grounds, and thus everything passed off in a peaceable, orderly and highly creditable manner. The popular election between Hon. D. Ferguson and Mr. L. H. Davies, M. P., resulted as follows :

Ferguson.	326
Davies,	22
Majority for Ferguson,	304

In the language of the *Patriot*, "Straws show which way she wind blows!"

PROMENADE CONCERT.—The promenade concert was successful in respect to the audience. It was successful, too, inasmuch as the "boys" could not show their appreciation of humor or skill on the part of the performers by pounding upon the floor. Moreover, the acoustic conditions of the building were proved to be good—sounds, loud and soft, true and untrue, being heard perfectly throughout the building. The absence of Miss Alexander, on account of illness, was greatly regretted by both performers and audience; for it involved a complete change in the order of the programme. Messrs. Logan and Sobeski were, however, aided in their successful exertions to fill the void and please the audience by the ready kindness of Mrs. Roome, Mrs. Moore, Miss Fanny Weeks, and others. The playing of Miss Weeks and Professor Logan was admirable. Miss Weeks is a welcome addition to the list of those who are willing to exert their skill in music for the gratification of their fellow citizens. Mr. Sobeski's voice, too, is of so pure a quality that we should like to hear it often. The playing of the Citizens' Band was enjoyed by all who remained for the promenade.

SPECIAL DESPATCHES TO THE EXAMINER.

France and Boulanger.

PARIS, Aug. 15.

The sentence imposed on Boulanger, Dillon and Rochefert by the Senate Court yesterday occasioned no excitement in this city, therefore the utmost quietness has prevailed. Republican journals are convinced that public opinion will ratify the decree of the court. Conservative and Boulangist papers are sanguine that the general elections will show that the people do not approve of the verdict. It is alleged that M. Waddington, French Ambassador to England, has been instructed to sound the English Government on the question of extraditing Boulanger, Dillon and Rochefort.

Opening Letters.

LONDON, Aug. 15.

In the House of Commons this evening Sexton asked Home secretary Matthews if he had authorized the post office officials to open letters from America addressed to Parnell by him, or to open a letter from President Harrison to the Lord Mayor of Dublin. The Home Secretary replied that there was no reason to suppose that either letters addressed to Parnell or letters from President Harrison were opened in the post office. He had not authorised the opening of letters. If any were opened it was without the knowledge of the Home Office. Inquiry into the alleged opening of President Harrison's letter was proceeding.

Fishing Licenses.

OTTAWA, Aug. 15.

It is stated that the number of licenses issued to American fishing vessels by the Dominion Government under the *modus vivendi* up to date this year is just double that of 1888. Licenses issued this season by agreement entered into with the Government of Newfoundland all terminate on the 31st of December, while those issued last year run for twelve months from the date of issue.

A Fatal Quarrel.

KINGSTON, Aug. 15.

Friday night Edward McLaughlin and Robert Ferguson, river drivers, in the employ of Messrs. Eddy & Company, of Hull, while intoxicated, had a quarrel at Madawaska, a small village on the Kingston and Pembroke railway, which resulted in McLaughlin fatally shooting Ferguson in the abdomen.

Manitoba Politics and Crops.

WINNIPEG, Aug. 15.

The Government will not at present fill the vacant Provincial Secretaryship, and it is likely that a French representative will be ignored.

The crop reports from all over the Province point to a better showing than had been anticipated. An average yield is estimated at fourteen bushels to the acre.

An Old Man.

OTTAWA, Aug. 15.

James, Page, living at Winchester, Ont., who fought in the battle of Trafalgar under Nelson, is said to be a hundred and eighteen years of age.

The Maybrick Case.

LONDON, Aug. 15.

Home Secretary Matthews is exclusively occupied with the Maybrick case. He is overwhelmed with letters on the subject.

SCHOONER WRECKED.—The schooner E. J. Hodgson, Capt. J. D. Lavie, of Souris, was returning from the Magdalen Islands yesterday. When rounding East Point, her masts and bowsprit and all attached to them were carried overboard, leaving her in a very perilous position in about 10 fathoms of water directly off the reef. The crew and two or three passengers were taken off soon after by a passing schooner, and safely landed in Souris. At latest reports the hull was still afloat, with 20 barrels of mackerel on board belonging to Matthew, McLean & Co., that had been purchased in the Magdalens. The loss to Captain Lavie is a serious one, and much sympathy is felt for him under the circumstances. Besides the loss, he had a narrow escape, one of the masts falling within a few inches of his head.

THAT distention of the stomach which many people feel after eating, may be due to improper mastication of the food; but, in most cases, it indicates a weakness of the digestive organs, the best remedy for which is one of Ayer's pills, to be taken after dinner.
