COLEY

In loving memory of William D. Coley who passed away May 10, 1961. We did not stand beside you. And see your life depart. But when we heard that you were gone. It nearly broke our hearts. But God alone knows how we miss you. As He counts the tears he sheds And knows how lonely sleeping. Your loved one is not dead. Lovingly remembered and sadly missed by wife Laura and daughter Catherine, sons Lou, Jack.

HILLIER

In loving memory of a dear mother, Mrs. W.J. Hillier, who passed away May 9, 1963. We had a wonderful mother. To us she was one of the best. Early one morning God called her home. It broke our hearts to lose her. But she did not go alone. For part of us went with her. That day God called her home. Always remembered by daughter, Elaine, son-in-law, Clarence and granddaughters Heather and Sharon.

May wither and decay,

But the love of them who sleeps beneath

The years may wipe out many things,
But this they wipe out never,
The memory of those happy days
When we were all together.
Lovingly remembered by family, Kate, Florence, Marietta and Nelsona.

GASS

KENNEDY

In loving memory of a dear grandmother Mrs. Isabel Kennedy who departed this life seventeen years ago today, May 9th, 1947. It seems such a short time ago dear Granny,

God called you to heaven above,

And left such a sweet memory with me.
The way, the truth and the love
It could not each day to keep
happy
With just that one thought in
mind
The way that you taught me
to live
To others to love and be kind.
It helps me each day while I'm
looking
With what wish you so lovingly
planned,
To always walk close to dear
Jesus
And always have to help
of my hand.
Inserted by grandson Sterling Lewis, Camp Gagetown.

COLEY

ATTENTION

All livestock breeders who are interested in the betterment of the cattle industry in their respective districts and especially those who are in a position to expand their dairy operations should plan to attend their nearest A.L. Unit meeting and be fully informed pertaining to the new heifer and young cow purchase policy which has been sponsored by the P.E.I. Department of Agriculture in co-operation with the various dairies throughout the province. There is need of greater production of fluid milk for processing purposes in order to supply the very great demand. This in turn means greater revenue from the dairy herd and prosperity to all concerned so plan to attend the meetings listed below: Everyone Welcome.
