Fine Performance By "Cabin Boys" Quartette

A large and enthusiastic audience was present at the Prince of Wales College auditorium last evening to hear a very informal and enjoyable concert by the "Cabin Boys", four negro gentlemen sponsored by the Centennial Y's Men of this city.

The four singers have been touring Canada, and in conjunction with their tour have been holding talent contests with a trip to Hollywood as prize. It was regretted by the local sponsors that applicants for the contest from this Province were reticent about competing, and so few were the entries that no competition was held last evening.

Emanuel Mansfield, from Virginia, first tenor of the group, acted as the very congenial master of ceremonies for the program, and also appeared in a group of solos. Second tenor was James Templeton, of Georgia, whose fine voice was heard to advantage in his singing of the beautiful "Hills of Home" by Fox and the all time favourite "Because."

Acting as accompanist for the soloists, and taking the baritone harmony in quartets, was Livingston Lashley, of Brooklyn, who was also heard in two piano selections. The first of these was the ever lovely first movement of Beethoven's "Moonlight Sonata", followed by "Clair de Lune" by Debussy. Hamlet, from Chicago, offered as his solo contribution the bass solo "Old Man River," sung with much gusto, and as an encore, the familiar "Wagon Wheels."

Although the solos were very much enjoyed and heartily applauded by the audience, it was in the quartette's singing of negro spirituals that the entertainment reached its peak.

Artists and audience alike seemed to relax during these lovely melodies and the very fact that the arrangements were left in their original simplicity added greatly to their beauty.

One of the most beautiful of these was the familiar "Ezekiel Saw de Wheel," which was included in the first group of three. Others in this group were "I'm Goin' Down to the River of Jordan," and "Shine On Me."

In his group of solos, Mr. Mansfield included "The Birth of Morn'" by Leon, "Sing a Song of Sixpence," "The Marriage License" by Kellman, and the spiritual, "Plenty Good Room," by Hayes. Purcell's "Passing By" was a most acceptable encore.

Concluding the first part of the program were three very enjoyable quartette selections, "Home on the Range," and Geibel's "Kentucky Babe" and "Laughing Gas." In this group, as in others, solo voices with hummed accompaniments were used with excellent effect. Two lovely spirituals, "Follow Me" and "You Better Mind" were offered as encores.

"Deep River," "A Witness for the Lord," and "Swing a Low" made up the next group for the quartette, and their final selections of the program were "Climbing up the Mountain" and the very humorous "All Kinds of Women."

Manitoba University Honors Son Of Former Premier And Chief Justice Of P. E. Island

Many in this Province will be interested in learning that at the seventy-fifth anniversary convocation of the University of Manitoba, held recently in Winnipeg, the degree of Doctor of Laws, Honoris Causa, was conferred upon Colonel Arthur Sullivan, Q. C.

Colonel Sullivan was presented by Mr. R. O. MacFarlane, M.A., Ph.D., Deputy Minister of Education for the Province of Manitoba, who introduced the recipient in the following terms: "Colonel Sullivan was born on the Island in 1880, the son of Sir William Wilfred Sullivan, a Premier and later Chief Justice of that Province. He was educated at St. Dunstan's and Loyola, read law in

Charlottetown and London, England, and he was admitted to the Manitoba bar in 1905. He served with distinction overseas with the Queen's Own Cameron Highlanders and later with the Judge Advocate General. He then returned to Winnipeg to practice law. He was largely responsible for the formation in 1940 of the Manitoba Brewers & Hotelmen's War Fund (now Welfare Fund). This fund provides among other benefactions, 30 scholarships of substantial amount each year for young Manitobans at this University. 250 students have been assisted since the inception of the fund, and for many of them it has been a vital factor in making a university course possible.

"Through his study of wild life and the banding of birds at his lodge at Labau, and through his support of the Delta Waterfowl Research Station and other activities of the North American Wild Life Foundation he has made a most valuable contribution to wild life biology in this Province and beyond its bounds.

The Drama Festival is under the patronage of His Excellency Hon. Vincent Massey, Governor General, with Mr. Donald Cromie, editor of the Vancouver Sun as President. For the first time in the history of the Festival the President of the organization has been held outside Ontario, and the decision has been reached that in future, that office will be held by a resident of the region in which the annual finals will take place.
