Charlottetown, Dec. 14, 1893.

HAVE A GUESS.

Oh, wheelmen, all take my advice,
And don't forget, be sure
To take a look at the famous "Bike"
In PROWSE'S well-known Store.

The handsome Brantford Bicycle
That in their window's shown
Is as good as any in Charlottetown,
And it may be your own.

A jar in which are coats galore
Is placed where all can see;
Guess how many cents the jar contains
And the "Bike" your own will be.

Be wise, make all your purchases
At PROWSE'S Clothing Store;
Each purchase, on that Bicycle,
Will give you one chance more.

Their Carpets, Hats and Furnishings,
And all, in fact, they keep,
Compared with others in the town
Are more than quite as cheap.

Priestley's Dress Materials

Every lady should be interested in the fact that the *Priestley's* Dress Materials are to be had from the better class of dealers throughout Canada. For beauty, texture and enduring quality, they are unequalled. Manufactured as they are in pure wool, and in silk and wool interwoven, these goods have a soft richness which is a perfect delight to a lady of taste.

Priestley's goods are mostly in black, and in black and white.

A gown in Priestley's fabrics retains its style and beauty as long as there is anything of it left, hence they are the most economical for all classes.

AN OPTICAL DELUSION

is a fair sight in the picture. It's certainly an optical delusion to expect to keep your sight fair without the aid of spectacles. It's a damaging delusion, too, because if there's one thing that the eyes will not stand it's ill treatment and overtaxing. Property may be taxed too high without much harm, but in the case of the eyes it's a dangerous experiment. When you need spectacles the want is immediate, like the need of food when you're hungry. We can supply the spectacles whenever you require them, and what's more, can tell you just what you must have to fit your eyes. We also have Eye Water and Eye Shades for weak eyes.

KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 75c. bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

LETTERS TO THE EDITOR.

THE CHURCH OF ENGLAND AND REVIVALISM.

SIR,—Clergymen of the Church of England—Low as well as High—do not generally countenance revivalism nor advise their people to do so, for they know that their own church has well provided for all the spiritual needs of her children and they fail to see what good can result from taking part in union revival meetings abroad, when such "union" always creates more disunion at home. It will, therefore, be a matter of thankfulness to consistent Evangelical Churchmen in Charlottetown to know that in Montreal (the great stronghold of the Evangelical party in Canada) not one clergymen of the Church of England took any official part in the revival conducted there by Rev. Mr. Mills. Indeed, one noted Evangelical—the Rev. Osborne Troupe—openly opposed some of Mr. Mills' teaching.

LAYMAN.

A COMPLINT.

SIR,—I wish to say a few words through the columns of THE EXAMINER about the carrying of the mail to Upper Newton Cross. Newton has a semi-weekly mail on Tuesdays and Fridays. The present carrrier's duties are as follows: Leaves Newton for Orwell Post Office at 10.30 a. m., and is to remain at the latter post office for one hour and his hour of departure for Newton 12.45. What I want to bring to light is this complaint: If the mail courier from Charlottetown hasn't arrived he won't wait, and therefore Friday's EXAMINER will not reach its subscribers until the following Tuesday instead of getting them on Friday, the proper day, they are kept in the Orwell Post Office till Tuesday. And if such affairs are going to exist all that can be done is to withdraw our EXAMINER.

ANGUS.

Newton Cross, April 27, 1894.

VERNON RIVER BRIDGE FACTORY.

A correspondont informs us that the Vernon River Bridge Cheese Factory is going to begin cheese making on May 15th Already the contracts for hauling the milk on the different routes has been given and at much lower rates than last year. The quantity of milk delivered at the factory last year was 922,870 lbs.; quantity of cheese manufactured, 83,315lbs., of the value of $8,770.13—a handsome sum for the patrons, paid monthly, enabling them to purchase their necessaries at cash price and keep out of the merchants' books, in too many cases the ruin of our farmers. The output for the present year is expected to be greatly in excess of last. The Directors for the present year are Augustine McInnis, President; David P. Irving, Secretary and Treasurer; John F. McLeod, Lemuel Hayden, D. R. McDonald, Alex. Moore, William Jenkins, Owen C. Sullivan.

METTING AT WOOD ISLANDS.

