KINSMEN MEETING. - The regular meeting of the Kinmen Club was held in "The Charlottetown" last evening with Mr. Stewart Ives presiding. Mr. Frank W. Curtis, president, and Dr. P. A. Creelman, executive director of the P. E. I. T. B. League were in attendance. Dr. Creelman spoke briefly on the work of the T. B. League and asked for the support of the Kinmen in furthering the work for the eradication of T. B. in the Province. He stressed the need for full public participation in having annual X-ray examinations when the facilities are provided by the Mobile X-Ray Unit. The Kinmen Club are participating in the T. B. Seal drive on December 20th. A report on the Kinmen's Hallowe'en Party at the Armouries on October 31 was given by Mr. R. E. Bradley. Over 900 children were in attendance and from all reports the party contributed to this being one of the quietest Hallowe'en's on record. The main business of the meeting was a discussion of the most suitable ways and means for raising service funds to carry on the various projects during the coming year. Many excellent ideas were discussed and the Funds Raising Committee will consider the feasibility of adopting some of the new ideas. Mr. Sam Robinson was introduced as a new member.

BIBLE SOCIETY CAUSE VITAL

It is frequently stated that the Bible Society has given some book of Scripture to a tribe, race or people. The fact should not be overlooked that it has been the Missionary Societies both great and small who have made this possible. The two are inter-dependent. The missionaries need the Bible Society, and the Bible Society needs the missionaries.

Help the cause of the Bible Society with its Bible House at 109 Fitzroy Street, in Charlottetown, by your prayers and support.

UNIT SCHOOLS OPENED. - The new three-roomed school at Wirsloe was opened over a week ago while at Central Royalty one of the two two-roomed schools was opened yesterday. Reference to the latter school was inadvertently omitted in a news item in yesterday's paper. The three-roomed school at East Royalty will not be ready for about two weeks as the tile flooring is just being laid.

Y'S MEN'S CLUB. - The regular weekly meeting of the Charlottetown Y's Men's Club was held in the Y. M. C. A. last night. The meeting was conducted by Y's Man Jim Haslam. Guests present included Fred Young, J. B. Murley, Earle Taylor of Charlottetown, and Keith Mollison of Summerside. The Phalanx Club of the local Y. M. C. A. attended the meeting in a body as hosts of the Y's Men. Mr. Earle Hobbs of Charlottetown entertained the club with vocal numbers. The sing-song was conducted by Y's Man Walter Cox with Y's Man Frank Johnston at the piano. The special feature of the meeting was a speech by Mr. George Fitch of Korea and China who was introduced by Y's Man Fred Gamble, secretary of the Charlottetown Y. M. C. A. Mr. Fitch is an outstanding speaker and authority on affairs of the Far East where he has been associated with Y. M. C. A. work for a number of years. He answered questions from members of the club with regard to the present conditions in Korea and China. The speaker was thanked by Y's Man Claude Smith. The meeting adjourned with the National Anthem. The following are the results of Y's Men's Bowling League games played last night: High single, F. Small, 300; runner-up, O. K. Speaks On Korea And Its People

Mr. George A. Fitch (above), a Y.M.C.A. Secretary who had worked in China for many years and who spent the past four years in Korea, addressed the Y's Mens Club at their regular supper meeting last evening, and at 8:30 addressed a public meeting of Y members and citizens.

He gave a graphic picture of Korea and its citizens, and intimate stories of personal friends, among whom is Syngman Rhee, President of the Korean Republic. Mr. Fitch has a great admiration for this great Korean leader, whom he said was a very intelligent and highly educated leader. He spoke of the great influence Rhee received at Princeton University where he took his Doctorate degree under Woodrow Wilson. In his early years, he was President worked as a Y.M.C.A. secretary in his native Korea. He also spoke of Kim Koo, the great Korean insurgent who was assassinated in 1949.

Mr. Fitch said that the Korean people were a very intelligent race, very generous and friendly, and sincerely religious. The division of the country into North and South was a tragic mistake, according to Mr. Fitch, who said that two-thirds of the population were in the south, yet ninety percent of the industry, power plants and mineral wealth of the country was in the North, the South being mainly agricultural. However, the Southern part had made great strides with the Marshall aid plan at work only to be sadly disrupted by the present war invasion from the North.

The speaker said that the Northern Koreans were mainly opposed to Communism, and he felt that an election in the future would restore unity to the country and show that Communist influence was at an end. He said that the United Nations action in the present situation was a timely move and would prove to be a fatal blow to Communist influence in Asia.

