LATE SENATOR THOMPSON LEST ESTATE OG \$79,000

FREDERICTON, N. B., June 3.—The will of the late Senator Frederick Pemberton Thompson, who died a few weeks ago at Ottawa, has been probated in York County Court. The estate was sworn at

\$79,000, and his son, Alexander J. Thompson, district superintendent of the New Brunswick Telephone Company, is the sole executor. After some bequests, the will provides that the residue of the estate approximately \$60,000, shall be divided equally between the deceased's son and two daughters. The late Senator Thompson, it is said, before his death, made a number of gifts to members of his family. He also made contributions of generous proportions to the Methodist Church, Victoria Public Hospital and Mount Allison University at Sackville, N. B.

held in the C.M.B.A. hall on May

the care of children, and the sub-

was very instructive, was listened
to with great attention by the large
meeting and at the close she was
tendered a vote of thanks to which
she fittingly replied. Mrs. Whelan
is a graduate of the Carney Hospital,
St. Louis, Boston.

—S. S. EMPRESS—Residents of
Summerside and the province gen-
erally will be interested in the
fact that the S. S. Empress, which
formerly ran between Summerside
and Point du Chene has been con-
verted into an oil-burning steamer
and is now considered one of the
finest vessels in the Canadian
coastal trade. The Empress,
which now has a daily run between
St. John, N. B., and Digby, N.S.,
is owned by the Canadian Pacific
Railway system.

—SIGNAL CLASS.—The Signal
class being conducted in Sum-
merside by Sergeant McMaster, is pro-
gressing very rapidly and it is ex-
pected that all the members of
the class will be able to “make the
grade” for the annual encamp-
ment in Charlottetown this month.
About twelve are taking the ad-
vanced work in the use of single
and double flags, helio, torch and
“buzzer” work.

—RADIO STATION.—Summerside
on the completion of the new Gau-
det theatre now in course of erec-
tion, will have the first radio broad-
casting telephone receiving sta-
tion in the Maritime Provinces, in
which a theatre audience can lis-
ten in to the many radio concerts
conducted each evening in New
York, New Jersey, Pennsylvania
and many other centres in the
United States. It is the intention
of J. J. Gaudet, proprietor of the
theatre, to equip the theatre with
the latest approved receiving and
amplifying devices. It is expected
that the theatre will be formal-
ly opened early this autumn.

—BASEBALL.—One of the in-
teresting games of the season, the
interest amounting to even more
than the total score rolled up, was
that played on the Summerside
High School grounds on Friday af-
ternoon between the Summerside
High School nine and the West
Kent Baseball Team from Charlot-
teton, ending in a victory for
the Charlottetown boys by the
score of 14-11. Vernon Currie
for the blue and gold boys had ex-
cellent control and his pitching
was one of the interesting fea-
tures of the game, while Keith
Warren, of the High School nine
produced a variety of speed and
curves in his pitching that kept the
West Kenters puzzled. Robert
Morrison, of Summerside, was un-
der the gun, and George Francis, of Char-
lottetown, was field judge. The
Charlottetown boys motored home
after the game.

—“WHAT IS THE MATTER
WITH KENSINGTON?”—The
above question was one that was
asked by a large number of res-
pectable citizens of Kensington
on Thursday of this week when
practically all day long the whole
town was enveloped in a hurri-
cane of dust and disease laden
germs. People who were com-
pelled to move around, the town did
so under fear of being blinded or
smothered with the dust. The
writer has lived in a small town
on P. E. Island for a number of
years and on an occasion like
Thursday the watering cart was
put in motion and made the streets
fit for travel only if the town
officials are not interested in
this where is our Health Laws?
The same thing is bound to hap-
pen again unless the situation is
taken in hand by some one and
something done. It is very dis-
couraging for strangers or people
coming from the country into a
town like Kensington, the best
town in our province, and see such
a state of affairs as was in evi-
dence here on Thursday. (One
interested.)

Annie Dawson, Summerside, spent

teton, the guests of Mr. and Mrs.
Jas. Murley.

merside, the guest of Miss Dorothy