Pursuant to notice a public meeting of the electors of Wood Islands and vicinity was held in the Wood Islands West Schoolhouse on Tuesday evening, the 17th inst., to discuss the tax question. The meeting was organized by appointing Duncan M. McMillan, Esq., Chairman, and Mr. Duncan Gillis, Secretary. After a general talk on the different systems of taxation and on the unprecedented deficit of last year, the following resolution was unanimously adopted:

"Whereas, The Government have during the past year spent $120,000 over and above the revenue, and whereas we believe that the greater part of this money was unnecessarily and injudiciously spent, therefore

Resolved, That we agree to no system of taxation to carry on the present rate of expenditures."

After ordering the Secretary to send a report of the meeting to the Patriot newspaper for publication the meeting dispersed.

THE CAT CAME BACK.

SIR,—I notice that the Natal Day Committee, with their usual grace, issue in the columns of your paper a card of thanks to some of the different firms for the loan of furniture, drapery, etc. I did not, however, see any mention of that CAT. "But the cat came back," and may now be seen as he bobs up serenely in the show window of the McKay Woolen Co.

THE BUCHANAN RASE

Equal to a Resurrection—Almos Helpless from Kidney Disease—a Burden to Himself and his Friends Dodd's Kidney Pill Cured him

CHATHAM, April 30—The story of Sherman Buchanan, living near Leamington, is worthy of notice. He says he was almost helpless, bloated and a wreck powerless and he was rapidly becoming a burden to himself and his friends. Naturally he lost all hopes of recovery, but a happy thought suggested Dodd's Kidney Pills, and these cured him. Dodd's was the first kidney remedy in pills form ever offered the public. Its wonderful success in curing all forms of kidney disease has left to the introduction of numerous cheap and worthless imitations. Purchasers, for their own safety, should insist on getting Dodd's Kidney Pills. Sold in large boxes; price, fifty cents or six boxes for $2.50. To be had of all dealers.

Priestley's Cravenettes may be had in all the newest fabrics. Absolutely rain-repelling they are not to be distinguished from the same goods not waterproofed. This is their great merit. Cravenette includes serges and all dress fabrics. They are perfectly porous, non-odorous, and they never change in appearance. These are merits which no other waterproofing process has been able to demonstrate. They are rolled on "The Varnished Board" like all Priestley's dress goods.

NOTE AND COMMENTS.

—The latest United States Banking Circular says: "Perhaps the most influential cause of the prevailing dulness comes from the condition of legislation in Congress."

"The financial resources centering in Wall Street are kept in suspense, plans for new enterprises have to be pigeonholed until these legislative triflers are through with their exhibition of factional feeling and fencing, and manufacturers and merchants are kept on the gridiron of doubt waiting for they know not what."

How different in Canada! In three short weeks our tariff has been practically settled by a business Government in spite of the Opposition triflers and kickers, and business goes on as usual.

—The Toronto Star has an admirable cartoon of Mr. McCarthy, M. P., who abused the Government's fiscal policy and then ran away before the vote was taken, though a three hours wait was all he would have to make. The cartoon represents Mr. McCarthy in full flight, while the chalk marks upon the door of Parliament made by him calling for tariff reform are very plain. The reason why Mr. McCarthy did not vote was well told by a gentleman who knows Mr. McCarthy's mind pretty well. "You see Mr. McCarthy thought if he voted with the Grits he could not catch any Conservatives in the country, while he was so mixed in his contentions that any resolutions he might have tried to move for himself and Col. O'Brien would have been laughed at." Evidently the man from North Simcoe finds statesmanship troublesome.

Bad Effects Entirely Eliminated by Hood's Sarsaparilla.

"C. I. Hood & Co., Lowell, Mass.:

"Gentlemen—In April last, through the effects of a dose of strychnine taken in mistake for another drug, I was laid up in St. John, N. B., for ten days. After this I never seemed to regain my former health, and continually suffered from indigestion and heart palpitation, for which I could get no relief. I thought I would try Hood's Sarsaparilla. After taking one bottle, I felt a little better, so continued using the remedy until I had consumed six bottles. I found myself gaining strength and flesh every day, and am now as healthy as I was before taking the poison." F. V. WARMOLL, representing the Seely Perfumes, 30 Melbourne Avenue, Toronto, Ontario.
