N. B. and P. E. Island Conference.

(*Special Correspondence of The Examiner.*)

FREDERICTON, N. B., June 19.

After the journal was read, Rev. G. M. Campbell brought in a report of the nominating committee. Then some routine business was disposed of, and the application of Rev. F. W. Moore to become a supernumeray minister was referred to a committee of five to report to Conference; then, when all the particulars are before the Conference, an intelligent vote can be given.

A resolution, moved by Rev. C. H. Paisley, A. M., expressive of confidence in the Rev. S. F. Heustis and Dr. Lathern, and their management of the interests entrusted to them, was unanimously passed.

Conference then proceeded to the order of the day, which was the consideration of the probationers and candidates. Revd's John B. Gough and George M. Young were received as probationers of the first year, while Rev. John M. Young was received as a candidate for the ministry. Permission was given to employ Messrs. Havelock P. Gillespie, Ernest B. Gough, William J. Read and J. Wason as hired local preachers.

The supernumeraries reported from the St. John District were Rev. H. Daniel, Dr. Pope, J. R. Narraway, A. M., S. W. Sprague, J. A. Duke, William Tweedie, J. J. Colter and E. Evans. On the motion of Rev. Mr. Evans to become a supernumery, some kinds words were spoken by Rev. R. Wilson and C. H. Paisley, A. M.

Rev. J. Pascoe moved a resolution of congratulation respecting Rev. H. Daniel, who has completed sixty years in the Ministry. Mr. Daniel replied in a truly characteristic speech, which was received with much applause.

From the Fredericton District the name of Rev. G. B. Payson was reported. From the Sackville District the names of Revs. Cyrus S. Wells, J. Prince, A. C. LePage and Joseph Pascoe were reported. From the St. Stephen District the name of Rev. W. B. Thomas was reported. From the P. E. Island District the names of Revs. Jeremiah V. Jost and Frederick Smallwood were reported.

Rev. S. H. Rice then spoke at length upon a resolution respecting the composition of the Stationing Committee. His resolution was a recommendation to make the Committee elective by the Districts and to be composed of an equal number of ministers and laymen. The time for adjournment having arrived the matter was laid over.

Dr. Pope moved a resolution, which was carried unanimously, expressing thanks that Rev. T. W. Smith had been able to complete his history of Methodism in the Maritime Provinces and pledging the Conference to help sale of same. Conference adjourned.

In addition to the laymen mentioned in yesterday's letter from the Island three have arrived: Hon. G. W. Bentley, Messrs. W. E. Dawson, of Charlottetown, and Jonathan Edwards, of North Wiltshire.

THURSDAY EVENING—EDUCATIONAL MEETING.

The annual meeting of the Educational Society was held under the presidency of Dr. Stewart, Theological Dean of Mount Allison University. Prayer was offered by Rev. J. A. Clarke, A. M. There was a moderate attendance present. Dr. Stewart claimed that the educational work was not behind the missionary cause. Excellent addresses were delivered by Rev. W. Dobson and J. Read. The subject of the latter gentleman was, "The harmony of science and philosophy with religion." His address was well received. Dr. Inch, President of Mount Allison, referred to the work done by our educational institutions during the last 40 or 50 years and the beneficial effects upon the country. Some excellent music was rendered by the choir. There has been an increase in the amount raised for the fund to the extent of $146 during the past year. The meeting was a very good one.

JUNE 20.

FRIDAY MORNING.

After the journal was read and approved, several communications were read and referred to appropriate committees. Rev. J. Crisp reported from the Committee on Statistics. There were 11,369 members, being an increase of 46 on the year. For the Supernumerary Fund there had been raised $874.94, being an increase of $29.85 for the year. For the Contingent Fund $274 had been raised, been an increase of $21. $178 had been raised for the Annual Conference Fund Collection. This was an increase of $20. For the Sustentation Fund $1067 had been raised, being a decrease of $60. The other funds had been well received.

Rev. W. J. Kirby reported from the Sunday School Committee. In the Conference there were 399 preaching places, 208 schools, 1584 officers, 12,330 scholars. 2,022 scholars had signed the temperance pledge. There were 21,044 volumes in the libraries of the school. Some remarks were made by the brethren and the report passed.

The order of the day was taken up and the Conference proceeded to recommend changes in the constitution of the Supernumerary and Supernumerary Widows' Fund. Further consideration was laid over till the afternoon session.

Session adjourned.

A TIMELY ORDER.—An Ottawa despatch says: The Customes Department has issued orders to seize all the publications of Richard K. Fox, of New York, wherever sent to Canada.

Presbyterian Assembly

ADOPTS A SWEEPING REPORT ON TEMPERANCE—EVILS OF THE LIQUOR TRAFFIC DEPICTED—BOTH MORAL AND LEGAL SUASION DEMANDED—AMENDMENTS VOTED DOWN.

