room as so many of tonight's witcheries require for best results, how will she go? Fearful? Oh, not exactly and yet there can be no denying that heart-beats will accelerate.
For this night is a strange one of the year, caught as it will be in the enchanted spell of Halloween. May it be one to hold always a sweet remembrance!
There's a solemn dark about the farmlands.
An eerie note in the night-wind's keening;
There are ghostly shapes at every turning.
For this is the witching Halloween!

sung by Mrs. Elsie Waterworth and Mrs. Claude Nicholson. A gift from the C.G.I.T. as a token of appreciation for her faithful leadership was presented by Mrs. J. MacKenzie. Mrs. A. P. Campbell was piano accompanist and also presided at the piano for a singing. Delicious refreshments were served by the ladies.

—LOADING COMPLETED—The freighter Norgulf completed loading a partial cargo of seed potatoes at Souris late yesterday afternoon. Some 135,000 100-pound sacks and 5,000 two and three-quarter bushel barrels of Pontiac variety were loaded for Cuba. Operations had been expected to be completed Tuesday but were delayed by wet weather. Part of the ship's cargo, loaded at Montreal, was made up of paper and carbide. The latter is very susceptible to dampness and during wet weather the ship's hatches were closed. The potato cargo was put aboard by Associated Shippers. The ship will probably be the last large one loaded at Souris this season, as the partially completed wharf makes loading difficult. However, smaller ones are expected to load at the breakwater. The Norgulf anchored outside Souris harbor, last night and will sail shortly before daylight today. The captain planned to go through the Strait of Canso and did not wish to attempt the passage during darkness because of the work now in progress there on the causeway.

—P. N. G. CLUB MEETS—Miss Leroy White, Montague, was hostess to the members of the Past Noble Grands Club Tuesday evening. The living room was tastefully decorated in orange and black streamers in keeping with the Halloween season. A short business period was conducted by the president, Mrs. Howard Vickerson. The minutes of the previous meeting were read by the secretary, Mrs. J. D. MacLeod, and were approved as read. Roll call was answered by thirteen members. Plans were discussed for selling home made candy in the near future. An excellent report was given by the membership committee. An invitation to hold the next meeting at the home of Mrs. Douglas MacLaren was accepted, and Mrs. Spencer Llewellyn was appointed on the program committee, and Mrs. C. A. Shaw and Mrs. Carl Stewart were appointed on the lunch committee. At the close of the meeting everyone enjoyed a social hour. Two readings, in keeping

with the Halloween season, were given by Mrs. Shaw, Mrs. MacLeod, Mrs. Carl Stewart, Mrs. Vivier, son and Mrs. D. M. MacDonald were given prizes for having the best costumes. Mrs. Douglas MacLaren and Miss Bertha Martin acted as judges. A delicious lunch was served by Mrs. Byron Stewart, Miss Sue Hemphill and Mrs. Neil Hooley.

—DAMAGES ASSESSED—Damages were assessed at \$285.05 by Justice M. R. MacGuigan yesterday in the case of Frank Parker, plaintiff vs. Frank MacKinnon, defendant. The claim, which was uncontested, was for damages to the plaintiff's car when hit by the defendant's tractor near Georgetown. Mr. Gilbert A. Gaudet, Q.C. was counsel for the plaintiff.

—SMALLER CATCHES—Draggers fishing out of Souris have been reporting smaller catches recently. The average has been about 16,000 pounds per trip, compared to the some 40,000 to 60,000 earlier in the season. Damage to nets by dog fish was partially responsible for the reduction, it was reported.

—COUPLE HONORED—Rev. F. N. Young and Mrs. Young were honored by the congregation of St. Andrew's Presbyterian Church, Montague, at the close of the preparatory service Thursday evening in the church hall. An address was read by Mr. A. D. MacLure and a purse was presented by Mr. William MacEachern. Both Mr. and Mrs. Young spoke briefly expressing their appreciation. A gift to Mrs. Young from the Young Women's Club was presented by the president, Mrs. Leonard Nelson, while a complimentary song in original verse was

Souris H. and S. October Meeting

The October meeting of the Souris Home and School Association was held October 23 at 7:30 p.m. in the Souris High School. President Mrs. John R. MacLean occupied the chair.

Due to illness the secretary Mrs. Alex P. McDonald tendered her resignation, which the meeting accepted with much regret. Mrs. Paul MacPhee was chosen as secretary of the meeting for the balance of the year. Mr. M. J. McQuaid gave a report on the drive for new members, with the result that now there are 89 members and more are expected to join.

Considerable discussion took place on the hiring of a music teacher. A report from the committee, appointed at the previous meeting to interview the various societies of the community, was given and it was found these societies, most of which included other school districts, could not see their way clear to give assistance. The meeting left it in the hands of the executive, who will try to work out an arrangement with the trustees.

An invitation was extended by the president for anyone in a position to attend the annual provincial Home and School Association meeting to be held in Charlottetown on November 18. Mr. M. J. McQuaid will officially represent the Souris Home and School Association.

Discussion on recreation for the school children resulted in the Rev. Sharpe offering his services to set up a basketball court with the assistance of the older students. Mr. McQuaid suggested the use of the daily newspapers in the school. The idea was wholeheartedly supported and the Home and School Association are going to provide several copies of daily papers for the students.

Anniversary Services At Lower Montague

—Lower Montague United Church had exceptionally large congregations on Sunday, Oct. 25th, at the anniversary services. The minister, Rev. J. M. Fraser, conducted the afternoon service, and noted some outstanding events in the history of this church. Rev. A. C. Fraser, of Valleyfield, preached the theme, "Rebuilding the Wall" and the Valleyfield choir, with Mrs. W. A. Bruce as organist, led the service of praise.