At the conclusion of his address Mr. Fitch answered many questions from the audience.

Mr. T. Roy Cudmore, President of the Y. M. C. A., was chairman for the evening meeting, and the speaker was thanked by Rev. H. E. D. Ashford.

Mr. Fitch will speak in Summerside this evening after which he leaves for Boston and New York. He expects to return to his work in Korea within the next two months.

time Winter Fair and the Provincial Exhibition.

Expenses Heavy. Unfortunately a lot of this prize money could not remain with the winners. After paying entry fees, travelling costs, feeding bills, and maintaining themselves and hired hands around the fair, the profit in most cases would be small.

All however were satisfied to break even. Every Island breeder interviewed yesterday stated that the Fair provided him with a week away from the routine work at home, it gave him an opportunity to see how his stock fitted with the best in the Maritimes and his show winnings covered or more than covered the costs.

Sales Made

More important it provided breeders with an opportunity to make sales and quite a number of them were made during the past couple of days at some fancy figures. Allison Proffit sold a seven month old bull, Willow Farm Sunshine Prince who placed fourth in the junior bull class. Dam of the animal is Willow Farm Dora Colantha and the sire is Bond Haven Prince.

Demand for beef animals was heavy and yesterday afternoon Fulton Sanderson was considering selling his herd sire Duo Heir. This animal was grand and senior male reserve champion at the Provincial Exhibition here last August.

Mr. Sanderson had already sold one bull and two females. The bull was Bona Vista Lad, junior champion at Charlottetown last August. The heifers were one junior and one senior yearling.

Ocley Lewis of Freetown sold a young bull, Llyvenith Pontiac Echo to J. Cairns Henderson of River John, N.B. yesterday. A MacRae and Sons, sold a bull, Fairvue Fashion Loffy, to John Brackley, Ottawa, some time ago and shipped the sire to his new home from the Fair. This animal was sired by Glengarry Bit O' Fashion.

S. C. Stewart and Son sold six boars and three sows to New Brunswick and Nova Scotia breeders. Included in the sale was the junior male champion and reserve animals at the Fair. They were also considering the sale of their grand champion boar.

George Boswell could have sold his whole flock of Oxford Down sheep this week. He did sell one ram and two females to mainland breeders.

is expected to have a capacity of 600,000 barrels.

Mr. Mortimer, noting that a similar plant will be built near St. John's Nfld., expressed a measure of regret that the New Brunswick plant is not being built nearer Saint John.

The Newfoundland and New Brunswick plants, he said, would help meet the lag in cement deliveries in the Maritimes.

Re Car Ferries

In a resolution the Dominion Bureau of Statistics was asked to issue statistics provincially, instead of lumping statistics in a Maritime group.

The Federal Government was asked to take steps to prevent a recurrence of any incident such as the August railway strike that would cut off Prince Edward Island from the mainland. Better port facilities at Borden, and Wood Islands, P.E.I., were requested.

The board asked that servicing

Divorce Court Jurisdiction Reference Argued

Argument of counsel was heard yesterday as the Reference re the 1949 legislation conferring divorce jurisdiction on the Supreme Court of Prince Edward Island came before the full bench of the Supreme Court to decide on its validity.

The legislation amends a pre-confederation statute passed in 1836 which provided for divorce and established a Divorce Court consisting of the Lieut-Governor (or the Chief Justice) and five members of the Council.

Hon. Walter E. Darby, K.C., Attorney-General, upholds the validity of the amendment. Mr. H. F. MacPhee, K.C., was appointed by the Court to present opposing arguments. Counsel completed their submissions and the hearing was adjourned until Friday the 17th. It has not been determined whether the Court will rule on the validity of the amendment or refer the question to the Supreme Court of Canada.

No official comment was forthcoming from Maritime Board of Trade higher ups on a proposal last evening by Premier Joseph Smallwood of Newfoundland for an Atlantic Province development corporation.

Dr. C. H. Blakeny, president of the Board, said that it is still too soon to comment officially on the proposal.

However, general reaction of Maritimers was that Premier Smallwood's scheme smacked of nationalization of industry. His plan for the principal part in the development scheme to be shaped by the Governments of the four Atlantic Provinces is contrary to the general spirit of Canadian business, said one observer, since private enterprise is encouraged as much as possible.

Premier Smallwood said the corporation would be granted leases to the un-alienated natural resources of the four provinces, with a mandate to develop them.