The General Assembly adopted the following deliverance on temperance: "This Assembly believes that the general traffic in intoxicating liquors is the source of terrible and enormous evils which blight the prospects, destroys the health and character and ruins the soul of the individual; that it mars the happiness, wastes resources and degrades the life of the family; that it lowers the moral sentiment and endangers the peace and safety of society; that it greatly increases the number of the 'lapsed masses,' intensifies every evil and is a most fruitful source of crime; that it not only hinders seriously but antagonizes the church in her work of uplifting the race and winning souls for Christ; and that it is contrary to the teaching of Scripture and the spirit of the Christian religion." An amendment was moved by Rev. M. McDonnell, seconded by Chief Justice Taylor, that the first two lines read, "This Assembly believes that the general traffic in intoxicating liquors, especially the indiscriminate sale of liquors in bar-rooms and saloons, is a source of enormous evil; that the intemperance occasioned by it blights, etc." The amendment was lost, 142 to 35. Another amendment was moved by Principal Grant and Rev. Mr. Herridge, to strike out the whole deliverance. Lost, 143 to 37. Still another amendment was offered by Mr. McDonnell to strike out the words "contrary to the teachings of Scripture and the spirit of the Christian religion." This, too, was lost, only 32 voting for it. The deliverance as above was carried, 153 to 42. The following resolutions indicating the means to be recommended to the people for meeting and overcoming the traffic and its accompanying evils were adopted by unanimous resolution:—

1. That the faithful preaching and teaching of the gospel is the first and essential element in building up a temperate, prosperous and Godly nation.

2. Members of the church be urged to practice and inculcate total abstinence as the only absolutely safe course.

3. That in view of the acknowledged fact that much of the wine of commerce is exceedingly impure, we strongly urge on all the sessions of the church the duty of securing as far as possible the pure "fruit of the vine" for use in the sacrament.

4. That all available means be used to secure in all our public schools teaching of the effect of alcohol on the health and morals.

5. That the importance of moral suasion in promoting the temperance reform be emphasized.

6. That, inasmuch as men are, through the influence of the liquor habit, hardened to the appeals of the gospel and the arguments of "moral suasion" and are made indifferent to the true interests of their fellow men or the welfare of their country, it is necessary in order to protect the young, the weak and unwary from temptations and ruin and to restrain the lawless, to invoke the aid of the law so as to reduce, and, if possible, extinguish, these evils by wise legislation.

7. That, whilst the restrictive and prohibitory features of existing liquor laws are gratefully acknowledged and should be persistently utilized, it is the conviction of this assembly that no legislation short of prohibition, rigidly enforced by the proper civil authorities, will ever be able to free our land from the terrible evils of intemperance; and that it is the duty of the Dominion Parliament to enact such a law;

Resolved, That this Assembly hereby authorizes the committee on temperance for 1890 to continue the negotiations entered into with other churches, and if the result warrant it, to have petitions presented to parliament in 1891 or as soon thereafter as practicable, in favor of prohibition.

9. That the Assembly gratefully recognizes the work done by the various temperance organizations, and a large portion of the press in training the young and educating the public in the principles of total abstinence and prohibition, and recommend the office bearers and members of the church to give them sympathy, encouragement and support.

Personal.

The New York *Herald*, received Saturday night, announces the confirmation by the the United States Senate of L. S. Hunt, as Consul at Guelph, Ont. It will be remembered that the *Herald*, some time ago, stated that the above-named gentleman was appointed Consul at Charlottetown, and reference was made to the appointment by THE EXAMINER.

Personal friends of James Russel Lowell are becoming alarmed at his condition. He is said to be a very sick man.

It is reported that Kunze, the German convicted at the Cronin trial in Chicago, is assisting the authorities to unravel the mystery, and that another sensation is in store. It is further said that Iceman O'Sullivan has told all he knows and is to be pardoned.

I. O. O. F.—St. Lawrence Lodge holds its regular session to-night. The first degree will also be conferred. The members will bear in mind that this is the last night for nomination of officers.

STRANGE PHENOMENA.—A heavy shower of hail, accompanied by thunder and lightning, passed over western Prince County about two o'clock on Saturday last. The wind, which had all day been blowing from the southwest, suddenly shifted to northwest, and ominous-looking clouds began to cover the sky. Everything looked as if a big storm was approaching, but, strange to say, it only lasted a few minutes. Hailstones the size of beans fell thick and fast, breaking windows in some localities, and when the furv of the gale had abated, it looked as if winter had returned again, the ground being so completely covered with hail. Thus far we have not heard of any serious damage being done by this freak of the elements.