Mr. George King, who conducts the "Union Rescue Mission" in Boston, Mass., gave the closing prayer and benediction. Rev. Russell MacLeod of St. Peter's preached to a capacity audience in the evening on the text Revelation 3:3. Mrs. Austin Ross and Mrs. Archie Hume were organists, when Mrs. Douglas Coffin and Mr. Robert Whiteway sang a duet, and the Brooklyn trio led in special numbers.

Island Odds And Ends

Mr. Lemuel Rush, President of the Labourers Protective Union, believes this will be one of the best autumns for shipping that the port of Charlottetown has experienced in many years. Only bad weather and the early onset of winter can spoil this forecast, states Mr. Rush. Already more than the usual number of boats are booked to load potatoes here, and one large boat is now in port ready to take on a cargo of 75,000 bags. Other boats will follow from time to time.

The National Employment Office also comes up with a cheery note in the statement that practically all carpenters in the area are employed and quite a large number of labourers. Nevertheless, the office notes that the area under its jurisdiction, that is, Kings and Queens Counties, has not yet made up all the slack in employment which developed from the shut-downs at Maritime Central Airways Maintenance and Bruce Stewart and Company.

Souris is about the busiest place in Kings and Queens Counties with Montague doing very well too. The meat packing plant of Eastern Packers and the fish plant of Eastern Fisheries at Souris, are humming with activity, with almost 150 employed. Raymond Griffin's plant also in Souris, has a number of people engaged packing chicken haddie, and one the waterfront, Canada Dock and Dredge are completing the extension to the railway wharf and the general improvement to docking facilities.

The company has been engaged on this job for the past two summers and hopes to complete it late this year. Already a large steamer is moored at the much improved pier, and is loading with seed potatoes for a southern port. Very few if any men, or women, are idle in Souris at the present time.

Eight to ten draggers are landing fish at the Eastern Fisheries Wharf every week and will continue fishing until winter closes down operations. Down Montague way, the new bridge is providing employment, and work has started on the new Federal Building. Activity is also reported from Morrell, where the Morrell Co-operative recently engaged twelve men for its potato warehouse, until the movement of tubers is over.

Although the price of potatoes is not what it might be, they are moving freely, and the growers who have a good yield per acre, will break even or a little better, according to Dominion Agricultural officials.

Two of the bright spots in the farm picture, are the really good prices of pork and the ready market for whole milk and cream. It has been an outstanding year for the pasturage of cattle and the production of butter in the Province will be up about twenty per cent. One company, the Central Creameries will produce around two million pounds of butter by the year's end.

The opening of the new concentrated milk plant by the same company gives dairy farmers an almost unlimited market. The recent order received by the Company, for 250,000 pounds of powdered skimmed milk placed by a Mexican company, is exceptionally good news. It is pointed out, that if the company successfully enters this and other foreign markets, that the future of dairying in the Province, will be very bright. Many farmers are currently benefiting from the good prices being received for eggs and poultry.

From all over the Province an excellent grain crop, the best in many years—is reported and practically all of it was harvested in good condition.

From a Charlottetown point of view the prospect of an unusually good shipping season is bringing news for the men who make their living on the waterfront, and for the merchants of the city with whom the pay cheques will be spent. Reviewing the employ-

Acme Rebekah Lodge Meeting

—Miss Adah MacGregor presided at the regular meeting of Acme Rebekah Lodge, Montague, Thursday night. Twenty-seven members were present. In the absence of the secretary, the minutes of the last meeting were read by Mrs. Doris Llewellyn, and were approved as read.

Routine business was transacted and lodge closed in usual manner, followed by a delicious chicken dinner at which Miss Thelma Larter was guest of honor. The attractively appointed table was centered with pink and green tapers. A beautifully decorated two-tier cake which was the gift of Mrs. Marian MacDonald, was cut by Miss Larter, and served with ice cream. Mrs. Lorraine Coffin and Mrs. Marian MacDonald aided in serving. Mrs. Florrie White, Mrs. Ruth MacLeod, Mrs. Catherine Stewart, Miss Mary Hemphill, Mrs. Florence Stewart and Mrs. Doris Llewellyn. Piano selections were played by Mrs. Hazel Fraser and Mrs. Lillian MacDonald.

Miss Larter, who leaves shortly for Toronto, was presented with a Past Noble Grand's jewel as a token of appreciation for her faithful work in the lodge during the past eight years. A complimentary address was read by Mrs. Llewellyn, and the presentation made by Mrs. White. Miss Larter very graciously thanked the members for their thoughtfulness and expression of good wishes for her future.

Sask. May Get First Pulp Mill

REGINA, (CP) — An agreement between the provincial government and a Quebec paper manufacturer may bring Saskatchewan its first pulp mill, Resources Minister J. H. Brockelbank announced Friday.

The agreement with the Anglo-Servic sec the Charlottetown Office of the National Employment Service let it be known that a limited number of labourers will be sent to the north country in the next few weeks. The number might reach fifty. The men would have winter-long employment, and would return to the Province in the spring as has been customary in the past two years.

You can't go ALL-OUT If you feel ALL-IN

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, "tired-out" heavy-headed feeling often follow. That's the time to take DODD'S KIDNEY PILLS. DODD'S stimulates the kidneys to normal action. Then you feel better—sleep better—work better. Ask for DODD'S Kidney Pills at any drug counter.
